Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the ECC NC, LLC 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Charles Schwab Bank, the trustee of the Plan, except for comparing the information with the related information included in the 2016 financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2016, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements.

Other Matter - 2015 Financial Statements

The financial statements of the Plan as of December 31, 2015, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Charles Schwab Bank. Their report, dated September 28, 2016, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the 2016 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Note A - Description of Plan

The following description of the ECC NC, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the provisions of the Plan.

General

The Plan is a defined contribution plan sponsored by Eyecarecenter, O.D., P.A. (the "Company"). The Plan was established and became effective on January 1, 2002. All employees who have reached the age of 21 and performed one year of service are eligible to participate in the Plan on the first day of the month after meeting these eligibility requirements as described in the plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan's trustee is Charles Schwab Bank.

The purpose of the Plan is to enable employees of the Company to save pretax dollars for retirement and certain special situations, including benefits in the event of death, disability, or other termination of employment. The Plan is for the exclusive benefit of the eligible employees and their beneficiaries.

As of the close of business on December 31, 2016, the assets of the ECC NC, LLC 401(k) Plan were transferred into the EyeCare Partners 401(k) Plan (See Note H).

Eligibility

Employees who have completed one month of service and have attained the age of 21 are eligible to participate in the Plan.

Contributions

Employees may defer up to the lesser of 100% of their compensation or \$18,000, plus additional catch-up contributions if age 50 is attained by the end of the year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Matching contributions are made at the discretion of the Company's board of directors. The Company made elective matching contributions equal to 50% of the first 4% of compensation contributed by the participant for 2016 and 2015. The Company may also make profit sharing contributions at its discretion. In addition, the Company may make non-elective and qualified elective matching contributions at its discretion. No such contributions were made in 2016 or 2015. Contributions are subject to certain limitations.

Note A - Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and plan earnings. Allocations are based on participants' contributions or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company contributions is based on years of continuous service as follows:

<u>Years of Service Vesting</u>	<u>% Vested</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
More than 6	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 4.25% which are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid through monthly payroll deductions.

Payment of Benefits

Benefits are paid in lump sum amounts or installments as defined in the Plan agreement, equal to the value of the participant's vested interest in his or her account.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

ECC NC, LLC 401(k) PLAN

Notes to Financial Statements - Continued

December 31, 2016

(See Independent Auditor's Report)

Note B - Summary of Significant Accounting Policies (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Benefit Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and trustee. See Note D for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Loan balances are secured by the participant's account. No allowance for credit losses has been recorded at December 31, 2016 or 2015.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain Plan expenses are deducted from the participants' accounts or from investment income. Any remaining Plan expenses are paid by the Company.

Note B - Summary of Significant Accounting Policies (Continued)

Subsequent Events

The Plan has evaluated subsequent events through October 6, 2017, the date the financial statements are available to be issued.

Note C - Investment Information Certified by the Trustee

All investment information disclosed in the accompanying financial statements, including investments and participant notes receivable held at December 31, 2016 and 2015, and net realized and unrealized appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on participant notes receivable for the years then ended, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the trustee.

Note D - Investments – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

ECC NC, LLC 401(k) PLAN

Notes to Financial Statements - Continued

December 31, 2016

(See Independent Auditor's Report)

Note D - Investments – Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

Mutual funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Collective trust fund – Valued using NAV as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily.

As a result of the Plan's merger, as discussed in Note A, there were no investments in the Plan as of December 31, 2016. The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2015:

	2015			
	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	\$ 14,286,652	\$ -	\$ -	\$ 14,286,652
Collective trust fund (a)	-	-	-	1,279,105
Total investments, at fair value	\$ 14,286,652	\$ -	\$ -	\$ 15,565,757

(a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

There were no significant transfers between Level 1, Level 2, or Level 3 investments during the years ended December 31, 2016 and 2015.

Note D - Summary of Significant Accounting Policies (Continued)

As a result of the Plan's merger, as discussed in Note H, there were no investments in the Plan as of December 31, 2016. The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2015:

Investment Name	2015			
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Federated Capital Preservation Collective Trust Fund	\$ 1,279,105	N/A	Daily	12 months

Note E - Income Tax Status

The Company has obtained an opinion letter dated March 31, 2014, in which the Internal Revenue Service stated that the Charles Schwab Bank prototype plan document was in compliance with applicable requirements of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2016, there are no uncertain tax positions taken or expected to be taken that would require recognition with a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note F - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to a variety of risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values on investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note G - Party-in-Interest Transactions

The Company provides certain accounting and administrative services to the Plan for which no fees are charged.
