Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note D, which was certified by John Hancock ("Trustee"), the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2016, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter—Supplemental Schedule

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets (Held at End of Year), which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THE PLATINUM 401(k) RETIREMENT SAVINGS PLAN FBO: BARBEQUE INTEGRATED, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE A. DESCRIPTION OF THE PLAN

The following description of The Platinum 401(k) Retirement Savings Plan FBO: Barbeque Integrated, Inc. (the "Plan") provides only general information. Users of the financial statements should refer to the Plan documents for a more complete description of the Plan's provisions.

1. General: The Plan is a defined contribution plan established to provide for contributions made under salary deferral agreements pursuant to Section 401(k) of the Internal Revenue Code (the "Code"). The Plan covers substantially all eligible employees of Barbeque Integrated, Inc. (hereafter, collectively referred to as the "Company"). Effective January 1, 2013, the Company elected to participate in the Platinum 401(k) Retirement Savings Plan, a "multiple employer" plan as described in Section 413(c) of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

2. Participant Eligibility: Employees may participate in the Plan once they are age 21 and have completed one hour of service with the Company. However, the Plan excludes employees who are not categorized as a "Restaurant Manager" or "Restaurant Support Firestarter".

3. Contributions: Eligible employees may make contributions via payroll deductions up to limits as defined in the Plan and other limits in accordance with the Code. Elective deferrals can be made in whole percentages of compensation or in specific dollar amounts. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the plan.

The Company may, in its sole discretion, make a matching contribution on behalf of the participants in an amount determined by the Company. The Company may also, in its sole discretion, make a discretionary contribution on behalf of the participants in an amount determined by the Company. Such a contribution, if made, will be allocated to each participant eligible in pro rata shares. For the year ended December 31, 2016 and 2015, the Company made matching contributions equal to 25% of the first 5% of a participant's deferral.

4. Participant Accounts: Each participant's account is credited with the participant's allocation of (a) the Company's matching contributions, (b) the Company's discretionary contributions, (c) the participant's contribution and (d) Plan earnings less an allocation of investment and operating expenses charged to the Plan. The Company's discretionary contributions are based upon the ratio that each eligible participant's compensation bears to the total compensation of all eligible participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Vesting: Participants are immediately vested in their contributions, voluntary rollovers, and the actual allocated earnings thereon. Vesting in the Company's matching and discretionary contributions plus actual earnings thereon is based on years of service according to a 1-5 year graded vesting schedule (20% per year starting with one year of vesting service).

THE PLATINUM 401(k) RETIREMENT SAVINGS PLAN FBO: BARBEQUE INTEGRATED, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE A. DESCRIPTION OF THE PLAN – CONTINUED

A participant will become 100% vested in the Company's matching and discretionary contributions under any of the following circumstances:

- Death before retirement date.
- Disability before retirement date.
- Attainment of normal retirement age.
- Termination of the Plan.

6. Notes Receivable from Participants: Participants may borrow from their accounts up to a maximum equal to the lesser of \$50,000 or 50 percent of their account balance. The loans are secured by the balance in the participant's account and bear interest at a commercially reasonable fixed rate of interest. The interest rate for a loan will be prime rate plus 1%. Principal and interest is paid ratably through payroll deductions. Interest income is recorded as received. If a loan is considered to be in default, the outstanding loan balance will be included in the participant's gross income for federal tax purposes as if it was distributed to the participant. A loan will be treated in default if any of the following conditions are met.

- Any scheduled payment remains unpaid beyond the last day of the calendar quarter following the calendar quarter in which the payment was due.
- The participant terminates employment with his employer and does not pay the entire outstanding loan balance within 60 days of his or her termination of employment.
- There is a making or furnishing of any representation or statement to the Plan with respect to the loan by or on behalf of the participant which proves to have been false in any material respect when made or furnished.
- The participant fails to comply with the terms of the promissory note or other enforceable agreement and/or security agreement.

7. Payment of Benefits: Retired or terminated participants may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments over a 10 year period. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

In the event of a participant's death, his or her designated beneficiary may request a distribution of his or her account. Withdrawals may also be made in conjunction with IRS hardship distribution regulations.

8. Forfeitures: Upon termination of employment the non-vested portion of a participant's account is forfeited. Forfeitures may be paid back to the Company or used to reduce the Company's matching or discretionary contributions.

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation: The financial statements of the Plan have been prepared in accordance with accounting principles generally accepted in the United States of America and present the net assets available for benefits and the changes in those net assets.

Investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

THE PLATINUM 401(k) RETIREMENT SAVINGS PLAN FBO: BARBEQUE INTEGRATED, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

The Statements of Net Assets Available for Benefits present the fair value of the investment contract as well as the adjustment of the fully benefit-responsive investment contract from fair value to contract value. The Statements of Changes in Net Assets Available for Benefits are prepared on a contract value basis.

2. Accounting Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

3. Investment Valuation and Income Recognition: Investments are reported at fair value or an approximation of fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note E for Fair Value Measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

4. Notes Receivable from Participants: Notes receivable from participants are classified as notes receivable from participants in the statements of net assets available for benefits and are measured at their unpaid principal balance. Delinquent notes receivable from participants are recorded as a "deemed" distribution based upon the terms of the plan document.

5. Non-Distributed Benefits: The Plan does not accrue non-distributed benefits related to participants who have withdrawn from the Plan, but recognizes such benefits as a deduction from net assets in the period in which such benefits are paid.

6. Administrative Expense: The cost and expense of administering the Plan shall be paid, at the discretion of the Company, either directly by the Company or by the Plan through fees deducted from participant accounts.

7. Subsequent Events: Subsequent events have been evaluated through January 31, 2018, which is the date the financial statements were available for issuance.

NOTE D. INFORMATION CERTIFIED BY THE INVESTMENT CUSTODIAN (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 for the year ended December 31, 2016. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information as of December 31, 2016 and 2015 and for the year ended December 31, 2016 certified by John Hancock Life Insurance Company, USA, the custodian, as complete and accurate, except for comparing such information to the information included in the Plan's financial statements and supplemental schedules. NOTE E. FAIR VALUE MEASUREMENTS

Fair value measurements are based on a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable market data by correlation or other means;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means;

If the assets or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at December 31, 2016 and 2015.

Mutual funds: Valued at the quoted net asset value of shares held by the plan at year end. Investments in the mutual funds can be redeemed with no advance notice on any day on which the U.S. equity markets are open for trading.

Stable Value Fund: The John Hancock Stable Value Fund is an investment option within the group annuity contract. The John Hancock Stable Value Fund sub-account invests into the John Hancock Stable Value Fund Collective Investment Trust. The underlying John Hancock Stable Value Fund Collective Investment Trust (CIT) itself is fully benefit responsive and honors eligible redemptions at \$1.00 per unit. As a result:

- the daily net asset value (NAV) published by the CIT is a stable \$1.00 per unit, and is effectively its "contract value"
- the value is used for valuing the sub-account and determining sub-account unit values, daily
- the sub-account does not have to reflect the actual market values of the CIT's net assets.

NOTE E. FAIR VALUE MEASUREMENTS - CONTINUED

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Employer initiated events, if material, may affect the underlying economics of the fund. These events include plant closings, layoffs, plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification of a trust or other events. The occurrence of one or more employer initiated events could limit the Trust's ability to transact at contract value with plan unitholders.

Issuer-initiated contract termination include events that would cause the plan to lose its qualified status, material breaches of responsibilities that are not cured, or material and adverse changes to the provisions of the plan. If one or more of these events were to occur, issuers could terminate the contracts and settle at amounts different than contract value.

The Plan's assets and liabilities have been recorded at fair value and have been categorized based upon the fair value hierarchy as shown below.

NOTE F. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE G. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of any termination of the Plan or upon complete or partial discontinuance of contributions, the accounts of each affected participant shall become fully vested.

NOTE H. TAX STATUS

The Platinum 401(k) Retirement Savings Plan received a "favorable" determination letter from the Internal Revenue Service on September 8, 2013. Since then the Plan has been amended and the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the Internal Revenue Code. Accordingly, no provision for income taxes has been included in the accompanying financial statements.

**THE PLATINUM 401(k) RETIREMENT SAVINGS PLAN FBO: BARBEQUE INTEGRATED, INC.
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015**

NOTE H. TAX STATUS – CONTINUED

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's tax returns generally remain open for Federal tax audits for three years from the filing date.

NOTE I. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds managed by John Hancock Life Insurance Company, USA, the custodian. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of investments. These fees are paid to the investment fund manager and may include certain revenue sharing fees that are paid to other investment custodians and investment advisors. Administrative fees include investment fees, third party administrative fees, and other professional services, and are based on customary charges as agreed to from time to time. During the year ended December 31, 2016, American Pension Services received administrative fees. These transactions qualify as party-in-interest transactions for which there is a statutory exemption.

Certain administrative functions are performed by officers or employees of the Plan's sponsor. No such officer or employee receives compensation from the Plan.

NOTE J. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Certain differences may exist between the recording of accruals for financial reporting purposes and IRS/Department of Labor's (DOL) Form 5500 purposes. There were no such differences as of and for the years ended December 31, 2016 and 2015.
