Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, (the "Trustee" of the Plan), except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2016 and 2015, and for the year ended December 31, 2016, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements.

Their report dated October 14, 2016, indicated that (a) because of the significance of information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1 – DESCRIPTION OF PLAN

GENERAL

The CEC Entertainment 401(k) Retirement & Savings Plan (the "Plan") is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established on January 1, 1989, and amended and restated July 1, 2015, covering substantially all employees of CEC Entertainment Concepts, L.P. (the "Company") and its affiliates. The Plan's Trustee is Fidelity Management Trust Company (the "Trustee"). Fidelity Investments Institutional Operations Company (the "Recordkeeper") has been retained to provide recordkeeping services for the Plan. The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

ELIGIBILITY AND PARTICIPANT ACCOUNTS

Employees become eligible for participation immediately upon reaching the age of twenty-one and completing six months of service, as defined by the Plan document. Subject to certain limitations on annual additions, each participant's account is credited with employee elective deferrals, Company matching and discretionary contributions, an allocation of Plan earnings, and charged with certain administrative expenses.

CONTRIBUTIONS

The Plan is funded through employee elective deferrals and Company contributions. A participant may elect to contribute up to 75% of his or her eligible compensation, subject to certain maximum limitations imposed by the Internal Revenue Code ("IRC") ($18,000 for the year ended 2016). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC ($6,000 for the year ended 2016). Rollover contributions representing distributions from other qualified defined benefit or contribution plans are permitted and may be contributed prior to meeting the eligibility requirements for participation in the Plan.

The Plan allows for employer profit sharing and discretionary matching in amounts to be determined by the Company. For the year ended December 31, 2016, the Company elected to contribute a discretionary contribution in the amount of 25% of participant elective deferrals up to 4% of a participant's eligible compensation for all participants employed at year-end, excluding highly-compensated employees, or $351,883. For the year ended December 31, 2016, the Company did not elect to contribute a profit sharing contribution.

DISTRIBUTIONS TO PARTICIPANTS

Upon normal retirement age, death, or disability, a participant's benefits are payable in a lump-sum equal to 100% of the participant's vested account balance. Employees may also make hardship withdrawals on the balance of their account related to their elective deferral contributions. Account balances of $1,000 or less as of the time of distribution will be "cashed" out as either an involuntary lump sum payment or by direct rollover into an individual retirement plan, based on certain criteria, as defined in the Plan document.

INVESTMENT OPTIONS

The Plan provides for contributions to be invested by the participants among a variety of mutual funds of registered investment companies and a common collective trust in accordance with participant investment elections and the provisions of the Trust agreement. Participants should refer to the Plan website for additional fund information.

1 – DESCRIPTION OF PLAN, CONTINUED

VESTING

Participants are immediately vested in rollover contributions, elective deferrals, and qualified non-elective contributions plus actual earnings, thereon. Vesting in the Company's matching contributions plus actual earnings thereon, is based on years of continuous service. Participants are 50% vested after one year, or 1,000 hours, of qualified service, 75% vested after two years of qualified service, and are 100% vested after three years of qualified service or upon occurrence of the participant's early retirement at age 55, normal retirement at age 65, death, or disability, as defined by the Plan document. Vesting for contributions received from previous employers may differ. Participants should refer to the Plan document for a more complete description.

FORFEITURES

Forfeitures of terminated participants' nonvested accounts are used to pay Plan expenses or to reduce Company contributions. At December 31, 2016 and 2015, there were forfeitures of $0 and $114,800 available, respectively. These amounts are reported as a component of net assets available for benefits. For the year ended December 31, 2016, forfeitures in the amount of $69,371 were used to pay administrative expenses and $52,151 were used to reduce employer match.

NOTES RECEIVABLE FROM PARTICIPANTS

Borrowings are available to all participants. Notes receivable from participants are limited to a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance, subject to certain restrictions as defined in the IRC. Note terms range from one to five years, unless for the purchase of a primary residence, in which case the Plan Administrator may permit a longer repayment term. The notes receivable from participants are secured by the vested balance in the participant's account and bear a reasonable interest rate, as determined by the Plan Administrator. For 2016 and 2015, the Plan Administrator determined a fixed interest rate equal to 1% above the prime rate as published by The Wall Street Journal on the day the loan is initiated as reasonable. Repayments are made through payroll deductions and are reinvested in the participant accounts according to individual investment elections. Notes receivable from participants as of December 31, 2016 have interest rates ranging from 4.25% to 4.50% and maturities from January 2017 to August 2022. Notes receivable from participants as of December 31, 2015 have interest rates ranging from 4.25% to 6.75% and maturities from 2016 to 2026.

