Other Matter

The supplementary schedule as of and for the year ended December 31, 2017, as noted in the table of contents, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplementary schedule referred to above.

Emphasis of Matter

As further discussed in the Termination of Operations and Plan note, The Visiting Nurse Association of Greater Cincinnati and Northern Kentucky terminated the Plan in early 2018. Our opinion is not modified with respect to this matter.

**THE VISITING NURSE ASSOCIATION OF GREATER
CINCINNATI AND NORTHERN KENTUCKY RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of The Visiting Nurse Association of Greater Cincinnati and Northern Kentucky (the Organization) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document and the summary plan description for a more complete description of the Plan's provisions. The Organization terminated the Plan in early 2018 (see Plan Termination and Termination of Operations and Plan notes).

General

The Plan is a defined contribution plan covering all employees of the Organization who have three months of service for employee deferrals and are age twenty-one or older. Employees must have 1,000 hours of service to receive the employer match or profit sharing contribution. Employees will have the opportunity to become a participant on the first "entry date", first day of each month, once that employee satisfies those requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions

Each year, participants may contribute up to limits as defined in the Plan, not to exceed amounts determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other retirement plans as described in the Plan document. Participants direct the investment of their contributions into any combination of several investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1.0% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Employer Contributions

The Organization may make matching contributions, as well as a profit sharing contribution to the Plan. These amounts will be determined by the Organization's Board of Directors on an annual basis. For both the years ended December 31, 2017 and 2016, the Organization made no matching contributions. There was also no profit sharing contribution for either 2017 or 2016. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan and (b) employer contributions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Generally, notes are repayable through payroll deductions over periods up to 60 months. The notes are collateralized by the balance of the participant's account. The interest rate on these notes is set at 1.0% above the prime rate and is reviewed by the Plan administrator on a regular basis.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their 401(k) elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service as defined in the Plan. Vesting begins upon the completion of the second year of service, and a participant is 100% vested after five years of credited service.

Forfeitures

Forfeitures on non-vested account balances will be used to reduce future employer contributions or to pay Plan expenses.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment from the Organization, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or any other form of payment included in the Plan document. However, participants with a vested balance of less than \$5,000 will receive a lump sum amount equal to the vested portion of their account. Participants with a vested balance in excess of \$5,000 may remain in the Plan, but they may not make additional contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses paid by the Organization are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of Estimates

The process of preparing financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustee, and insurance company (see Fair Value Measurements note).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Payments of benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable as of either December 31, 2017 or 2016.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of either December 31, 2017 or 2016. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Net Assets Available for Benefits

Net assets available for benefits at both December 31, 2017 and 2016 included \$-0- allocated to the accounts of persons who, prior to that date, had withdrawn from participating in earnings and operations of the Plan.

Tax Status

The Plan is currently operating under a prototype plan document that has been accepted under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. This prototype document received a favorable opinion letter from the Internal Revenue Service, dated March 31, 2014. The Plan has been amended since receiving this opinion letter. A determination letter has not been received specific to The Visiting Nurse Association of Greater Cincinnati and Northern Kentucky Retirement Plan. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of both December 31, 2017 and 2016, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit nor has it been contacted by any taxing authority.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adoption of New Accounting Standard

In May, 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent). This ASU eliminates the requirement to categorize investments for which fair value is measured using net asset value (NAV) per share as a practical expedient in the fair value hierarchy. Although the investment is not categorized within the fair value hierarchy, entities are required to provide the amount measured using the NAV (or its equivalent) practical expedient to permit reconciliation of the fair value of investments included in the fair value hierarchy to total investments measured at fair value on the statements of net assets available for benefits. This ASU is effective for fiscal years beginning after December 15, 2016 and is to be applied retrospectively.

Subsequent Events

Plan management has evaluated subsequent events through June 12, 2018, which is the date on which the financial statements were available to be issued (see Termination of Operations and Plan note).

