Robertson-Ceco Corporation Master Pension Plan

Notes to Financial Statements

December 31, 2016 and 2015

Note 1: Description of the Plan

The following description of the Robertson-Ceco Corporation Master Pension Plan (the "Plan") provides only general information. Additional information about the vesting and benefit provisions and the Pension Benefit Guarantee Corporation's (the "PBGC") benefit guarantee is contained in the Plan document, which is available from the Plan administrator.

General

The Plan is a defined benefit pension plan sponsored by Robertson-Ceco II Corporation (the "Company") covering all employee categories of the Company as described in the Plan document. As of December 31, 1996, all benefit accruals under the Plan were frozen. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Pension Benefits

Under the terms of the agreement with the Company, participants are eligible for monthly benefit payments upon reaching age 65 in an amount actuarially determined based on years of service as defined in the Plan document. The benefits of all participants in the Plan are fully vested. The Plan permits benefit payments in the form of either an annuity or a lump sum and permits early retirement at age 55 (provided the participant has completed the number of years of service applicable to the particular early retirement benefit). Death, disability retirement benefits and deferred vested benefits are also outlined in the Plan document.

Death and Disability Benefits

If an active or terminated participant with a vested Plan benefit dies, a death benefit based on the employee's accumulated pension benefits is paid to the employee's spouse and in some cases, to another designated beneficiary, as described in the Plan.

Participants who have completed the number of years of service applicable to a particular retirement benefit, and terminate employment as a result of becoming permanently and totally disabled are entitled to a disability retirement pension, as described in the Plan.

Funding Policy

All contributions to the Plan by the Company are based on estimates provided by actuaries using the projected unit credit cost method. The Company's policy is to fund pension costs at or above actuarially determined minimums. The minimum funding requirements of ERISA have been met for the years ended December 31, 2016 and 2015.

Plan Termination

While the Company has not expressed any intent to terminate the Plan or to discontinue contributions, it is free to do so at any time subject to the provisions set forth in ERISA. Should the Plan be terminated at some future time, all participants become 100% vested in benefits earned as of the termination date and the net assets of the Plan will be allocated as prescribed by ERISA and its related regulations.

Pursuant to ERISA requirements, if a termination is the result of the bankruptcy or near bankruptcy of the Plan's sponsor and the Plan's assets are not adequate to pay all benefits vested prior to the termination, the PBGC will take over the Plan and will pay those benefits which it guarantees. In

Robertson-Ceco Corporation Master Pension Plan

Notes to Financial Statements

December 31, 2016 and 2015

this case, some participants may receive a smaller benefit than if the Plan had continued. Whether a participant's accumulated Plan benefits will be paid depends on both the priority of those benefits (as described in the Plan) and the level of benefits guaranteed by the PBGC at that time.

If, however, the Plan is terminated for any reason other than the bankruptcy or near bankruptcy of the Plan's sponsor and the Plan has insufficient assets, the sponsor will be required to pay to the Plan an amount which, together with the Plan assets, will satisfy all benefits accumulated to the date of the Plan's termination.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("US GAAP").

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Contributions

Contributions to the Plan are recorded in the period that the Plan's actuary determines they relate to except that a contribution receivable is recorded to the extent that amounts due are pursuant to formal commitments as well as legal or contractual requirements in existence at the end of the Plan year.

Payments of Benefits

Benefit payments are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities and the actuarial present value of accumulated Plan benefits at the date of the financial statements. Actual results could differ from those estimates.

Recently Issued Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-07, *Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)* ("ASU 2015-07"). ASU 2015-07 removes the requirement to include investments in the fair value hierarchy for

Robertson-Ceco Corporation Master Pension Plan

Notes to Financial Statements

December 31, 2016 and 2015

which fair value is measured using the net asset value per share practical expedient under FASB Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*. However, the fair value of such investments will be required to be disclosed. ASU 2015-07 is effective for the Plan retrospectively for the year beginning after December 15, 2015 with early adoption permitted. The Plan adopted ASU 2015-07 as of December 31, 2016.

In July 2015, the FASB issued ASU No. 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient* (“ASU 2015-12”). ASU 2015-12 (1) requires a pension plan to use contract value as the only measure for fully benefit-responsive investment contracts, (2) simplifies and increases the effectiveness of the investment disclosure requirements for employee benefit plans, and (3) provides benefit plans with a measurement-date practical expedient similar to the practical expedient provided to employers in ASU 2015-04, *Practical Expedient for the Measurement Date of an Employer’s Defined Benefit Obligation and Plan Assets*. ASU 2015-12 is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. The Plan is required to apply the amendments retrospectively for all statements presented except for Part III, which requires a prospective application. The Plan adopted ASU 2015-12 Part II as of December 31, 2016. ASU 2015-12 Part I and III are not applicable to the Plan.