ADMINISTRATIVE EXPENSES

Distribution and loan fees are charged directly to the requesting participant's account. Most other costs and expenses of the Plan and its administration, including all fees and expenses of the Trustee, are paid by the Plan.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in all amounts credited to their accounts plus actual earnings, thereon.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the accrual method of accounting in accordance with United States generally accepted accounting principles ("U.S. GAAP").

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, changes therein, and associated disclosures. Accordingly, actual results may vary from the estimates used in preparing the accompanying financial statements.

CONTRIBUTIONS

Participant contributions are accrued in the period that payroll deductions are made from Plan participants in accordance with salary deferral elections. Employer matching contributions for the Plan year are accrued and recognized at year end but paid annually, by the Company, after year end.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The income earned on participant accounts is allocated on a daily basis using the previous day's ending account balance. Net appreciation includes the Plan's gains and losses on the investments bought and sold, as well as held during the year.

BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the plan document or loan policy of the Plan. Notes receivable are valued at amortized cost which approximates fair value.

RECLASSIFICATION

Certain prior year amounts have been reclassified for consistency with the current period presentation.

RECENT ACCOUNTING PRONOUNCEMENTS

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-7, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent). The update removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as the practical expedient. The update also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share as the practical expedient. Rather, those disclosures are limited to investments for which the entity has elected to measure the fair value using that practical expedient. ASU 2015-7 is effective for the Plan in fiscal years beginning after December 15, 2016. Plan management is currently in the process of evaluating the impact that will result from the adoption of ASU 2015-7.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

RECENT ACCOUNTING PRONOUNCEMENTS, CONTINUED

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Parts I and III are not applicable to the Plan. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Part II is to be applied retrospectively. Management adopted Part II effective December 31, 2015.

3 – FAIR VALUE MEASUREMENTS

INVESTMENT VALUATION AND LEVELING

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "*Fair Value Measurements and Disclosures*", provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3 – FAIR VALUE MEASUREMENTS, CONTINUED

INVESTMENT VALUATION AND LEVELING, CONTINUED

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In establishing a fair value hierarchy for the Plan's investments in accordance with ASC 820, the following value methodologies were used for each type of investment:

Mutual funds of registered investment companies: Valued at the net asset value ("NAV") or quoted market prices of shares held by the plan at year end.

Common collective trust: Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods previously described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016:

	Level 1	Level 2	Level 3	Total
Mutual funds of registered investment companies	$ 42,666,750	$ -	$ -	$ 42,666,750
Common collective trust	-	307,735	-	307,735
Total investments at fair value	$ 42,666,750	$ 307,735	$ -	$ 42,974,485

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015:

	Level 1	Level 2	Level 3	Total
Mutual funds of registered investment companies	$ 40,362,445	$ -	$ -	$ 40,362,445
Common collective trust	-	246,755	-	246,755
Total investments at fair value	$ 40,362,445	$ 246,755	$ -	$ 40,609,200

4 – FINANCIAL INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Company instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Fidelity Management Trust Company, the Trustee and party-in-interest as defined by ERISA, as of December 31, 2016 and 2015, and for the year ended December 31, 2016, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule. This information consists of the following:

	2016	2015
Mutual funds of registered investment companies	$ 42,666,750	$ 40,362,445
Common collective trust	307,735	246,755
Total investments	$ 42,974,485	$ 40,609,200
Notes receivable from participants	$ 1,883,169	$ 1,972,300
Interest and dividends	$ 1,449,220	
Interest on notes receivable from participants	$ 78,160	
Net appreciation in fair value of investments	$ 1,693,589	

5 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of mutual funds and a common collective trust, which are managed by Fidelity Management Trust Company. Fidelity Management Trust Company acted in capacity as Trustee during the year; therefore, these investments qualify as party-in-interest investments. For the year ended December 31, 2016, the Plan paid $173,590 in administrative expenses to Fidelity Management Trust Company for investment management services.

6 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds of registered investment companies and a common collective trust. Investment securities are exposed to various risks, such as interest rate, market risks, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7 – TAX STATUS OF THE PLAN

The Plan is based on a prototype plan developed by Fidelity Management & Research Co. which received a favorable opinion letter dated March 31, 2014, from the Internal Revenue Service ("IRS") stating that the prototype plan constitutes a qualified plan under Section 401 of the IRC. The Company believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2013.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, (the "Trustee" of the Plan), except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Trustee as of December 31, 2016 and 2015, and for the year ended December 31, 2016, that the information provided to the Plan Administrator by the Trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed the predecessor auditors not to perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the Trustee of the Plan. Their report dated October 14, 2016, indicated that (a) because of the significance of information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1 – DESCRIPTION OF PLAN

