Ladies and Gentlemen:

I am writing to inform you that our form 5500 filing for 2017 was delayed and to ask that the penalty fees that have been assessed please be waived.

Our form was not filed on time because the contact person who had been receiving these notices in prior years was diagnosed with cancer early in 2017 and had to have surgery over the summer to remove a dangerous tumor. During that time of facing serious health concerns, he was not aware that he was the only officer of the company who was receiving the information and failed to realize that the Chief Operating Officer was unaware of the obligation to file this form. Accordingly, the form was still not submitted by the extended deadline.

Richmond North Associates has since taken the proper steps to update the contact person for these matters to now be the Chief Operating Officer, Patricia Davis.

We regret the error that has led to the fees that have been charged due to the lack of timely filing of this form, and we respectfully ask that you please consider waiving and eradicating any and all of the penalty fees that have been assessed against our company.

Thank you in advance for your thoughtful consideration.

Patti Davis
