INDEPENDENT AUDITOR'S REPORT

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Woodland Centers, Inc. 403(b) Plan, which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Nationwide Financial Services, Inc. (Nationwide) and The Lincoln National Life Insurance Company (Lincoln), the custodians of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodians as of and for the years ended December 31, 2016 and 2015, that the information provided to the plan administrator by the custodians is complete and accurate.

Basis for Disclaimer of Opinion (Continued)

Assets held by Nationwide Life Insurance Company were transferred to a new employee benefit plan platform on December 5, 2016. From the time the assets were transferred to the new platform to the end of the plan year, assets were covered by a valid certification issued by Nationwide Financial Services. However, for the period January 1, 2016 through the date in which the assets were transferred, the certification issued by Nationwide Life Insurance Company did not meet the requirements for a DOL limited-scope audit. We found that the data provided by Nationwide Life Insurance Company was neither complete nor accurate. The beginning balance on the Schedule A and Fund Balance Report did not agree to the prior year's ending balances. Schedule A and the Fund Balance Report also omitted reporting the accounts of 32 participants whose accounts were moved to IRAs prior to the transfer to the new platform. We were able to reconcile the differences; however, due to the poor quality of reports, the inability to confirm the date in which the 32 participant accounts were moved to IRAs, and the inability to obtain complete and accurate certified financial information during the prior year audit, we were unable to rely on the information provided by Nationwide Life Insurance Company for the period January 1, 2016 through December 5, 2016, the date in which plan assets were transferred to a new platform. This caused a material scope limitation that prevented us from performing necessary procedures.

Disclaimer of Opinion

Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules, Schedule H, Line 4i, Schedule of Assets (Held at End of Year) and Schedule H, Line 4j, Schedule of Reportable Transactions as of or for the year ended December 31, 2016, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodians, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Respectfully submitted,

WHITED SEIGNEUR SAMS & RAHE CPAs, LLP

WOODLAND CENTERS, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of Woodland Centers, Inc. 403(b) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a restatement of an existing Plan to comply with current law. This Plan was originally effective January 1, 1995. A restatement occurred effective as of January 1, 2010. The Plan was restated a second time effective as of May 1, 2016. The Plan is a defined contribution plan covering all employees of Woodland Centers, Inc. (Company). All eligible employees are able to make salary deferrals into the plan. There are no minimum age or service requirements to make salary deferrals. In order to be eligible to receive matching contributions and discretionary employer contributions, eligible employees must be at least 18 years old and have completed 1,000 hours for the Company during the 12-month period immediately following the date of hire. An eligible employee who satisfies the minimum age and service requirements shall be eligible to participate in the Plan on the first day of each calendar month following the date that eligibility is satisfied. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. The Plan currently offers various mutual funds as investment options for participants.

Participant. Each year, participants may contribute an amount of pretax annual compensation, as defined in the Plan. However, pre-tax contributions that are deferred from compensation are subject to the dollar limit for the calendar year as provided by law. The maximum dollar limit applies to the aggregate of all amounts that are contributed to this plan and all other 401(k), 403(b) and SEPs of this employer or any other employer during the calendar year. Participants who have attained age 50 before the end of the calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Matching Contribution. The Plan authorizes the Company to make matching contributions on behalf of eligible Plan participants. The matching contribution will be 1% for employees contributing 4% or more, 0.75% for 3% contributions, 0.50% for 2% contributions, and 0.25% for 1% contributions.

Employer Discretionary Contribution. The Company elected to contribute 1% of participants' plan compensation. These matching contributions are a discretionary amount to be determined by the Employer each plan year.

Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings or losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account, less applicable withdrawal fees.

Vesting. Participants are immediately vested in all contributions received.

Plan Loans. Participants may borrow from their funds accounts up to 50% of the account value not to exceed \$50,000. Principal and interest is paid in equal monthly installments.

**WOODLAND CENTERS, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

1. DESCRIPTION OF PLAN (Continued)

Payment of Benefits. On termination of service due to death, disability, or retirement, a participant may elect to receive payment(s), transfer to another plan, or remain in plan. However, if plan valuation is less than \$5,000, the participant will receive a lump sum amount equal to the value in his or her account. For termination of service due to other reasons or financial hardship, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Plan Termination. The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. The Plan was terminated on January 1, 2018.

