1 - Description of Plan

The following description of the ASI Sign Systems, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General - The Plan is a defined contribution 401(k) plan covering all eligible employees of ASI Sign Systems, Inc, (the "Sponsor"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is intended to be a qualified retirement plan under the Internal Revenue Code.

B Plan Amendment - The Plan initially became effective July 11, 2008. The Plan was amended during 2016 as a result of a new participating employer being merged into the Plan.

C. Contributions - Participants may voluntarily contribute to the Plan up to an annual maximum of 90% of eligible compensation, pursuant to a salary reduction arrangement. Total participant contributions in any calendar year are restricted to the applicable limit under Internal Revenue Code Section 402(g). The applicable limit for the plan year ended December 31, 2016 is $18,000 with an additional $6,000 catch-up provision for participants age fifty or older. The Sponsor has elected to comply with the Safe Harbor provisions in regards to its matching contributions to the Plan; as such, the Plan automatically complies with the nondiscrimination requirements of Section 401 of the Internal Revenue Code. The Sponsor's Safe Harbor matching contribution is equal to 100% of participants' contributions up to 4% of eligible compensation. The Plan also allows for the Sponsor to make additional discretionary contributions. The Safe Harbor employer matching contributions were $147,578 in 2016. The Sponsor made no discretionary contributions for the year ended December 31, 2016.

D. Expenses of Administrating the Plan - Administrative expenses recorded on the financial statements represent fees charged by John Hancock Life Insurance Company (the "Custodian") and July Business Services, third party administrator, and paid for by the participants.

E. Eligibility and Vesting - Employees become eligible to participate in the Plan after they have attained the age of eighteen and have completed six months of service.

Safe Harbor employer matching and participants' contributions plus actual earnings thereon are 100% vested at all times. Participants' interest in the matching and discretionary contributions of the Sponsor become 100% vested upon a participant's death, disability, or attainment of normal retirement age. Prior to normal retirement age, participants' interest become vested as follows:

Years of Service	Percentage Vested
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

1 - Description of Plan (continued)

F. Participants' Accounts - Each participant's account is credited with the participant's contributions, the Sponsor's matching contributions and discretionary contributions, and an allocation of Plan gains and losses. Allocations for Plan gains and losses are based upon the ratio of each participant's account to the total participants' accounts. The benefit to which a participant is entitled is the vested amount in the participant's account.

G. Notes Receivable from Participants - Participants may borrow from their accounts a minimum of $1,000 and up to a maximum of 50% of their vested account balance or $50,000. The loans bear interest at variable rates and are secured by the balance in the participant's account. Principal and interest payments are redeposited in the participants' accounts based on their current allocation election within the Plan. Participants may have no more than one loan outstanding at any time.

H. Payment of Benefits - Upon retirement or termination of service, participants entitled to payment under the Plan will have the option of receiving a lump sum distribution equal to their vested account balance or rolling their distribution over to an IRA or other qualified retirement plan.

I. Forfeited Accounts - The amounts forfeited by participants who terminate employment prior to becoming fully vested are used to reduce Sponsor contributions or pay Plan expenses. No non-vested accounts were forfeited for the year ended December 31, 2016.

2 - Summary of Significant Accounting Policies

A. Basis of Accounting - The accompanying financial statements are prepared under the accrual basis of accounting. Therefore, revenues are recognized when earned, and expenses are recorded when the obligation is incurred.

B. Valuation of Investments - The Plan's investments are stated at fair value as determined and certified by John Hancock Life Insurance Company (the Custodian). Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

C. Notes Receivable from Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

D. Payment of Benefits - Benefits are recorded when paid. Deemed distributions generally represent taxable distributions to employees related to loans in default. There were $6,543 in deemed distributions for the year ended December 31, 2016.

E. Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2 - Summary of Significant Accounting Policies (continued)

F. Subsequent Events - The Plan has evaluated subsequent events through January 25, 2018, the date the financial statements were available to be issued.

3 - Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants will become fully vested in their accounts.

4 - Income Tax Status

On March 31, 2014, the IRS stated that the prototype adopted by the Plan, as then designed, qualifies under the Internal Revenue Code Section 401(a). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5 - Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits.

6 - Fair Value Measurements

As required by the Fair Value Measurements topic of the Financial Accounting Standards Board *Accounting Standards Codification* ("FASB ASC"), all financial assets and liabilities are measured at fair value on a recurring basis. The topic establishes a framework for measuring fair value and enhances disclosure requirements for fair value measurements. The topic defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The topic establishes market or observable inputs as the preferred sources of values, followed by assumptions based on hypothetical transactions in the absence of market inputs. The topic establishes a hierarchy for grouping these assets and liabilities, based on the significance level of the following inputs:

Level I – Quoted prices in active markets for identical assets or liabilities.

Level II – Quoted prices in active markets for similar assets and liabilities, quoted prices for identical or similar instruments in markets that are not active and model-derived valuations whose inputs are observable or whose significant drivers are observable.

Level III – Significant inputs to the valuation model are unobservable.

6 - Fair Value Measurements (continued)

The following is a listing of assets and liabilities required to be measured at fair value on a recurring basis and where they are classified within the hierarchy as of December 31, 2016 and 2015:

	Assets at Fair Value as of December 31, 2016				
	Level I	Level II	Level III	Other	Total
Interest in registered investment companies	$ 2,158,040	$ -	$ -	$ -	$ 2,158,040

	Assets at Fair Value as of December 31, 2015				
	Level I	Level II	Level III	Other	Total
Interest in registered investment companies	$ 1,232,622	$ -	$ -	$ -	$ 1,232,622

Interest in registered investment companies includes money market funds and marketable securities that are valued using quoted prices on nationally recognized securities exchanges.

The preceding methods described may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

7 - Parties-in-Interest Transactions

The Plan pays fees for various administrative and custodial services provided during the year. Fees paid using Plan assets during the year ended December 31, 2016 for these services totaled $5,350. These fees were based on customary and reasonable rates for such services.

The Plan Sponsor provides certain accounting, administrative, and investment management services to the Plan for which no fees are charged and pays annual auditing fees on behalf of the Plan.
