Independent Auditor's Report

To the Plan Administrator of the Quintiq Inc. 401(k) Profit Sharing Plan and Trust:

Report on the Financial Statements

We have audited the accompanying financial statements of Quintiq Inc 401(k) Profit Sharing Plan and Trust (the "Plan"), which comprise the statements of net assets available for plan benefits as of July 31, 2017 and December 31, 2016, and the related statement of changes in net assets available for plan benefits for the period January 1 through July 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of July 31, 2017 and December 31, 2016, and the changes in net assets available for plan benefits for the period January 1 through July 31, 2017, in accordance with accounting principles generally accepted in the United States of America.

Other Matter – Plan Merger

As discussed in Note G, effective July 20, 2017, the Plan was merged into the Dassault Systemes Employee Savings Plan Plus and the Plan ceased to exist as a separate plan as of that date.

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF PLAN:

The following description of the Quintiq Inc 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all nonunion employees of Quintiq Inc (the "Company") who have attained the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

On September 24, 2014, it was announced that the Company had been acquired by Dassault Systemes Americas Corp. On April 24, 2017, the board of directors voted to merge the Plan into the Dassault Systemes Employee Savings Plan Plus. The Plan was merged effective July 20, 2017. The Plan ceased to exist as of that date.

Contributions

Upon meeting eligibility requirements participants may contribute up to 96% of their plan compensation on a pre-tax basis, subject to Internal Revenue Code ("IRC") limitations. Participants who are at least age 50 may make additional "catch-up" contributions subject to IRC limitations. Participants may also contribute funds from another qualified plan ("rollover contributions"), subject to certain requirements.

The Company contributes an employer matching contribution equal to 100% of the first 3% of each participant's deferral contributions plus 50% of the next 2% of each participant's deferral contributions, for a maximum match of 4% of compensation. The Company may also make discretionary nonelective contributions. To be eligible for the company nonelective contribution, participants must be employed on the last day of the plan year and have completed 500 hours of service during the plan year. The Company made no discretionary nonelective contributions for the year ended July 31, 2017.

Participant Accounts

Each participant's account is credited or charged with contributions, investment income, and administrative expenses. Investment income, including realized and unrealized gains and losses, and expenses are allocated to participants' accounts based on each participant's account balance within each fund. Participants determine the percentage in which contributions are to be invested in each fund. Participants may change their investment options as set forth in the plan document.

Vesting

Participants are fully vested in that portion of their account which represents their contributions, matching contributions, and the income earned thereon. Participants become 100% vested in the other non-matching company contributions and earnings thereon upon death, total and permanent disability, or attainment of normal retirement

QUINTIQ INC 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

age. A participant's interest in the other non-matching company contributions and earnings thereon vests according to the following schedule:

<u>Completed Years of Service</u>	<u>Percent Vested</u>
1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of a participant's account represents a forfeiture, as defined by the Plan. If a forfeiting participant is re-employed and fulfills certain requirements, as set forth in the Plan, the participant's account will be restored. Forfeitures of company contributions may first be used to pay administrative expenses. No forfeitures were used during 2017. \$1,566 of forfeitures were transferred out as part of the plan merger. Unallocated forfeitures at July 31, 2017 and December 31, 2016 were \$0 and \$1,565, respectively.

Distribution of Benefits

The benefit to which a participant is entitled is equal to the value of the participant's vested interest in their account. Benefits may be distributed to participants upon termination of employment by reason of retirement, disability, death or other separation from service. Distributions under the Plan may be made in a lump sum, partial payments, installment payments, or an annuity. A participant may also request a withdrawal upon attainment of age 59 ½.

Notes Receivable from Participants

A participant may borrow an aggregate amount up to the lesser of \$50,000 or 50% of the participant's vested account balance, subject to plan limitations. The minimum loan amount is \$1,000. Loans must bear a reasonable rate of interest. Loans are collateralized by the participant's nonforfeitable interest in the Plan and are supported by a promissory note. Loans must be repaid over a period not to exceed five years unless the loan proceeds are used for the purchase of a primary residence, in which case a longer repayment period is allowed. No more than one loan may be outstanding at any time. Participant loans are valued at the unpaid principal balance plus any accrued but unpaid interest and categorized as notes receivable from participants on the statements of net assets available for plan benefits. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting

The accompanying financial statements have been prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan provides for various investment options in any combination of stocks, bonds, fixed income securities, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect participants' account balances.