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at either December 31, 2017 or 2016.

Mutual Funds (including Money Market Funds) – Valued at the quoted Net Asset Value (NAV) of the shares held by the Plan at year end as reported by the fund.

The preceding method described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CINCINNATI AND NORTHERN KENTUCKY RETIREMENT PLAN**

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2017 and 2016:

<u>December 31, 2017</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments Measured at Net Asset Value (a)				<u>103,061</u>
Total Investments				<u>\$ 2,807,010</u>

<u>December 31, 2016</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Investments Measured at Net Asset Value (a)				<u>192,383</u>
Total Investments				<u>\$ 2,786,880</u>

- (a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For both the years ended December 31, 2017 and 2016, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

CINCINNATI AND NORTHERN KENTUCKY RETIREMENT PLAN**

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2017 and 2016. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2017</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Value of Interest in Common Collective Trust	\$ 103,061	N/A	Daily	12 Months

Value of Interest in Common Collective Trust	\$ 192,383	N/A	Daily	12 Months

NOTE 4 – LIMITED SCOPE AUDIT

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplementary schedule, including investments and notes receivable from participants held at both December 31, 2017 and 2016, and the net appreciation in fair value of investments, interest, and dividends for the years then ended 2017 and 2016, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 5 – PLAN TERMINATION

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, which it did in early 2018. Upon Plan termination, participants became 100% vested in their employer contributions (see Termination of Operations and Plan note).

NOTE 6 – FORFEITURES

For the years ended December 31, 2017 and 2016, forfeitures of \$2,690 and \$4,220, respectively, were used to pay Plan expenses. No forfeitures were used to offset employer contributions for either year. As of December 31, 2017 and 2016, there were \$64 and \$2,497, respectively, in unallocated forfeitures.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The 2015 audited financial statements included a liability for excess contributions payable. This liability was not included on the Form 5500 for 2015. The distributions were included on the Form 5500 for 2017 and 2016 as follows:

	Years Ended December 31,	
	2017	2016
Corrective Distributions per the Audited Financial Statements	\$ 521	\$ -
Plus Excess Contributions Payable	<u>-</u>	<u>1,576</u>
Corrective Distributions per Schedule H to the Form 5500	<u>\$ 521</u>	<u>\$ 1,576</u>

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible, that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 – TERMINATION OF OPERATIONS AND PLAN

In early December, 2017, the Organization sold certain operating licenses and discontinued all client services. Since then the Organization has been concluding its operations, which it expects to have completed in 2018.

As a part of ceasing operations, the Organization formally terminated the Plan effective March 30, 2018. All Plan participants whom the Organization or its Trustee could locate were contacted regarding the distribution of their Plan balances, and balances for those who responded were distributed as instructed by the participants. Balances for accounts greater than or equal to \$1,000 will be transferred to IRA’s in the name of the participant and held by Millenium Trust. Plan balances less than \$1,000 for participants deemed by Fidelity to have a valid address on file will be distributed by check to those participants, and Plan balances of less than \$1,000 for participants who could not be located or who did not cash the aforementioned checks will be transferred to the state of Ohio in accordance with the unclaimed funds laws of the state.

Following distribution of all Plan assets, the Plan will be closed in June, 2018.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in the Limited Scope Audit note, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2017 and 2016, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplementary schedule as of and for the year ended December 31, 2017, as noted in the table of contents, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplementary schedule referred to above.

Emphasis of Matter

As further discussed in the Termination of Operations and Plan note, The Visiting Nurse Association of Greater Cincinnati and Northern Kentucky terminated the Plan in early 2018. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

**THE VISITING NURSE ASSOCIATION OF GREATER
CINCINNATI AND NORTHERN KENTUCKY RETIREMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of The Visiting Nurse Association of Greater Cincinnati and Northern Kentucky (the Organization) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document and the summary plan description for a more complete description of the Plan's provisions. The Organization terminated the Plan in early 2018 (see Plan Termination and Termination of Operations and Plan notes).

