Independent Auditor's Report

Board of Directors
Sun Federal Credit Union
401(k) Plan
Maumee, Ohio

I was engaged to audit the accompanying financial statements of the Sun Federal Credit Union 401(k) Plan, which comprise the statements of net assets available for benefits as of May 31, 2017 and May 31, 2016, and the related statements of changes in net assets available for benefits for the May 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by CUNA Mutual Group, the trustee of the Plan, except for comparing the information with the related information included in the Financial Statements and supplemental schedules. I have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustees as of and for the years ended May 31, 2017 and May 31, 2016, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, I do not express an opinion on these financial statements

Other Matter

The supplemental schedules of Assets Held at Year-End and Schedule of Reportable Transactions, as of May 31, 2017, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, I do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 1: DESCRIPTION OF PLAN

The following description of the Sun Federal Credit Union (the "Credit Union") 401(k) Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The plan is a defined contribution plan covering all employees of the credit union as of their hire date that are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Contribution

Each year, participants can contribute up to the taxable limit of their annual compensation pre-tax, as defined in the Plan. The plan sponsor matches 100% of contributions up to 6% of compensation.

Participant

Each participant's account is credited with the participant's contribution and an allocation of (a) the credit union's contribution, (b) plan earnings, and (c) forfeitures of terminated participants and non-vested accounts.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of continuous service. The credit union vesting is 100% after six years of service.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his/her account at the participant's discretion.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared on the accrual method of accounting.

Use of Estimates

The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: FAIR VALUE MEASUREMENTS

FASB ASC 820, *Fair Value Measurements*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1Measurements) and the lowest priority to unobservable inputs (Level 3 Measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 – Inputs consist of unadjusted quoted prices for identical assets in active markets that the plan has the ability to access.

Level 2 – Inputs consist of 1) quoted prices for similar assets in active markets, 2) quoted prices for identical or similar assets in inactive markets, 3) inputs other than quoted prices that are observable, and 4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset has specified (contractual) term, the Level 2 input must be observable for substantially the full term.

Level 3 – Inputs consist of unobservable inputs where there is little or no market activity, and the reporting entity makes estimates and assumptions related to the pricing of the asset including assumptions regarding risk.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at May 31, 2017 and 2016:

Pooled Separate Accounts – The value of a separate account is the sum of the market value of the underlying investments as determined by quoted market prices, less operating expenses accrued but not deducted, if any.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's investments are reported at fair value as follows:

Assets at Fair Value as of May 31, 2017

	Level 1	Total
Investments at Fair Value	$14,166,996	$14,166,996

Assets at Fair Value as of May 31, 2016

	Level 1	Total
Investments at Fair Value	$11,399,149	$11,399,149

NOTE 4: INVESTMENT CONTRACT WITH INSURANCE COMPANY

CUNA Guaranteed Account – The Guaranteed Interest Account ("GIA") is a short term/stable value group annuity contract that is only available through CUNA. The group annuity contract invests primarily in high-quality, fixed income investments. Participants may ordinarily direct the withdrawals or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the account, plus credited interest, less participant withdrawals and fees.

The investment earns a declared interest rate. The interest rate as of May 31, 2017 was 1.25%.

NOTE 5: PLAN EXPENSES

The credit union is responsible for the payment of certain administrative and professional costs incurred by the Plan during the year ended May 31, 2017.

NOTE 6: PLAN TERMINATION

Although it has not expressed any intent to do so, the credit union has the right under the plan to discontinue contributions at any time, and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

NOTE 7: PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor (DOL) regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Professional fees for the administration and audit of the Plan are paid by the Credit Union. The Plan's investment contract and mutual funds with the CUNA Mutual Insurance Company as of May 31, 2017 and May 31, 2016 reflect party-in-interest transactions as the issuer of the investment, CUNA Mutual Insurance Company, is also the custodian of these Plan assets.

NOTE 8: TAX STATUS

The Internal Revenue Service has determined and informed the Credit Union that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable version of the IRC.

NOTE 9: INFORMATION CERTIFIED BY CUSTODIAN

For 2017 and 2016, the financial information included in the Plan's financial statements has been derived from information certified as complete and accurate by the Custodian, CUNA Mutual Insurance Company, in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE 10: FORFEITED AMOUNTS

At May 31, 2017 and May 31, 2016, the balance of forfeited accounts totaled $46,792 and $43,500, respectively. According to the plan document this account is used to pay administrative expenses and any remaining forfeitures be allocated in the same proportion that employee compensation bears to the total compensation of all participants.

NOTE 11: SUBSEQUENT EVENTS

In accordance with FASB Accounting Standards Codification™ Topic 855, *Subsequent Events*, The credit union has evaluated subsequent events through the date of the Independent Auditor's Report, which is the date these financial statements were available to be issued. There are no subsequent events requiring recognition.
