INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the Bee Sweet Citrus, Inc.
401(k) Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of Bee Sweet Citrus, Inc. - 401(k) Profit Sharing Plan as of September 30, 2017 and 2016 and the related statement of changes in net assets available for benefits for the year ended September 30, 2017 and the related notes to the financial statements.

Managements' Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Bee Sweet Citrus, Inc. - 401(k) Profit Sharing Plan as of September 30, 2016 and 2015, and the changes in its net assets available for benefits for the year ended September 30, 2016 in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets held at end of year, referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Bee Sweet Citrus, Inc. ("Company") 401(k) Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of the Company who have completed three months of service and are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Trustees are responsible for oversight of the Plan. The Trustees determine the appropriateness of the plan's investment offerings, monitors investment performance and report to the Plan's Board. Once eligible to participate, employees can enter the Plan on the first day of the Plan year or the first day of the fourth, seventh, and tenth month of the Plan year, whichever date is nearest to the date the eligibility requirements are satisfied.

Change in accounting principles - In May 2015, the FASB issued ASU 2015-7, Fair Value Measurement (Topic 820): Disclosures for investments in Certain Entities That Calculate Net Asset Value per Share (or its equivalent), which exempts investments measured using the net asset value (NAV) practical expedient in ASC 820, Fair Value Measurement, from categorization within the fair value hierarchy. The guidance requires retrospective application and is effective for public business entities for fiscal years, and interim periods within those years, beginning after December 15, 2015. For all other entities, the guidance is effective for fiscal years, and interim periods within those years, beginning after December 15, 2016. Early adoption is permitted. This pronouncement resulted in no changes to the plan.

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965): Part 1 Fully Benefit-Responsive Investment Contracts, Part II Investment Disclosures, Part III Measurement Date Practical Expedient. This three-part standard simplifies employee benefit plan reporting with respect to fully benefit-responsive investment contracts and plan investment disclosures, and provides for a measurement-date practical expedient. Parts I and II are effective for fiscal years beginning after December 15, 2015 and should be applied retrospectively, with early application permitted. Part III is effective for fiscal years beginning after December 15, 2015 and should be applied prospectively, with early adoption permitted. Parts I and III are not applicable to this Plan.

Contributions - Participants' contributions to the Plan are elective deferrals, wholly vested in, and invested in accordance with the Plan Administrators' instructions. Participants may elect to make salary deferrals up to the maximum dollar amount allowed annually as defined by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution Plans (rollovers). Employer discretionary contributions are determined annually by the Company's Board of Directors. Contributions are based on a uniform percentage of compensation of the Participants in their classification. Classifications consist of Group A: Non-General Labor Employees and Group B: General Labor Employees.

The Company will match 100% of the first $500 that a participant contributes to the Plan. The Company will then contribute an additional 25% of participant contributions in excess of $500, up to $18,000. The Company made matching contributions totaling $93,092 for the year ending September 30, 2017.

Participant accounts - Each participant's account is credited with their contribution, the Company's matching contributions, forfeitures of terminated participant's non-vested account balances, and the actual income or loss on investments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF PLAN (continued)

Vesting - Participants are vested immediately in their elective deferral contributions, rollover contributions, and earnings and losses credited to their account. The participant's vested account is non-forfeitable. A participant is 100% vested in employer discretionary contributions after six years of credited service as follows:

Years of Service	Vested Percentage
0 – 1 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Notes receivable, participant loans - Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested interest. Loan terms range from 1 – 5 years and may be extended for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions. Delinquent loans are reclassified as distributions based on the terms of the plan document.

Payment of benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. In addition, a participant may elect to receive a hardship or an in service distribution when certain criteria are met as outlined in the Plan document.

Administrative costs - Participants are responsible for any distribution and loan expenses. Fees related to the administration of the Plan are paid directly by the Plan.

Forfeited accounts - At September 30, 2017 and 2016, there were no forfeited nonvested accounts. These accounts will be used to reduce future employer contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment valuation and income recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Quoted market prices are used to value investments. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximate fair value.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment valuation and income recognition (continued

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants- Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of September 30, 2017 or 2016.

Fair value of financial instruments - The carrying value of the Plan's investments approximates fair value. The Plan estimates the fair value of its participant loans based on the current rates available to them for loans of the same remaining maturities. The estimated fair values of the Plan's participant loans approximate their recorded values at September 30, 2017.

Payments of benefits - Benefits are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - TAX STATUS

The plan is maintained as a prototype non-standardized profit sharing plan and is managed by Spectrum Pension Consultants. The Plan received a favorable determination letter dated March 31, 2014 from the Internal Revenue Service, which states that the document qualifies under the applicable provisions of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and trustees believe that the Plan is designed, and is currently being operation in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified , and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan can be subject to examination; generally for a period of three years from filing its Form 5500.

NOTE 5 - CONCENTRATION OF CREDIT RISK

The Plan maintains its investments in registered investment companies with RBC Wealth Management. Accounts are not guaranteed by the Federal Deposit Insurance Corporation (FDIC), or any other government agency.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The framework establishes a three-tier fair value hierarchy that prioritizes the inputs used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). These tiers include:

- Level 1, defined as observable inputs such as quoted prices for identical instruments in active markets;
- Level 2, defined as inputs other than quoted prices in active markets that are directly or indirectly observable such as quoted prices for similar instruments in active markets or quoted prices for identical or similar instruments or similar instruments in markets that are not active; and
- Level 3, defined as unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own assumptions, such as valuations derived from valuation techniques in which one or more significant value drivers are observable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2017 and 2016.

- Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 7 – FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)

We measured certain financial instruments at fair value on a recurring basis. Financial liabilities measured at fair value on a recurring basis are as follows:

	September 30,	
	2017	2016
Investments- level 1		
Mutual funds	$ 3,066,991	$ 2,583,306
Investments- level 2	-	-
Investments- level 3	-	-
	$ 3,066,991	$ 2,583,306

NOTE 8 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 10, 2018, the date which the financial statements were available to be issued.