Forfeited Accounts. Due to the Plan's 100% vesting policy, no forfeitures are incurred.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment Valuation and Income Recognition

Unaudited information has been certified by The Lincoln National Life Insurance Company for the entire year for a limited scope audit. Unaudited information has been certified by Nationwide Financial Services and Nationwide Life Insurance Company for the period of the plan year each served as custodian of the assets. However, we found Nationwide Life Insurance Company's certification was determined to be unusable as we found the information was not complete and accurate. The Plan's investments are stated at fair value. Shares of registered investment companies and mutual funds are reported at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Investment contracts with insurance companies are reported at contract value.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Generally, a default occurs when any scheduled payment is not paid when due. However, there will be a grace period from the due date of the missed payment through the last day of the following quarter in which the required payment was due but not made. If the missed payment is made during the grace period then no distribution will be deemed to have occurred. If the missed payment is not made during the grace period then a distribution will be deemed to have occurred. The Plan Administrator will take such steps as it deems necessary to preserve the plan assets in the event of a default. If a Participant loan is in default the loan will not be offset against the account balance until a distributable event occurs in the Plan. Under certain circumstances, a loan that is in default may be considered a distribution from the Plan, and thereby resulting in taxable income to the participant.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Plan Expenses.

Plan administration expenses are paid by the sponsor company, Woodland Centers, Inc., except for certain withdrawal and participant fees.

**WOODLAND CENTERS, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Date of Management's Review of Subsequent Events

Management has evaluated subsequent events and transactions for potential recognition through January 24, 2018, the date the financial statements were available to be issued.

Change in Accounting Policy

In July 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Plans (Topic 965): Part (I) Fully Benefit-Responsive Investment Contracts, Part (II) Plan Investment Disclosures, Part (III) Measurement Date Practical Expedient*. This three-part standard simplifies employee benefit plan reporting with respect to fully-benefit responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively. Accordingly, the amendment was retrospectively applied as reflected in the notes to the Plan's financial statements.

Additionally, the FASB issued ASU 2015-07, *Disclosures for Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)*. ASU 2015-07 simplifies disclosures and reporting on investments valued at net asset value as practical expedient. ASU 2015-07 is effective for years beginning December 15, 2016 with earlier adoption permitted.

3. PLAN RESTATEMENT

Effective May 1, 2016, the plan was restated to reflect a change in the custodian and third-party administrator. As a result of this, participants can no longer contribute to investment options offered by Nationwide Life Insurance Company. Participants now contribute to investment options offered by Nationwide Financial Services. Pentegra Retirement Services now serves that the Plan's third-party administrator.

Other than the above, the plan had no significant amendments during the periods ending December 31, 2016 and 2015, respectively.

4. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**WOODLAND CENTERS, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

4. FAIR VALUE MEASUREMENTS (Continued)

The framework for measuring fair market value provides a fair market value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The 3 levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurement, are described as follows:

- Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 inputs to the valuation methodology include the following:
 - Quoted prices for similar assets or liabilities in active markets
 - Quoted process for identical or similar assets or liabilities in inactive markets
 - Inputs other than quoted prices that are observable for the asset or liability
 - Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 inputs the valuation methodology are unobservable and significant to the fair value measurement.

The fair value of the guaranteed investment contract with insurance companies is based on the net asset value (NAV) of units reported by the insurance company. The NAV, as provided by the custodian of the fund, used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. The practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. There are no restrictions from this fund.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

4. FAIR VALUE MEASUREMENTS (Continued)

The following table sets forth by level within the fair value hierarchy, the Plan's investments at fair value as of December 31:

Fair Value Measurements at Reporting Date Using:

Mutual Funds	\$ 636,834	\$ 636,834	\$ -	\$ -
Investment contract with insurance company	<u>316,831</u>	<u>-</u>	<u>-</u>	<u>316,831</u>
Total Investments at fair value	<u>\$ 953,665</u>	<u>\$ 636,834</u>	<u>\$ -</u>	<u>\$ 316,831</u>

The following table reconciles the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) for the investment contract with insurance company for the year ended December 31, 2016:

	2016	2015

Fair Value of Investment in Entities that Use Net Asset Value

Investment contracts with insurance companies consist, in part, of fixed annuity contracts. Fixed annuity contracts are issued by life insurance companies and offer long-term investment options that guarantee a minimum fixed rate of interest which is specified in the contract. Annuity contracts are invested in separate accounts established by the insurance company, which consist of multiple subaccounts that hold mutual funds.

**WOODLAND CENTERS, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

4. FAIR VALUE MEASUREMENTS (Continued)

The following table summarizes investments measured at fair value based on Net Asset Value (NAV) per share as of December 31, 2016 and 2015:

December 31, 2016	Fair Value	Unfunded Commitments	Redemption Frequency (if currently available)	Notice Period
Lincoln National Life Insurance Fixed Account	\$ 316,831	n/a	Daily	n/a
Nationwide Life Insurance Fixed Account	\$ -	n/a	Daily	n/a
December 31, 2015				
Lincoln National Life Insurance Fixed Account	\$ 323,607	n/a	Daily	n/a
Nationwide Life Insurance Fixed Account	\$ 335,108	n/a	Daily	n/a

5. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The December 31, 2016 and 2015 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2016, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the custodians in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of \$953,665 and \$1,054,363 at December 31, 2016 and 2015, respectively. However, we found Nationwide Life Insurance Company's certification to be unusable, as we found the information inaccurate and incomplete. Nationwide Life Insurance Company's certification only covered the beginning balance and activity from January 1, 2016 through December 5, 2016, the date the Plan was transferred to the new platform. Ending balances were covered by the certification of Nationwide Financial Services, and met the DOL requirements for a limited-scope audit.