GENERAL

The CEC Entertainment 401(k) Retirement & Savings Plan (the "Plan") is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). The Plan was established on January 1, 1989, and amended and restated July 1, 2015, covering substantially all employees of CEC Entertainment Concepts, L.P. (the "Company") and its affiliates. The Plan's Trustee is Fidelity Management Trust Company (the "Trustee"). Fidelity Investments Institutional Operations Company (the "Recordkeeper") has been retained to provide recordkeeping services for the Plan. The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

ELIGIBILITY AND PARTICIPANT ACCOUNTS

Employees become eligible for participation immediately upon reaching the age of twenty-one and completing six months of service, as defined by the Plan document. Subject to certain limitations on annual additions, each participant's account is credited with employee elective deferrals, Company matching and discretionary contributions, an allocation of Plan earnings, and charged with certain administrative expenses.

CONTRIBUTIONS

The Plan is funded through employee elective deferrals and Company contributions. A participant may elect to contribute up to 75% of his or her eligible compensation, subject to certain maximum limitations imposed by the Internal Revenue Code ("IRC") ($18,000 for the year ended 2016). Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty before the close of the plan year are also eligible to make catch-up contributions subject to the maximum limitation imposed by the IRC ($6,000 for the year ended 2016). Rollover contributions representing distributions from other qualified defined benefit or contribution plans are permitted and may be contributed prior to meeting the eligibility requirements for participation in the Plan.

The Plan allows for employer profit sharing and discretionary matching in amounts to be determined by the Company. For the year ended December 31, 2016, the Company elected to contribute a discretionary contribution in the amount of 25% of participant elective deferrals up to 4% of a participant's eligible compensation for all participants employed at year-end, excluding highly-compensated employees, or $351,883. For the year ended December 31, 2016, the Company did not elect to contribute a profit sharing contribution.

DISTRIBUTIONS TO PARTICIPANTS

Upon normal retirement age, death, or disability, a participant's benefits are payable in a lump-sum equal to 100% of the participant's vested account balance. Employees may also make hardship withdrawals on the balance of their account related to their elective deferral contributions. Account balances of $1,000 or less as of the time of distribution will be "cashed" out as either an involuntary lump sum payment or by direct rollover into an individual retirement plan, based on certain criteria, as defined in the Plan document.

INVESTMENT OPTIONS

The Plan provides for contributions to be invested by the participants among a variety of mutual funds of registered investment companies and a common collective trust in accordance with participant investment elections and the provisions of the Trust agreement. Participants should refer to the Plan website for additional fund information.

1 – DESCRIPTION OF PLAN, CONTINUED

VESTING

Participants are immediately vested in rollover contributions, elective deferrals, and qualified non-elective contributions plus actual earnings, thereon. Vesting in the Company's matching contributions plus actual earnings thereon, is based on years of continuous service. Participants are 50% vested after one year, or 1,000 hours, of qualified service, 75% vested after two years of qualified service, and are 100% vested after three years of qualified service or upon occurrence of the participant's early retirement at age 55, normal retirement at age 65, death, or disability, as defined by the Plan document. Vesting for contributions received from previous employers may differ. Participants should refer to the Plan document for a more complete description.

FORFEITURES

Forfeitures of terminated participants' nonvested accounts are used to pay Plan expenses or to reduce Company contributions. At December 31, 2016 and 2015, there were forfeitures of $0 and $114,800 available, respectively. These amounts are reported as a component of net assets available for benefits. For the year ended December 31, 2016, forfeitures in the amount of $69,371 were used to pay administrative expenses and $52,151 were used to reduce employer match.

NOTES RECEIVABLE FROM PARTICIPANTS

Borrowings are available to all participants. Notes receivable from participants are limited to a minimum of $1,000 up to a maximum of the lesser of $50,000 or 50% of their vested account balance, subject to certain restrictions as defined in the IRC. Note terms range from one to five years, unless for the purchase of a primary residence, in which case the Plan Administrator may permit a longer repayment term. The notes receivable from participants are secured by the vested balance in the participant's account and bear a reasonable interest rate, as determined by the Plan Administrator. For 2016 and 2015, the Plan Administrator determined a fixed interest rate equal to 1% above the prime rate as published by The Wall Street Journal on the day the loan is initiated as reasonable. Repayments are made through payroll deductions and are reinvested in the participant accounts according to individual investment elections. Notes receivable from participants as of December 31, 2016 have interest rates ranging from 4.25% to 4.50% and maturities from January 2017 to August 2022. Notes receivable from participants as of December 31, 2015 have interest rates ranging from 4.25% to 6.75% and maturities from 2016 to 2026.

