INDEPENDENT AUDITOR'S REPORT

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis described in Note 1, this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits (modified cash basis) of The Green Mountain Corporation 401(k) Profit Sharing Plan & Trust as of December 31, 2016 and 2015, and the changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2016 in accordance with the modified cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of Statement 1- Line 4i Schedule H – Schedule of Assets (Held at End of Year) (modified cash basis) as of December 31, 2016, referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

THE GREEN MOUNTAIN CORPORATION
401(K) PROFIT SHARING PLAN & TRUST
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2016 AND 2015

NOTE 1 - DESCRIPTION OF THE PLAN AND SIGNIFICANT ACCOUNTING POLICIES

The following description of the The Green Mountain Corporation ("Company") 401(k) Profit Sharing Plan and Trust ("Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

GENERAL - The Plan is a defined contribution plan covering all the full-time employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was restated January 1, 2014, there were no changes to the Plan.

BASIS OF ACCOUNTING - The financial statements of the Plan are prepared on a modified cash basis of accounting receipts and disbursements, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (GAAP). This basis of presentation differs from GAAP in that Employee and Employer contributions are recorded when transferred to the Plan. Benefit payments to participants are recorded upon distribution. Purchases and sales of securities are recorded on a trade-date basis. Dividends and interest are recorded monthly as received. The accompanying financial statements are not intended to present the financial position and results of operations in conformity with accounting principles generally accepted in the United States of America.

CONTRIBUTIONS - Participants may contribute up to 96% of their annual compensation, as defined in the Plan. Participants self-direct the investment of their contributions into various investment options offered by the Plan. The Company contributes a matching contribution of 20% of the elective deferrals, not to exceed 4%, to the Plan.

PARTICIPANT ACCOUNTS - Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings.

VESTING - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service. On termination of service for death or permanent disability a participant becomes vested 100%.

NOTES RECEIVABLE FROM PARTICIPANT- Notes receivable from participants are measured at their unpaid principal balance Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2016 and 2015, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTE 1 - DESCRIPTION OF THE PLAN AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS - On termination of service due to death, disability or retirement, a participant receives a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant receives the value of the vested interest in his or her account as a lump-sum distribution.

INVESTMENT OF CONTRIBUTIONS - The plan provides participants with a sufficient number of reputable investment funds, to allow for the participants to save for retirement with a diversified portfolio that is in accordance with their risk tolerance. As of December 31, 2016 contributions to the Plan may be invested at the participants' discretion in the following Funds:

NOTE 1 - DESCRIPTION OF THE PLAN AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

FORFEITED ACCOUNTS - At December 31, 2016, forfeited accounts were $46. The account will be used to reduce future employer contributions.

ADMINISTRATIVE EXPENSES – There were no administrative costs paid by the plan in 2016. The Employer paid all the administrative expenses.

INVESTMENT VALUATION AND INCOME RECOGNITION – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded. Dividends and interest are reported when received. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

ESTIMATES - The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

NOTE 2 – FAIR VALUE MEASUREMENT ANALYSIS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Topic 820 are described as follows:

Level 1 - The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as: a. Quoted prices for similar assets or liabilities in active markets b. Quoted prices for identical or similar assets or liabilities in inactive markets c. Inputs other than quoted prices that are observable for the asset or liability d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015. Mutual and bond funds are valued at the net asset value, quoted market prices, of shares held by the plan at year-end. Interest bearing cash is valued at cash balances.

NOTE 2 – FAIR VALUE MEASUREMENT ANALYSIS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair market values as of December 31, 2016:

	Total	Level 1	Level 2	Level 3
Cash - interest bearing	$ 346,556	$ 346,556	$ -	$ -
Mutual and bond funds	1,038,699	1,038,699	-	-
Total	$ 1,385,255	$1,385,699	$ -	$ -