General

The Plan is a defined contribution plan covering all employees of the Organization who have three months of service for employee deferrals and are age twenty-one or older. Employees must have 1,000 hours of service to receive the employer match or profit sharing contribution. Employees will have the opportunity to become a participant on the first "entry date", first day of each month, once that employee satisfies those requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Contributions

Each year, participants may contribute up to limits as defined in the Plan, not to exceed amounts determined by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from certain other retirement plans as described in the Plan document. Participants direct the investment of their contributions into any combination of several investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1.0% of eligible compensation and their contributions invested in a designated fund until changed by the participant.

Employer Contributions

The Organization may make matching contributions, as well as a profit sharing contribution to the Plan. These amounts will be determined by the Organization's Board of Directors on an annual basis. For both the years ended December 31, 2017 and 2016, the Organization made no matching contributions. There was also no profit sharing contribution for either 2017 or 2016. Contributions are subject to certain statutory limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) Plan earnings (losses), including a charge for an allocation of administrative expenses paid by the Plan and (b) employer contributions. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of the participant's vested account balance. Generally, notes are repayable through payroll deductions over periods up to 60 months. The notes are collateralized by the balance of the participant's account. The interest rate on these notes is set at 1.0% above the prime rate and is reviewed by the Plan administrator on a regular basis.

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are immediately vested in their 401(k) elective deferrals and rollover contributions plus actual earnings thereon. Vesting in the remainder of their accounts is based on years of service as defined in the Plan. Vesting begins upon the completion of the second year of service, and a participant is 100% vested after five years of credited service.

Forfeitures

Forfeitures on non-vested account balances will be used to reduce future employer contributions or to pay Plan expenses.

Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment from the Organization, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or any other form of payment included in the Plan document. However, participants with a vested balance of less than \$5,000 will receive a lump sum amount equal to the vested portion of their account. Participants with a vested balance in excess of \$5,000 may remain in the Plan, but they may not make additional contributions.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses paid by the Organization are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan were prepared on the accrual basis of accounting.

Use of Estimates

The process of preparing financial statements in conformity with U.S. GAAP requires the use of estimates and assumptions regarding certain types of assets, liabilities, revenues, and expenses. Certain estimates relate to unsettled transactions and events as of the date of the financial statements. Other estimates relate to assumptions about the ongoing operations and may impact future periods. Accordingly, upon settlement, actual results may differ from estimated amounts.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors, trustee, and insurance company (see Fair Value Measurements note).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as, held during the year.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Payments of benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service are recorded as a liability with a corresponding reduction to contributions. There were no excess contributions payable as of either December 31, 2017 or 2016.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of either December 31, 2017 or 2016. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Net Assets Available for Benefits

Net assets available for benefits at both December 31, 2017 and 2016 included \$-0- allocated to the accounts of persons who, prior to that date, had withdrawn from participating in earnings and operations of the Plan.

Tax Status

The Plan is currently operating under a prototype plan document that has been accepted under Section 401 of the Internal Revenue Code for use by employers for the benefit of their employees. This prototype document received a favorable opinion letter from the Internal Revenue Service, dated March 31, 2014. The Plan has been amended since receiving this opinion letter. A determination letter has not been received specific to The Visiting Nurse Association of Greater Cincinnati and Northern Kentucky Retirement Plan. However, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more than likely would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of both December 31, 2017 and 2016, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. Currently, the prior three years are open under Federal statutes of limitations and remain subject to review and change. The Plan is not currently under audit nor has it been contacted by any taxing authority.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Adoption of New Accounting Standard

In May, 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or Its Equivalent). This ASU eliminates the requirement to categorize investments for which fair value is measured using net asset value (NAV) per share as a practical expedient in the fair value hierarchy. Although the investment is not categorized within the fair value hierarchy, entities are required to provide the amount measured using the NAV (or its equivalent) practical expedient to permit reconciliation of the fair value of investments included in the fair value hierarchy to total investments measured at fair value on the statements of net assets available for benefits. This ASU is effective for fiscal years beginning after December 15, 2016 and is to be applied retrospectively.

