Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Alerus Financial, N.A. (Alerus), the custodian of the Plan, except for comparing such information with the related information included in the financial statements. The Plan Administrator has obtained certifications from the custodian as of and for the period and years ended May 9, 2017 and December 31, 2016 and 2015 that the information provided to the Plan Administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter – Plan Termination and Use of Liquidation Basis of Accounting

As further discussed in Notes 1 and 2 to the financial statements, the Plan Sponsor made a decision to terminate the Plan. As a result, in accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting from the accrual basis of accounting used in presenting the 2015 financial statements to the liquidation basis of accounting used in presenting the 2017 and 2016 financial statements. Our opinion is not modified with respect to this matter.

Other Matter - Supplemental Schedules

The supplemental Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions as of and for the year ended December 31, 2016 are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance With the DOL's Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Plan Termination

Effective June 1, 2016, a decision was made by the Plan Sponsor to terminate the multiple-employer plan. Participants employed by Acrisure, LLC, and related employers, were spun off into a newly formed single employer plan sponsored by the Company, the Acrisure 401(k) Savings Plan. Employee contributions were no longer accepted into the Plan effective January 1, 2016. All assets of the other participating employers were distributed in accordance with participant directions, or transferred into another qualified plan. All assets of the Plan were fully distributed as of May 9, 2017 and the Plan was terminated.

Eligibility

Prior to January 1, 2016, the eligibility requirements to participate in the Plan were employer specific and ranged from immediate participation to at least one year of service for a full-time or part-time employee. Age requirements and other eligibility requirements varied by Employer. Effective January 1, 2016, there were no newly eligible employees allowed to participate in the Plan.

Acrisure 401(k) Savings Plan

Notes to Financial Statements

Contributions

Participants may contribute a percentage of their annual compensation, subject to certain limitations not to exceed the maximum allowed by the Internal Revenue Service (IRS), with the contributions and earnings thereon receiving favorable tax treatment as inherent to retirement plans. Matching formulas are determined by the Employers based on Plan provision elections. The match is invested in various investment options as directed by the participant. The Employers may also make discretionary contributions to the Plan subject to the approval of each Employer's board of directors.

Participant Accounts

Each participant's account is credited with the participant's contribution, an allocation of the Employer's contribution, and an allocation of net Plan earnings and expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct the investment of their account balances into various investment options offered by the Plan. Currently, the Plan offers various mutual funds as investment options for participants.

Vesting

Participants are immediately vested in their elective (voluntary) contributions and income or loss thereon. Prior to June 1, 2016 vesting in Employer contributions was based on years of service, and vesting schedules varied by Employer. Effective June 1, 2016, the Plan was terminated and participants became fully vested in all contributions.

Forfeitures

Participants who terminate employment prior to becoming fully vested must forfeit a percentage of their Employer contributions. At December 31, 2015, forfeitures of approximately \$64,000 were available to reduce future employer contributions or pay Plan expenses. In 2016, forfeitures in the amount of approximately \$19,800 were transferred into the newly formed Acrisure Plan.

Notes Receivable From Participants

The Plan allows participants to borrow from their accounts a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The minimum loan amount is \$1,000. The loans are secured by the balance in the participant's account and bear a fixed rate of interest at the prime rate determined at origination. Principal and interest are paid ratably through regular payroll deductions.

Payment of Benefits

Benefit payments are payable as a single lump-sum payment or installments. The full value of a participant's account is payable upon retirement, death or disability. The vested account balance is payable upon separation.

Notes to Financial Statements

2. Significant Accounting Policies

Basis of Accounting

The 2015 financial statements have been prepared under the accrual method of accounting.

On June 1, 2016, the Plan Sponsor approved the resolution to terminate the Plan as soon as administratively feasible. During the liquidation period, from June 1, 2016 through May 9, 2017, all of the Plan's assets were distributed to the participants in the form of rollovers to other qualified plans or lump-sum payments. As a result, the Plan's financial statements as of December 31, 2016 and for the period ending May 9, 2017, have been prepared on a liquidation basis of accounting. This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets is reasonably determinable. Under the liquidation basis of accounting, assets are stated at their estimated net realizable cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments at December 31, 2016 is determined using fair value.

Subsequent Events

Subsequent events have been evaluated by management through January 31, 2018, the date these financial statements were available to be issued.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Acrisure 401(k) Savings Plan

Notes to Financial Statements

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, which approximates fair value. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan Document.