Plan management believes the adoption of ASU 2015-07 and ASU 2015-12 Part II affected certain disclosures but did not have any impact on the Plan’s financial statements.

Management’s Review of Subsequent Events

In preparing the accompanying financial statements, Plan management has reviewed all known events that have occurred after December 31, 2016, and through January 30, 2018, for inclusion in the financial statements and footnotes.

Note 3: Investments (Certified by Trustee) and Fair Value Measurements

Information related to investments and related investment income as of December 31, 2016 and 2015 and for the year ended December 31, 2016 were certified by The Northern Trust Company, the trustee of the Plan, (“Trustee”), as permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA.

ASC 820 establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in an active market for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurement). The three levels of the fair value hierarchy under ASC 820 are as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities.

Robertson-Ceco Corporation Master Pension Plan

Notes to Financial Statements

December 31, 2016 and 2015

Level 2

Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds: Valued at the quoted market price which represent the net asset value ("NAV") of shares held by the Plan at year end.

Corporate Stock: Valued at the closing price reported on the active market on which the individual securities are traded.

Government securities: Valued at the closing price reported in the active market in which the individual security is traded.

Corporate bonds: Certain corporate bonds are valued at the closing price reported in the active market in which the bond is traded. Other corporate bonds are valued based on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, the bond is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

Common/Collective trust funds: Valued at NAV based on quoted market values as determined by the issuer based on the fair value of the underlying investments. NAV is calculated on a scheduled basis. Each fund replicates the index it represents.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level the Plan's assets at fair value as of December 31, 2016 and 2015:

Note 4: Net Asset Value Per Share

The following tables summarize the Plan's investments for which the fair value is estimated using the investment's NAV as of December 31, 2016 and 2015:

December 31, 2016	Fair value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trusts	\$13,958,248	N/A	Daily	Trade date minus one day

December 31, 2015	Fair value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common/collective trusts	\$10,425,687	N/A	Daily	Trade date minus one day

Note 5: Accumulated Plan Benefits

Accumulated Plan benefits are those future periodic payments, including lump-sum distributions that are attributable under the Plan's provisions to the service employees have rendered. Accumulated Plan benefits include benefits expected to be paid to (1) retired or terminated employees or their beneficiaries, (2) beneficiaries of employees who have died and (3) present employees or their beneficiaries. Benefits under the Plan are determined as described in Note 1.

Benefits payable under all circumstances (i.e., retirement, death, disability and termination of employment) are included, to the extent they are deemed attributable to employee service rendered to the valuation date.

An actuary from AON Hewitt determined the actuarial present value of accumulated plan benefits as of January 1, 2016, which is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment.

Robertson-Ceco Corporation Master Pension Plan

Notes to Financial Statements

December 31, 2016 and 2015

The accumulated plan benefits information as of January 1, 2016 is as follows:

Actuarial present value of accumulated plan benefits	
Vested benefits:	
Participants currently receiving payments	\$ 23,738,652
Other participants	11,856,728
Nonvested benefits	3,112
Total actuarial present value of accumulated plan benefits	<u>\$ 35,598,492</u>

Changes in the actuarial present value of accumulated plan benefits for the January 1, 2016 Plan year were as follows:

Actuarial present value of accumulated plan benefits	
Beginning of year	\$ 36,195,560
Increase (decrease) during the year attributable to:	
Interest accumulation	2,076,314
Assumption changes	829,891
Benefits paid	(3,227,674)
Other changes	<u>(275,599)</u>
Net decrease	<u>(597,068)</u>
Actuarial present value of accumulated plan benefits	
End of year	<u>\$ 35,598,492</u>

Significant actuarial assumptions underlying the actuarial computations for the January 1, 2016 Plan year were as follows:

- Discount rate: 6.00%, down from 6.30% in the prior year
- Mortality basis: 2016 Static Mortality Table for Annuitants and Non-Annuitants

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. If the Plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits.

Note 6: Related Party Transactions

The Plan incurs expenses related to general administration and record keeping. Certain costs of administering the Plan are paid by the Company.

Certain Plan investments are units of funds managed by The Northern Trust Company. The Northern Trust Company also provided custodial and other fiduciary services to the Plan during the plan year. Purchases and sales of these investments qualified as party-in-interest transactions allowable under ERISA regulations. Fees paid during the year for legal, accounting, actuarial and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services.