Subsequent Events

Plan management has evaluated subsequent events through June 12, 2018, which is the date on which the financial statements were available to be issued (see Termination of Operations and Plan note).

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

LEVEL 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

LEVEL 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

LEVEL 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used at either December 31, 2017 or 2016.

Mutual Funds (including Money Market Funds) – Valued at the quoted Net Asset Value (NAV) of the shares held by the Plan at year end as reported by the fund.

The preceding method described may provide a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CINCINNATI AND NORTHERN KENTUCKY RETIREMENT PLAN**

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at December 31, 2017 and 2016:

<u>December 31, 2017</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market Funds	\$ 3,341	\$ -	\$ -	\$ 3,341

Investments Measured at Net Asset Value (a)				<u>192,383</u>
Total Investments				<u>\$ 2,786,880</u>

- (a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

For both the years ended December 31, 2017 and 2016, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

CINCINNATI AND NORTHERN KENTUCKY RETIREMENT PLAN**

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

The following tables summarize investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2017 and 2016. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

<u>December 31, 2017</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Value of Interest in Common Collective Trust	\$ 103,061	N/A	Daily	12 Months
<u>December 31, 2016</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if Currently Eligible)</u>	<u>Redemption Notice Period</u>
Value of Interest in Common Collective Trust	\$ 192,383	N/A	Daily	12 Months

NOTE 4 – LIMITED SCOPE AUDIT

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplementary schedule, including investments and notes receivable from participants held at both December 31, 2017 and 2016, and the net appreciation in fair value of investments, interest, and dividends for the years then ended 2017 and 2016, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 5 – PLAN TERMINATION

The Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, which it did in early 2018. Upon Plan termination, participants became 100% vested in their employer contributions (see Termination of Operations and Plan note).

NOTE 6 – FORFEITURES

For the years ended December 31, 2017 and 2016, forfeitures of \$2,690 and \$4,220, respectively, were used to pay Plan expenses. No forfeitures were used to offset employer contributions for either year. As of December 31, 2017 and 2016, there were \$64 and \$2,497, respectively, in unallocated forfeitures.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee and record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions.

NOTE 8 – RECONCILIATION OF NET ASSETS WITH PARTICIPANTS’ ACCOUNTS

	December 31,

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The 2015 audited financial statements included a liability for excess contributions payable. This liability was not included on the Form 5500 for 2015. The distributions were included on the Form 5500 for 2017 and 2016 as follows:

	Years Ended December 31,	
	2017	2016
Corrective Distributions per the Audited Financial Statements	\$ 521	\$ -
Plus Excess Contributions Payable	<u>-</u>	<u>1,576</u>
Corrective Distributions per Schedule H to the Form 5500	<u>\$ 521</u>	<u>\$ 1,576</u>

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible, that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 – TERMINATION OF OPERATIONS AND PLAN

In early December, 2017, the Organization sold certain operating licenses and discontinued all client services. Since then the Organization has been concluding its operations, which it expects to have completed in 2018.

As a part of ceasing operations, the Organization formally terminated the Plan effective March 30, 2018. All Plan participants whom the Organization or its Trustee could locate were contacted regarding the distribution of their Plan balances, and balances for those who responded were distributed as instructed by the participants. Balances for accounts greater than or equal to \$1,000 will be transferred to IRA’s in the name of the participant and held by Millenium Trust. Plan balances less than \$1,000 for participants deemed by Fidelity to have a valid address on file will be distributed by check to those participants, and Plan balances of less than \$1,000 for participants who could not be located or who did not cash the aforementioned checks will be transferred to the state of Ohio in accordance with the unclaimed funds laws of the state.

Following distribution of all Plan assets, the Plan will be closed in June, 2018.