Payment of Benefits

Benefits are recorded when paid.

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Disclosures for Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)*. ASU 2015-07 removes the requirement to categorize within the fair value hierarchy investments for which fair values are estimated using the net asset value practical expedient provided by Accounting Standards Codification 820, *Fair Value Measurement*. Disclosures about investments in certain entities that calculate net asset value per share are limited under ASU 2015-07 to those investments for which the entity has elected to estimate the fair value using the net asset value practical expedient. ASU 2015-07 is effective for fiscal years beginning after December 15, 2016, with early adoption permitted.

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965), (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient*. This three-part update simplifies current benefit plan accounting and requires (i) fully benefit-responsive investment contracts to be measured, presented and disclosed only at contract value, and accordingly removes the requirement to reconcile their contract value to fair value; (ii) benefit plans to disaggregate their investments measured using fair value only by general type, rather than class, either on the face of the financial statements or in the notes to the financial statements; (iii) the net appreciation or depreciation in investments for the period to be presented in the aggregate rather than by general type, and removes certain disclosure requirements relevant to individual investments that represent five percent or more of net assets available for benefits. Further, the amendments in this update eliminate the requirement to disclose the investment strategy for certain investments that are measured using net asset value per share. These amendments are effective retrospectively for fiscal years beginning after December 15, 2015, and early adoption is permitted. This update also provides a practical expedient to permit employee benefit plans to measure investments and investment-related accounts as of the month-end that is closest to the plan's fiscal year-end, when the fiscal period does not coincide with a month-end, while requiring certain additional disclosures. This portion of the update is effective prospectively for fiscal years beginning after December 15, 2015, and early adoption is permitted.

Plan management reviewed both ASU 2015-07 and ASU 2015-12 and decided to early adopt both standards in 2015, as they believed it would simplify Plan accounting and its presentation in the financial statements. As such, the accounting and disclosures in these financial statements and notes follow ASU 2015-07 and ASU 2015-12.

Acrisure 401(k) Savings Plan

Notes to Financial Statements

3. Investments

In accordance with ASC 820, *Fair Value Measurements and Disclosures*, the Plan utilizes a fair value hierarchy for valuation inputs that gives the highest priority to quoted prices in active markets for identical assets (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The three levels of the fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets in active markets.

Level 2 - Inputs to the valuation methodology include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets and other inputs that are observable or can be corroborated by observable market data.

Level 3 - Inputs to the valuation methodology are both significant to the fair value measurement and unobservable.

The following valuation methodologies were used to measure the fair value of the Plan's investments:

Money market fund: Valued at the net asset value (NAV) of the shares held by the Plan at year-end and is determined based on the value of the underlying investments of the fund. The money market fund seeks to maintain a \$1.00 NAV.

Mutual funds: Valued at quoted market prices in an exchange and active market, which represent the NAV of shares held by the Plan. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2016 and 2015. There have been no significant transfers into or out of Levels 1, 2 or 3.

4. Information Certified by the Custodian

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's custodian has certified to the completeness and accuracy of all investments and investment income reflected on the accompanying financial statements and supplemental schedule.

Interest and dividends	\$ 468	\$ 32,203

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

5. Related Party Transactions

The Plan Sponsor provides certain accounting, recordkeeping, and administrative services for the Plan for which no compensation is received. Administrative expenses for legal, accounting and other services are rendered by parties-in-interest and are paid by the Plan Sponsor.

6. Income Tax Status

On March 31, 2014, the IRS stated that the volume submitter plan adopted by the Plan, as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letter. However, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Notes to Financial Statements

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

At December 31, 2015, a DOL audit was in process. Plan management received results of the audit from the DOL in April 2016 indicating the Plan Sponsor had violated certain provisions of ERISA. The Plan Sponsor and the Plan's legal counsel have responded to the results with corrective actions to be taken, and corrections were made during 2016.

As disclosed in Note 1, the Plan was terminated effective June 1, 2016, and all assets of the Plan were fully distributed as of May 9, 2017.

7. Delinquent Participant Contributions

The Company failed to remit certain contributions to the Plan in the amount of \$307,194 for the year ended December 31, 2015, in a timely manner, according to the DOL's regulations. The Company calculated lost earnings and remitted \$554 to the Plan in 2016.
