This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Boxer Property 401(k) Plan ("the Plan"), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States (U.S. GAAP) and whether the supplemental schedules are fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to information prepared and certified to by Empower Retirement Advisory Service, the custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedules as a whole. We understand that the form and content of the information in the financial statements and supplemental schedules, other than that derived from the information certified by Empower Retirement Advisory Service, has been audited by you in accordance with auditing standards generally accepted in the United States of America, and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of January 25, 2018, the following representations made to you during your audit.

6) Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with U.S. GAAP and ERISA Section 3(14) and regulations thereunder.

7) All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.

11) Material concentrations have been properly disclosed in accordance with U.S. GAAP.

12) Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.

13) Guarantees, whether written or oral, under which the Plan is contingently liable, have been properly recorded or disclosed in accordance with U.S. GAAP.

    b) Investments or loans in default or considered to be uncollectible.

    c) Reportable transactions as defined in ERISA Section 103(b)(3)(H) and regulations thereunder.

Information Provided

15) We have provided you with:

    a) Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.

    b) Additional information that you have requested from us for the purpose of the audit.

c) Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

16) All material transactions have been recorded in the accounting records and are reflected in the financial statements.

17) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

18) We have no knowledge of any fraud or suspected fraud that affects the Plan and involves:

a) Management,

b) Employees who have significant roles in internal control, or

c) Others where the fraud could have a material effect on the financial statements.

19) We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

20) We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements, except as disclosed in the financial statements relating to the late remittances.

21) We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.

22) We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.

23) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and all liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.

24) We have no—

a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

b) Intentions to terminate the Plan.

25) Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.

26) The Plan has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

27) The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as follows:

Guaranteed investment contracts: Valued at contract value, which is the relevant measurement attribute for that portion of the net assets available for benefits of a defined-contribution plan attributable to fully

benefit-responsive investment contracts. Contract value is the amount participants would receive upon termination of the contract. The custodian considers contract value to be a reasonable measurement of fair value since liquidation of the entire contract is a contingent event, which cannot be initiated by the plan participants and can only be initiated by the Plan Sponsor upon termination of the Plan or complete termination of the contract The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.

28) All required amendments to and filings of Plan documents with the appropriate agencies have been made. The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the Plan was qualified and the related trust was tax exempt as of the financial statement date.

29) The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan. The Plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

30) We have been made aware that the Plan has not complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan on one occasion in 2016. Plan management is aware of the occurrence and is taking appropriate steps to correct the situation subsequent to year end.

31) The Plan has complied with the fidelity bonding requirements of ERISA..

32) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

33) We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

34) We acknowledge our responsibility for presenting the supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) (collectively, the "supplemental schedules") in accordance with U.S. GAAP and in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We believe the form and content of the supplemental schedules are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The methods of measurement and presentation of the supplemental schedules have not changed from those used in the prior period, and we have disclosed to you any significant assumptions or interpretations underlying the measurement and presentation of the supplemental schedules.