ADMINISTRATIVE EXPENSES

Distribution and loan fees are charged directly to the requesting participant's account. Most other costs and expenses of the Plan and its administration, including all fees and expenses of the Trustee, are paid by the Plan.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in all amounts credited to their accounts plus actual earnings, thereon.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements have been prepared under the accrual method of accounting in accordance with United States generally accepted accounting principles ("U.S. GAAP").

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

ESTIMATES AND ASSUMPTIONS

The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, changes therein, and associated disclosures. Accordingly, actual results may vary from the estimates used in preparing the accompanying financial statements.

CONTRIBUTIONS

Participant contributions are accrued in the period that payroll deductions are made from Plan participants in accordance with salary deferral elections. Employer matching contributions for the Plan year are accrued and recognized at year end but paid annually, by the Company, after year end.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The income earned on participant accounts is allocated on a daily basis using the previous day's ending account balance. Net appreciation includes the Plan's gains and losses on the investments bought and sold, as well as held during the year.

BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon terms of the plan document or loan policy of the Plan. Notes receivable are valued at amortized cost which approximates fair value.

RECLASSIFICATION

Certain prior year amounts have been reclassified for consistency with the current period presentation.

RECENT ACCOUNTING PRONOUNCEMENTS

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2015-7, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its Equivalent). The update removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as the practical expedient. The update also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share as the practical expedient. Rather, those disclosures are limited to investments for which the entity has elected to measure the fair value using that practical expedient. ASU 2015-7 is effective for the Plan in fiscal years beginning after December 15, 2016. Plan management is currently in the process of evaluating the impact that will result from the adoption of ASU 2015-7.

2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

RECENT ACCOUNTING PRONOUNCEMENTS, CONTINUED

In July 2015, the FASB issued ASU 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part I) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosures, (Part III) Measurement Date Practical Expedient. Parts I and III are not applicable to the Plan. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Part II is to be applied retrospectively. Management adopted Part II effective December 31, 2015.

3 – FAIR VALUE MEASUREMENTS

INVESTMENT VALUATION AND LEVELING

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, "*Fair Value Measurements and Disclosures*", provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Level 2 Significant observable inputs other than quoted prices in active markets for which inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

3 – FAIR VALUE MEASUREMENTS, CONTINUED

INVESTMENT VALUATION AND LEVELING, CONTINUED

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

In establishing a fair value hierarchy for the Plan's investments in accordance with ASC 820, the following value methodologies were used for each type of investment:

Mutual funds of registered investment companies: Valued at the net asset value ("NAV") or quoted market prices of shares held by the plan at year end.

Common collective trust: Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The methods previously described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; even so, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016:

	Level 1	Level 2	Level 3	Total
Mutual funds of registered investment companies	$ 42,666,750	$ -	$ -	$ 42,666,750
Common collective trust	-	307,735	-	307,735
Total investments at fair value	$ 42,666,750	$ 307,735	$ -	$ 42,974,485

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2015:

	Level 1	Level 2	Level 3	Total
Mutual funds of registered investment companies	$ 40,362,445	$ -	$ -	$ 40,362,445
Common collective trust	-	246,755	-	246,755
Total investments at fair value	$ 40,362,445	$ 246,755	$ -	$ 40,609,200

4 – FINANCIAL INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE (UNAUDITED)

The Company has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Company instructed the independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Fidelity Management Trust Company, the Trustee and party-in-interest as defined by ERISA, as of December 31, 2016 and 2015, and for the year ended December 31, 2016, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule. This information consists of the following:

	2016	2015
Mutual funds of registered investment companies	$ 42,666,750	$ 40,362,445
Common collective trust	307,735	246,755
Total investments	$ 42,974,485	$ 40,609,200
Notes receivable from participants	$ 1,883,169	$ 1,972,300
Interest and dividends	$ 1,449,220	
Interest on notes receivable from participants	$ 78,160	
Net appreciation in fair value of investments	$ 1,693,589	

5 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments include shares of mutual funds and a common collective trust, which are managed by Fidelity Management Trust Company. Fidelity Management Trust Company acted in capacity as Trustee during the year; therefore, these investments qualify as party-in-interest investments. For the year ended December 31, 2016, the Plan paid $173,590 in administrative expenses to Fidelity Management Trust Company for investment management services.

6 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in mutual funds of registered investment companies and a common collective trust. Investment securities are exposed to various risks, such as interest rate, market risks, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7 – TAX STATUS OF THE PLAN

The Plan is based on a prototype plan developed by Fidelity Management & Research Co. which received a favorable opinion letter dated March 31, 2014, from the Internal Revenue Service ("IRS") stating that the prototype plan constitutes a qualified plan under Section 401 of the IRC. The Company believes the Plan, as adopted and amended, is operating within the guidelines of the IRC and continues to be tax exempt. Accordingly, no provision for federal income taxes has been provided in the accompanying financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the DOL or IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2013.