During 2016, the Plan's investments certified by the custodians (including gains and losses on investment bought and sold as well as held during the year) increased in value \$38,552. Plan investments covered by an unacceptable certification increased in value \$22,219.

6. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan had guaranteed investment contracts with Nationwide Life Insurance Company (Nationwide) and The Lincoln National Life Insurance Company (Lincoln). The custodians maintain the contributions in separate accounts. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The guaranteed investment contracts are presented on the face of the statement of net assets available for benefits at fair value with an adjustment to contract value in arriving at net assets available for benefits. Contract value, as reported to the Plan by the insurer, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses and plus/minus a market value adjustment. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**WOODLAND CENTERS, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

6. GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

Certain events limit the Plan's ability to transact at contract value with the insurer. Such events include the following: (a) amendments to the plan documents (including complete or partial termination or merger with another plan), (b) changes to the plan's prohibition on competing investment plan options or deletion of equity wash provision, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example divestiture or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The plan administrator does not believe that any events that would limit the plan's ability to transact at contract value with the Plan participants are probable of occurring.

As of December 5, 2016, the date in which plan assets held by Nationwide Life Insurance Company transferred to the new platform, participants were no longer given the option to invest in Nationwide's guaranteed investment contract. There was no change to participants invested in Lincoln's guaranteed investment contract.

7. SEPARATED PARTICIPANTS WITH DEFERRED VESTED BENEFITS

As of December 31, 2016, the Plan assets include investments valued at \$391,776 for participants who have separated from the Company. These participants are permitted to delay distribution until required by law to receive minimum required distributions.

8. PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by Nationwide Life Insurance Company, Nationwide Financial Services, and Lincoln National Life Insurance Company. Because these companies served as the plan custodians during the plan year, transactions qualify as party-in-interest transactions.

Members of management are currently participants in the Plan, and one member serves as plan administrator.

Plan sponsors directly pay various administrative expenses for the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. TAX STATUS

The Plan Administration believes that the Plan is designed and is currently operated in compliance with the applicable requirements of the Internal Revenue Code as of the report date. Any instances of noncompliance are not expected to impact the tax status of the Plan.

**WOODLAND CENTERS, INC. 403(b) PLAN
NOTES TO THE FINANCIAL STATEMENTS**

11. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule F of Form 5500:

	2017	2016
Net assets available for benefits per the financial statements	\$ 969,360	\$ 1,074,388
Contributions receivable	-	(14,027)
Net effect of differences in income and expense accounts	(962)	-
Net assets available for benefits per the Form 5500	<u>\$ 968,398</u>	<u>\$ 1,060,361</u>

12. OPERATIONAL DEFECTS

During the year ended December 31, 2016, it was discovered that certain plan provisions were not properly applied in the daily operation of the plan. The Plan Document states that any distributions exceeding \$5,000 must be approved by the participant prior to the distribution. Prior to the transfer of Nationwide assets to the new platform, 32 participant accounts were rolled over into IRAs. The total amount of rollovers was \$174,677. 7 of these rollovers exceeded \$5,000, totaling \$133,784. Plan management was unable to provide documentation of participants' approval for these 7 accounts.

The Plan Document requires elective deferrals and employer matching contributions to be suspended for a period of six months following a hardship withdrawal. Neither participant deferrals nor employer matching contributions were suspended for the one hardship withdrawal made during the year. The total contributions and deferrals made during the six-month period was \$418.

There were seven instances where participant deferrals remitted to the Plan did not agree to the deferral rate elected by the participant on their enrollment form. Nor could management provide documentation that the employee had changed the deferral rate. The difference between the actual deferrals and the recomputed deferrals \$3,374.

The 2016 Form 5500 was filed beyond the extended deadline of October 16, 2017, which is a requirement of the DOL.

13. VOLUNTARY FIDUCIARY CORRECTION PROGRAM

Subsequent to December 31, 2016, the company determined that employee deferrals and employer contributions of 7 former participants were withheld and remitted to Nationwide after their accounts had been closed. The company utilized the Voluntary Fiduciary Correction Program to remediate the issues and issued checks to each of the former participants. Lost gains were calculated and included in the amount paid. The total amount of repayments was insignificant to book but warranted disclosure.

13. SUBSEQUENT EVENTS
