INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Multilink, Inc. Profit Sharing Plan
Elyria, Ohio

Report on the Financial Statements

We have audited the accompanying financial statements of Multilink, Inc. Profit Sharing Plan (the Plan), which comprise the statements of net assets available for benefits as of June 30, 2017 and December 31, 2016, the related statement of changes in net assets available for benefits for the period from January 1, 2017 to June 30, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility for the 2017 Financial Statements

Our responsibility is to express an opinion on the 2017 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2017 financial statements.

Auditors' Responsibility for the 2016 Financial Statements

Our responsibility is to express an opinion on the 2016 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion on the 2016 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2016 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the investment assets held by Colorado National Bank, the custodian of the Plan, and transactions in those assets were excluded from the scope of our audit of the Plan's 2016 financial statements, except for comparing the information provided by the custodian, which is identified in Note C, with the related information included in the financial statements.

Disclaimer of Opinion on the 2016 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2016 Financial Statements paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2016 financial statements.

Opinion on the 2017 Financial Statements

In our opinion, the financial statements referred to in the first paragraph of the Plan as of June 30, 2017, and for the period from January 1, 2017 to June 30, 2017, present fairly, in all material respects, the net assets available for benefits of the Plan as of June 30, 2017, and changes in net assets available for benefits for the period from January 1, 2017 to June 30, 2017, in conformity with accounting principles generally accepted in the United States of America

Other Matter - Plan Merger

As further discussed in Note G, effective June 1, 2017 the Plan was merged into Multilink, Inc. 401(k) Plan.

Report on Form and Content of the 2016 Financial Statements in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2016 financial statements, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A - DESCRIPTION OF PLAN

The following description of Multilink, Inc. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was a defined contribution plan covering employees of Multilink, Inc. (the Company and Plan Sponsor) who were not represented by a collective bargaining unit, a leased employee, or a non-resident alien, and were included in one of the following job classifications: welder, production management, information technology, engineer, or direct or indirect owner. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was sponsored and administered by the Company.

Effective June 1, 2017 the Plan was merged into Multilink, Inc. 401(k) Plan as further discussed in Note G.

Contributions

The Plan provided for a discretionary employer profit sharing contribution for each eligible participant. There were no discretionary employer profit sharing contributions for the period from January 1, 2017 to June 30, 2017. Participants directed the investment of their contributions into various options offered by the Plan.

Participant Accounts

Each participant's account was credited with an allocation of (a) the Company's discretionary profit sharing contributions and (b) Plan earnings, and was charged with an allocation of administrative expenses. Allocations were based on participant account earnings, account balances, participant compensation, or specific participant transactions, as defined. The benefit to which a participant was entitled to receive was the benefit that could be provided from the participant's vested account.

Vesting

Participants became vested in their discretionary employer profit sharing contributions based on years of credited service. A participant was fully vested after three years of credited service, upon attainment of normal retirement age (65), upon death, or upon disability while an employee of the Company.

January 1, 2017 to June 30, 2017

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

Participants could receive payments of benefits upon attaining the age of 65, retirement, termination, or death. If the value of the vested benefits credited to a participant's account was \$5,000 or less at the time of termination, the entire amount would automatically be distributed to a participant without the participant's consent. In the event of a mandatory distribution of amounts greater than \$1,000 but not exceeding \$5,000, the entire amount would be distributed in the form of a direct rollover to an individual retirement account as designated by the plan administrator.

Active participants could make hardship withdrawals from their vested account balances, subject to Plan provisions.

Forfeited Accounts

Forfeitures were used to reduce future employer profit sharing contributions or to pay Plan expenses. Unallocated forfeiture balances were \$-0- and \$5 at June 30, 2017 and December 31, 2016, respectively. Forfeitures of \$5 were transferred to Multilink, Inc. 401(k) Plan during the period from January 1, 2017 to June 30, 2017.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting.

Investment Valuation

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determined the Plan's valuation policies utilizing information provided by the custodian. See Note D for discussion of fair value measurements.

Investment Income Recognition

Purchases and sales of securities were recorded on a trade date basis. Gains and losses on securities transactions were determined using the average cost method. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date.

Contributions

Profit sharing contributions were recorded and credited to each participant's account as received by the custodian from the Company. Any contributions attributable to the plan year but not received by the trust by the last day of the plan year were recorded as a receivable.

Notes to Financial Statements

June 30, 2017 and December 31, 2016 and Period from
January 1, 2017 to June 30, 2017

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits were recorded when paid.

Expenses

Certain expenses of maintaining the Plan were paid directly by the Company and were excluded from these financial statements. Fees related to the administration of benefits paid to participants were charged directly to the participants' accounts and were included in administrative expenses. Investment related expenses were included in investment income.

Income Taxes

The Plan adopted a prototype non-standardized profit sharing plan with a cash or deferred arrangement agreement which received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, stating that the written form of the prototype plan document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the Code). Although the Plan has been amended since receiving the opinion letter, the Plan Sponsor believes the Plan was designed and being operated in compliance with the applicable requirements of the Code and therefore believes that the Plan was qualified and the related trust was tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2017 and December 31, 2016, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there were currently no audits for any tax periods in progress. The Plan Sponsor believes the Plan was no longer subject to income tax examinations for years prior to 2014.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

The Plan has evaluated subsequent events through April 12, 2018, the date which the financial statements were available to be issued.

Notes to Financial Statements

NOTE C - CERTIFICATION

Investment information disclosed in the accompanying financial statements for investments held at December 31, 2016, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the custodian.

NOTE D - FAIR VALUE MEASUREMENTS

The three levels of the fair value hierarchy, which are based upon the inputs used to measure fair value, are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets that are accessible at the measurement date for identical unrestricted assets or liabilities (for example, exchange quoted prices).

Level 2 - Inputs to the valuation methodology are observable inputs, other than Level 1 prices, such as quoted prices for similar assets or liabilities in active markets, quoted prices in markets that are not sufficiently active to qualify as Level 1, other observable inputs, or inputs that can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are significant to the fair value measurement and unobservable (for example, supported by little or no market activity).

Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the valuation of fair value assets and liabilities and their placement within the fair value hierarchy levels.

The Plan did not have any investments accounted for at fair value as of June 30, 2017. The Plan's investments accounted for at fair value as of December 31, 2016 are summarized below:

	Level 1
Money market funds	\$ 80,546
Mutual funds	647,762
Total	<u>\$ 728,308</u>

Notes to Financial Statements

**June 30, 2017 and December 31, 2016 and Period from
January 1, 2017 to June 30, 2017**

NOTE D - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used as of December 31, 2016.

Money market funds and mutual funds were valued at the net asset value of shares held by the Plan at year end, as reported on the active markets in which the investments were traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

NOTE E - RISKS AND UNCERTAINTIES

The Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could have materially affected participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE F - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest transactions included the payment of investment and administrative expenses of the Plan. Such transactions were exempt from being prohibited transactions.

NOTE G - PLAN MERGER

Effective June 1, 2017, the Plan was merged into Multilink, Inc. 401(k) Plan and the Plan's investments were transferred to Multilink, Inc. 401(k) Plan. The Company determined the mapping for the investments from the Plan to Multilink, Inc. 401(k) Plan. Participants were permitted to change their investment elections prior to the merger. Assets were transferred to Multilink, Inc. 401(k) Plan on June 1, June 19, and July 26 of 2017, with the remaining \$3 transferred on January 8, 2018.