Robertson-Ceco Corporation Master Pension Plan

Notes to Financial Statements

December 31, 2016 and 2015

Note 7: Income Tax Status

The Plan obtained its latest determination letter on November 19, 2013, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the Internal Revenue Code and therefore not subject to tax. The Plan has not been amended since receiving the determination letter.

US GAAP requires Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan management believes it is no longer subject to income tax examinations for years prior to 2013.

Note 8: Risks and Uncertainties

The Plan has investments which are exposed to various risks, such as interest rate, credit and overall market volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

Plan contributions are made and the actuarial present value of accumulated Plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimation process, it is at least reasonably possible that changes in estimates and assumptions in the near term could be material to the financial statements.

Schedule SB, Part V—Statement of Actuarial Assumptions/Methods

Interest Rates for Minimum Funding Purposes	Based on segment rates with a four month lookback (as of September 2015), each adjusted as needed to fall within the 25-year average interest rate stabilization corridor under the Highway and Transportation Act of 2014.
1st segment rate	4.43%
2nd segment rate	5.91%
3rd segment rate	6.65%
Cash Balance Interest Crediting Rate	4.00%
Lump Sum Conversion Interest Rates	Same as funding interest rates above.
Mortality Rates	
Healthy and disabled	2016 static mortality table for annuitants and non-annuitants per section 1.430(h)(3)-1(e)
Lump Sum	2016 plan year 417(e)(3) mortality table
Retirement rates	See Table 1
Withdrawal rates	See Table 2
Disability rates	See Table 3
Surviving spouse benefit	It is assumed that 80% of males and 80% of females have an eligible spouse, and that males are three years older than their spouses.
Benefit and compensation limits	Projected benefits and compensation are limited by the current IRC section 415 maximum benefit of \$210,000 and the 401(a)(17) compensation limit of \$265,000.
Valuation of Plan Assets	<p>Smoothed fair market value of assets over the current and prior two years, adjusted for contributions, benefit payments, administrative expenses, and expected earnings. The average value of assets calculated in this manner is further limited to not less than 90% nor more than 110% of fair market value.</p> <p>A characteristic of this method is that the expected distribution of the value of plan assets is skewed toward understatement relative to the corresponding market values for expected long-term rates of return in excess of the third segment rate under IRC section 430(h)(2)(C)(iii).</p>

Schedule SB, line 15—Reconciliation of Differences Between Valuation Results and
Amounts Used to Calculate AFTAP

The AFTAP for the Plan was certified on September 26, 2016. The AFTAP was calculated using a Funding Target that differs from the one reported on the Schedule SB. The Funding Target reported on the Schedule SB reflects the removal of deceased beneficiaries of current in pay retirees from the valuation as a result of the beneficiary search requested by the plan sponsor. Since the change was immaterial the AFTAP was not recertified. The change is outlined below:

	AFTAP	Schedule SB	Difference
Funding Target	\$36,113,305	\$35,831,752	(\$281,553)
Value of Plan Assets	\$34,578,328	\$34,578,328	\$0

TX-2017-09, Aug. 29, 2017

Texas — Victims of Hurricane Harvey that took place beginning on Aug. 23, 2017 in parts of Texas may qualify for tax relief from the Internal Revenue Service.

The President has declared that a major disaster exists in the State of Texas. Following the recent disaster declaration for individual assistance issued by the Federal Emergency Management Agency, the IRS announced today that affected taxpayers in Texas will receive tax relief.

Individuals who reside or have a business in Aransas, Austin, Bastrop, Bee, Bexar, Brazoria, Burleson, Calhoun, Chambers, Colorado, Dallas, De Witt, Fayette, Fort Bend, Galveston, Goliad, Gonzales, Grimes, Hardin, Harris, Jackson, Jasper, Jefferson, Karnes, Kleberg, Lavaca, Lee, Liberty, Madison, Matagorda, Montgomery, Newton, Nueces, Orange, Polk, Refugio, Sabine, San Jacinto, San Patricio, Tarrant, Travis, Tyler, Victoria, Walker, Waller, Washington, and Wharton Counties may qualify for tax relief. The declaration permits the IRS to postpone certain deadlines for taxpayers who reside or have a business in the disaster area. For instance, certain deadlines falling on or after Aug. 23, 2017 and before Jan. 31, 2018, are granted additional time to file through Jan. 31, 2018. This includes taxpayers who had a valid extension to file their 2016 return that was due to run out on Oct. 16, 2017. It also includes the quarterly estimated income tax payments originally due on Sept. 15, 2017 and Jan. 16, 2018, and the quarterly payroll and excise tax returns normally due on Oct. 31, 2017. In addition, penalties on payroll and excise tax deposits due on or after Aug. 23, 2017, and before Sept. 7, 2017, will be abated as long as the deposits were made by Sept. 7, 2017.