Expenses of the Plan

Substantially all of the administrative expenses incurred by the Plan are paid by the Company. Certain participant initiated transaction fees are paid through the plan.

Payment of Benefits

Benefits are recorded when paid.

QUINTIQ INC 401(k) PROFIT SHARING PLAN AND TRUST

C. FAIR VALUE MEASUREMENTS:

Accounting standards establish a framework for measuring fair value. That framework sets forth a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below.

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities.

Level 3 - Inputs to the valuation methodology are unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodology used by the Plan. There have been no changes in the methodology used at July 31, 2017 and December 31, 2016.

Mutual funds – Valued at the net asset value of the shares held by the Plan at year end as determined by quoted market prices.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no assets held for investment at July 31, 2017.

QUINTIQ INC 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS

The following table set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016:

	<u>Total</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	<u>\$ 4,024,353</u>	<u>\$ 4,024,353</u>	<u>\$ -</u>	<u>\$ -</u>
Total investments in the fair value hierarchy	<u>\$ 4,024,353</u>	<u>\$ 4,024,353</u>	<u>\$ -</u>	<u>\$ -</u>

D. PARTIES-IN-INTEREST:

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, loans to participants and the management of investments held by the custodian is considered party-in-interest transactions.

E. TAX STATUS:

The plan has adopted the prototype non-standardized profit sharing plan of Paychex, Inc. The prototype plan sponsor received a favorable opinion letter dated April 10, 2014 in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since the date of the opinion letter. However, the plan administrator believes that the Plan is currently designed and being operated in compliance with plan terms and applicable requirements of the IRC and is, therefore, exempt from federal income taxes under Section 501(a) of the IRC.

F. PLAN TERMINATION:

Although the Plan was established with the intention that it will continue indefinitely, the Company retains the right to discontinue its contributions at any time or to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

G. PLAN MERGER:

As discussed in Note A, the Plan was merged into the Dassault Systemes Employee Savings Plan Plus on July 20, 2017 and ceased to exist as a separate plan of that date.

H. SUBSEQUENT EVENTS:

The Company has evaluated subsequent events through May 9, 2018, the date these financial statements were available for issuance.

Statement of Reasonable Cause – Late Filing

I am writing to you today to humbly request an abatement of penalties pending assessment to the Quintiq Inc 401(k) Profit Sharing Plan & Trust.

We acknowledge and deeply apologize for the late filing of our Form 5500 annual report. The reason for the late filing was due to the 2016 report (previously filed) and the 2017 report required to include an Accountant's Opinion with the filing. Our plan previously had never met the required threshold to require this Opinion statement. The issue was further complicated by the fact that Quintiq Inc. was recently acquired by Dassault Systemes Americas Corporation (as indicated in the Accountants Opinion letters) and our benefits were in the process of being transferred to the new entity. As Quintiq Inc was no longer an entity in and of itself, we did not have the means or resources to engage the services of a plan auditor ourselves and were at the mercy of our new parent company, Dassault Systemes Americas Corporation to be able to engage the necessary auditing team to complete our filing.

Please note, as Plan Administrator for Quintiq Inc., we had every intention of compliance with the requirements of Section 101(b)(1) of the Act and have not filed a plan incomplete or late in prior reporting years.

The 2017 report will be the final return for the Quintiq Inc. plan as it has now merged as of 7/31/2017 with the Employee Savings Plan for our new parent Company, Dassault Systemes (and noted accordingly on the 2017 filing). I hope that these statements of all facts will assist in the U.S. Department of Labor to not assess these penalties based upon Section 2560.502c-2 of the Regulations.

I further ascertain that this **statement is made under penalties of perjury**, as required under Section 2560.502c-2(e).

If you have any further questions or need clarifications, please feel free to contact me at any time at the contact details listed below.
