Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by the Reliance Trust Company and the State Street Bank & Trust Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. Our opinion is not modified with respect to this matter.

Other Matters

The supplemental schedule of assets (held at year end) as of and for the year ended December 31, 2016, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. NOTES TO FINANCIAL STATEMENTS

**ENVISION PHARMA, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016**

NOTE A - DESCRIPTION OF PLAN

The following description of the Envision Pharma, Inc. ("Company") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan, created August 1, 2013, is a defined contribution plan covering all full-time employees who are age 21 or older, except union employees, nonresident aliens, employees who are residents of Puerto Rico, and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors oversees governance of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions. Each year, participants may contribute up to 90% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds, as investment options for participants. Employees can begin enrollment in the Plan the next pay period after eligibility requirements are met. Employees enroll on-line, choosing their deferred percentage and investment allocations. For the five months ended December 31, 2013, the Company contributed 100% of the first 5% of base compensation that a participant contributed to the Plan. The Plan was amended effective January 1, 2014, so that for 2014, 2015 and 2016, the Company contributes 100% of the first 3%, and 50% of the next 2% of base compensation that a participant contributes to the Plan. The matching Company contribution is invested directly according to the employees' investment allocations. The employer may also make discretionary nonelective profit sharing contributions to the Plan. To be eligible, employees must have one year of service and be age 21 or older. Contributions are subject to certain statutory limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocation of (a) the Company's matching contribution and, (b) Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions, plus the Company's matching contributions, plus actual earnings thereon. Vesting in the Company's discretionary non-elective profit sharing contribution portion of their accounts is based on years of service. A participant is 100% vested after five years of credited service.

Notes Receivable from Participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 3.25% to 4.50%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through bi-weekly payroll deductions. Repayment periods of existing loans in 2016 and 2015 varied between 1 and 5 years.

NOTE A - DESCRIPTION OF PLAN - Continued

Payment of Benefits. On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts. At December 31, 2016 and 2015, forfeited nonvested accounts totaled \$0 and \$0, respectively. These accounts will be used to first pay any administrative expenses, then used to reduce Company contributions.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Date of Management's Review

Subsequent events were evaluated through October 9, 2017, which is the date the financial statements were available to be issued except for the events disclosed in Note L, as to which the date is March 5, 2018. Management has not identified any significant subsequent events requiring disclosure.

Estimates

The preparation of financial statements requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The Plan prepares its financial statements on the modified cash basis, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this basis of accounting, transactions are recorded on the cash basis of accounting. Securities investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the Plan in conformity with generally accepted accounting principles.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2016 and 2015, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Investment Valuation and Income Recognition

Investments in registered investment companies are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determines the Plan's valuation policies. See Note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Adoption of New Accounting Standards

In May 2015, the Financial Accounting Standards Board (FASB) issued ASU 2015-07, *Fair Value Measurement (Topic 820), Disclosures for Investments in Certain Entities That Calculate Net Assets per Share (or its Equivalent)* which exempts investments measured using the net asset value (NAV) practical expedient in ASC 820, Fair Value Measurement, from categorization within the fair value hierarchy. The guidance requires retrospective application and is effective for public business entities for fiscal years beginning after December 15, 2015. For all other entities, the guidance is effective for fiscal years beginning after December 15, 2016. Early adoption is permitted. Based on the types of investments held by the Plan, this standard is not applicable to the Plan.

In July 2015, the Financial Accounting Standards Board (FASB) issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965); Part (I) Fully Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. Part I clarifies that a plan's investments in stable value collective trusts are not fully-responsive investment contracts and should be measured and presented only at fair value. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics, and risk. Further, the disclosure of information about fair value measurements should be provided by general type of plan asset. Parts I and III are not applicable to the Plan. The ASU is effective for fiscal years beginning after December 15, 2015 and requires retrospective application. Management has adopted the provisions of this standard.

NOTE E - FAIR VALUE MEASUREMENTS – Continued

FASB ASC 820 Fair Value Measurements establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Basis of Fair Value Measurement

- | | |
|---------|--|
| Level 1 | Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities. |
| Level 2 | Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly. |
| Level 3 | Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable. |

Level 1 - Fair Value Measurements

The fair value of the Plan's mutual funds, are based on quoted net asset values of the shares held by the Plan at year-end. The class of assets shown are the class of assets reported by the Plan's record keeper.

NOTE F – RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

ADP, LLC is the record keeper for the Plan and, in accordance with the Retirement Plan Administrative Services Agreement effective May 29, 2013 between the Plan Sponsor and ADP, LLC, provides administrative and investment advisory services to the Plan, thereby qualifying as a party-in-interest as defined in Section 406 of ERISA. ADP, LLC receives revenue from mutual fund service providers for services ADP, LLC provides to the funds. This revenue is used to offset certain amounts owed to ADP, LLC for its administrative services to the Plan.

If the revenue received by ADP, LLC from such mutual fund service providers exceeds the amount owed under that agreement, ADP, LLC will remit the excess to the Plan.

During 2016 and 2015, administrative fees paid to ADP, LLC from Plan assets, net of approximately \$46,191 and \$41,583, respectively in revenue offsets as described above, approximated \$1,588 and \$1,583, respectively.

The Centurion Group, LLC provides investment advisory services thereby qualifying as a party-in-interest as defined in Section 406 of ERISA. Fees paid to The Centurion Group, LLC during 2016 and 2015 totaled \$32,993 and \$29,702, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**ENVISION PHARMA, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016**

NOTE G - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. As stated in Note A above, employee contributions and employer matching contributions are immediately vested. In the event of Plan termination, participants would become 100% vested in all non-elective profit sharing contributions to the Plan.

NOTE H - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of investments at fair value-modified cash basis to investments per Schedule H of Form 5500. Participant loans are shown in the financial statements as notes receivable from participants. These loans are considered as investments for Form 5500 Schedule H, supplemental schedule of assets (held at end of year).

	December 31, 2016	December 31, 2015
Investments at fair value, modified cash basis per the financial statements	\$19,318,200	\$15,517,926
Notes receivable from participants	80,942	143,250
Investments at fair value, per Form 5500 Schedule of Assets (held at end of year)	\$19,399,142	\$15,661,176

NOTE I - ADMINISTRATIVE COSTS

Expenses incurred in connection with the Plan are paid directly by the plan sponsor and are not deducted from Plan assets.

Additionally, participants are assessed certain loan and distribution processing fees, which are paid directly from the accounts of the applicable Plan participants. Also see Note F for additional detail.

NOTE J - TAX STATUS

The Internal Revenue Service (IRS) has determined that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan years 2013, 2014, 2015 and 2016 are subject to income tax examinations for a period of three years from the dates the Plan returns are filed.

ENVISION PHARMA, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016

NOTE K - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE L – REISSUANCE OF AUDIT REPORT AND FINANCIAL STATEMENTS

The auditor's report on the Plan's financial statements was originally issued with a date of October 9, 2017. That report was issued with a qualified opinion. The report and financial statements were subsequently recalled, revised and reissued with a report date of March 5, 2018. The revised report includes a disclaimer of opinion, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In addition, disclosures regarding related party and party is interest transactions (Note F), administrative costs (Note E) and newly released accounting pronouncements (Note B) were included in the revised report.
