Part I	Asset and Liability Statement
---------------	--------------------------------------

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

Essentra Porous Technologies Corp. 401(k) Plan for Hourly Employees
Austin, Texas

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Essentra Porous Technologies Corp. 401(k) Plan for Hourly Employees (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note 3, which was certified by Newport Trust Company (Newport), except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that Newport holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from Newport as of December 31, 2016, and for the year then ended, that the information provided to the Plan administrator by Newport is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these 2016 financial statements.

Other Matter – Supplemental Schedules

The supplemental schedules, Schedule H, Line 4a – schedule of delinquent participant contributions for the year ended December 31, 2016 and Schedule H, Line 4i – schedule of assets (held at end of year) as of December 31, 2016 are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on these supplemental schedules.

Other Matter – 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Newport, the certifying entity of the Plan. Their report, dated October 12, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the certifying entity were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2016 financial statements and supplemental schedules, other than that derived from the information certified by Newport, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with ERISA.

Essentra Porous Technologies Corp. 401(k) Plan for Hourly Employees

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Essentra Porous Technologies Corp. 401(k) Plan for Hourly Employees (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan and is sponsored by Essentra Porous Technologies Corp. (the Company). Effective June 1, 2007, the Plan was closed to new entrants. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

The Plan covers all employees of the Company, excluding non-resident aliens, leased employees, and those employees who are not members of Bakery, Confectionary, Tobacco Worker and Grain Millers International Union AFL-CIO-CLC-Local Union 358. Employees are eligible for participation on the first day of the month subsequent to completing 2 consecutive months of service.

Contributions

Participants may elect to contribute up to the maximum amount subject to Internal Revenue Service (IRS) limitations. Eligible employees who have attained age 50 before the close of the Plan year are allowed to make catch-up contributions up to the maximum allowed by the IRS. Contributions are subject to certain limitations. Newly hired employees who became eligible to participate in the Plan were automatically enrolled at 3% of their compensation, unless another option is selected by them.

The Company provides for fixed matching contributions at 75% limited to 6% of a participant's compensation. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. A current description of the investment funds may be obtained from the Plan administrator.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and Plan earnings (losses). Allocations are based on participant compensation, deferrals or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes to Financial Statements

1. Description of the Plan (cont.)

Notes Receivable from Participants

Participants may borrow, from their fund accounts, a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note receivable transactions are treated as a transfer between the investment fund(s) and the participant note receivable fund. The notes receivable from participants are secured by the balance in the participant's account and bear a reasonable rate of interest as defined by the Plan. Interest rates on all outstanding loans range from 4.25% to 5.50%. Principal and interest payments occur ratably through regular payroll deductions over a period not to exceed five years, unless the notes receivable were used to purchase a primary residence in which case the note receivable terms may exceed five years.

Vesting

Participants are immediately vested in their voluntary contributions, all employer contributions, and actual earnings thereon.

Payment of Benefits

A participant's contributions and employer contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age), termination of employment, disability, death, or after attaining age 59½. Participants may elect to have distributions paid in a lump-sum or partial withdrawal. Under certain qualifying circumstances, hardship withdrawals are permitted under the Plan. If a participant terminates employment, the participant's account balance will be distributed as soon as practicable after termination.

Investment Options

Participants may direct their contributions and their allocated portion of Company contributions to investment options in 1% increments. Participants may change their investment options daily.

Plan Expenses

Certain administrative expenses of the Plan are paid by the Plan. Certain other administrative expenses of the Plan are paid by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment fees are paid by the Plan in the form of administrative fees.

Forfeitures

All participants are 100% vested in their accounts.

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Notes to Financial Statements

2. Summary of Significant Accounting Policies

Accounting Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price).

Purchases and sales of securities are recorded on a trade date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2016 and 2015. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Subsequent Events

Management has evaluated subsequent events through May 4, 2018, which is the date the financial statements were available to be issued.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Newport Trust Company (Newport), certified that the financial information included in the financial statements and supplemental schedule as of December 31, 2016 and 2015, and for the year ended December 31, 2016 provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income included in the accompanying financial statements and supplemental schedule as of December 31, 2016 and 2015, and for the year ended December 31, 2016 are covered by such certifications.

3. Certified Information (cont.)

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs in which little or no market data exists (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2016 and 2015.

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Fund - The MetLife Stable Value Fund is a common collective trust fund that is valued at fair value using the NAV per share (or its equivalent) practical expedient based on the last reported sales price of the underlying investments held. The Plan's interest in the collective trust was based on information using the audited financial statements of the collective trust at year-end. The investment income (loss) was allocated to participants based on their proportionate share of the net assets of the fund.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements

4. Fair Value Measurements (cont.)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015.

<i>December 31, 2016</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,880,082	\$ -	\$ -	\$ 3,880,082
Common collective trust measured at NAV*				1,972,613
Total investments at fair value				\$ 5,852,695
<i>December 31, 2015</i>	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 4,389,014	\$ -	\$ -	\$ 4,389,014
Common collective trust measured at NAV*				1,231,304
Total investments at fair value				\$ 5,620,318

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value to the amounts presented in the statements of net assets available for benefits.

Fair value of investments, other than Level 1, in certain entities that calculate NAV (or its equivalent) follows:

Investment	Fair value at December 31, 2016	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 1,972,613	N/A	Immediate	60 days
Investment	Fair value at December 31, 2015	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust	\$ 1,231,304	N/A	Immediate	60 days

The collective trust fund participates in a stable value fund that invests primarily in benefit-responsive investment contracts issued by insurance companies and other financial institutions (contracts), fixed income securities, and money market funds. Under the terms of the contracts, the assets of the fund are invested in fixed income securities (which may include, but are not limited to, U.S. treasury and agency bonds, corporate bonds, mortgage-backed securities, commercial mortgage-backed securities, asset-backed securities, and collective investment vehicles and shares of investment companies that invest primarily in fixed income securities) and shares of money market funds. The fund may also invest in futures contracts, option contracts, and swap agreements.

Notes to Financial Statements

5. Tax Status

The Plan is based on the Volume Submitter Profit Sharing Plan of Newport which received a favorable opinion letter from the IRS dated March 31, 2014, stating that the Volume Submitter Profit Sharing Plan was designed in accordance with the provisions of the Internal Revenue Code (IRC). Although the Plan has been amended since the date of the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions.

6. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants remain 100% vested in their employer contributions.

7. Related Parties and Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain Plan investments are managed by Newport and qualify as party-in-interest transactions. Notes receivable from participants reflect party-in-interest transactions. Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan.

8. Risks and Uncertainties

The Plan's investments include funds which invest in various types of investment securities and in various companies within various markets. Investment securities are exposed to several risks such as interest rate, market, and credit risks.

Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. Required Plan Filings

Form 5500, Annual Return/Report of Employee Benefit Plan, was required to be filed under sections 104 and 4065 of ERISA and sections 6047(e), 6057(b), and 6058(a) of the IRC for Essentra Porous Technologies Corp. 401(k) Plan for Hourly Employees for the year ended December 31, 2016. As of the date of these financial statements, Form 5500 has not been filed with all required attachments and is therefore deemed delinquent. The Plan received a letter from the U.S. Department of Labor dated April 23, 2018 notifying the Plan that it had 30 days to file a written response. The Company is liable for any potential penalties or fines incurred related to the delinquent filing.

10. Delinquent Participant Contributions

During 2016, employee withholdings of \$10,445, were not remitted within the appropriate time-period by the Company. The Company remitted the 2016 delinquent contributions in 2016, and the Company plans to remit the related lost earnings in 2018. This transaction constituted a prohibited transaction as defined by ERISA.