If an affected taxpayer receives a late filing or late payment penalty notice from the IRS that has an original or extended filing, payment or deposit due date that falls within the postponement period, the taxpayer should call the telephone number on the notice to have the IRS abate the penalty.

The IRS automatically identifies taxpayers located in the covered disaster area and applies automatic filing and payment relief. But affected taxpayers who reside or have a business located outside the covered disaster area must call the IRS disaster hotline at 866-562-5227 to request this tax relief.

Covered Disaster Area

The counties listed above constitute a covered disaster area for purposes of Treas. Reg. § 301.7508A-1(d)(2) and are entitled to the relief detailed below.

Affected Taxpayers

Taxpayers considered to be affected taxpayers eligible for the postponement of time to file returns, pay taxes and perform other time-sensitive acts are those taxpayers listed in Treas. Reg. § 301.7508A-1(d)(1), and include individuals who live, and businesses whose principal place of business is located, in the covered disaster area. Taxpayers not in the covered disaster area, but whose records necessary to meet a deadline listed in Treas. Reg. § 301.7508A-1(c) are in the covered disaster area, are also

entitled to relief. In addition, all relief workers affiliated with a recognized government or philanthropic organization assisting in the relief activities in the covered disaster area and any individual visiting the covered disaster area who was killed or injured as a result of the disaster are entitled to relief.

Grant of Relief

Under section 7508A, the IRS gives affected taxpayers until Jan. 31, 2018, to file most tax returns (including individual, corporate, and estate and trust income tax returns; partnership returns, S corporation returns, and trust returns; estate, gift, and generation-skipping transfer tax returns; and employment and certain excise tax returns), that have either an original or extended due date occurring on or after Aug. 23, 2017, and before Jan. 31, 2018. Affected taxpayers that have an estimated income tax payment originally due on or after Aug. 23, 2017, and before Jan. 31, 2018, will not be subject to penalties for failure to pay estimated tax installments as long as such payments are paid on or before Jan. 31, 2018. The IRS also gives affected taxpayers until Jan. 31, 2018 to perform other time-sensitive actions described in Treas. Reg. § 301.7508A-1(c)(1) and Rev. Proc. 2007-56, 2007-34 I.R.B. 388 (Aug. 20, 2007), that are due to be performed on or after Aug. 23, 2017, and before Jan. 31, 2018.

This relief also includes the filing of Form 5500 series returns, (that were required to be filed on or after Aug. 23, 2017, and before Jan. 31, 2018, in the manner described in section 8 of Rev. Proc. 2007-56. The relief described in section 17 of Rev. Proc. 2007-56, pertaining to like-kind exchanges of property, also applies to certain taxpayers who are not otherwise affected taxpayers and may include acts required to be performed before or after the period above.

Unless an act is specifically listed in Rev. Proc. 2007-56, the postponement of time to file and pay does not apply to information returns in the W-2, 1094, 1095, 1097, 1098, or 1099 series; to Forms 1042-S, 3921, 3922, 8025, or 8027; or to employment and excise tax deposits. However, penalties on deposits due on or after Aug. 23, 2017, and before Sept. 7, 2017, will be abated as long as the tax deposits were made by Sept. 7, 2017.

Casualty Losses

Affected taxpayers in a federally declared disaster area have the option of claiming disaster-related casualty losses on their federal income tax return for either the year in which the event occurred, or the prior year. See Publication 547 for details.

Individuals may deduct personal property losses that are not covered by insurance or other reimbursements. For details, see [Form 4684](#) and its [instructions](#).

Affected taxpayers claiming the disaster loss on a 2016 return should put the Disaster Designation, “Texas, Hurricane Harvey” at the top of the form so that the IRS can expedite the processing of the refund.

Other Relief

The IRS will waive the usual fees and expedite requests for copies of previously filed tax returns for affected taxpayers. Taxpayers should put the assigned Disaster Designation “Texas, Hurricane Harvey,” in red ink at the top of [Form 4506](#), Request for Copy of Tax Return, or [Form 4506-T](#), Request for Transcript of Tax Return, as appropriate, and submit it to the IRS.

Affected taxpayers who are contacted by the IRS on a collection or examination matter should explain how the disaster impacts them so that the IRS can provide appropriate consideration to their case. Taxpayers may download forms and publications from the official IRS website, [irs.gov](#), or order them by calling 800-829-3676. The IRS toll-free number for general tax questions is 800-829-1040.
