Covanta Environmental Solutions 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Covanta Environmental Solutions 401(k) Plan (f/k/a the Advanced Waste Services, Inc. 401(k) Savings Plan), which comprise the statement of net assets available for benefits as of December 31, 2016, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by T. Rowe Price Trust Company, the trustee, except for comparing such information with the related information included in the 2016 financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of December 31, 2016 and for the year then ended that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these 2016 financial statements.

(Continued)

Other Matters

The statement of net assets available for benefits of Advanced Waste Services, Inc. 401(k) Savings Plan as of December 31, 2015, was reported on by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by Great-West Trust Company, LLC, the trustee. Their report, dated April 9, 2018, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The predecessor auditors' report included an emphasis of matter paragraph, which stated that the 2015 financial statements had been restated to correct errors, and that their opinion was not modified with respect to this matter.

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2016 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2016 financial statements and supplemental schedule, other than that derived from the information certified by T. Rowe Price Trust Company, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

COVANTA ENVIRONMENTAL SOLUTIONS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 1 - DESCRIPTION OF PLAN

The Covanta Environmental Solutions 401(K) Plan (f/k/a the Advanced Waste Services, Inc. 401(k) Savings Plan) (the "Plan") is a defined contribution plan covering substantially all eligible employees of Covanta Environmental Solutions, LLC or its affiliates ("CES" or the "Company"). The Company is the sponsor of the Plan. The Administrative and Investment Committees of the Board of Directors of the Company ("Plan Administrator") control and manage the operation and administration of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). T. Rowe Price Trust Company (the "Trustee") is the Trustee of the Plan.

Participants should refer to the Plan document for a more complete description of the Plan's provisions.

Prior to January 1, 2016 the Plan was sponsored by Advanced Waste Services, Inc. ("AWS"), a subsidiary of the Company. The investment committee of the Plan on behalf of the Board of Directors of AWS transferred sponsorship of the Plan to the Company effective January 1, 2016 and the Plan was also renamed Covanta Environmental Solutions 401(k) Plan. Great-West Trust Company, LLC ("Great-West") served as the trustee of the Plan through December 31, 2015.

Effective November 15, 2016, the Plan was amended to merge the assets of the Chesapeake Waste Solutions, Inc. 401(k) Plan into the Plan. As a result of this merger, net assets in the amount of approximately \$677,000 and notes receivable from participants of approximately \$3,000 were transferred into the Plan.

Participation

An employee of the Company is eligible to participate in the Plan on their date of hire unless they are: a temporary or leased employee with less than 1,000 hours of service in a plan year; a seasonal employee; an intern; a nonresident alien; an employee who is a resident of Puerto Rico or an employee covered by a collective bargaining agreement that does not specifically provide for participation in the Plan.

Contributions

Under the Plan, employees may contribute all or a portion of their eligible annual compensation on a pre-tax or after-tax basis, considering Internal Revenue Service ("IRS") limitations.

Compensation excludes commissions, performance-based bonuses, in addition to any special or irregular payments made to the participant such as hiring bonuses, income which arises from restricted stock awards, amounts realized from the exercise of a non-qualified stock option or amounts realized from the sale, exchange or other disposition of stock acquired under a qualified stock option.

Eligible participants, age 50 or older by December 31, 2016, can make pre-tax or after-tax catch-up contributions to the Plan. These employees can contribute an additional \$6,000 in 2016 to the Plan if, by the end of the Plan year, they have met the IRS salary deferral limit. The catch-up contribution limit may be adjusted for inflation in accordance with Section 414(v) of the Internal Revenue Code (the "Code"). Salary deferral and catch-up contributions can be made concurrently.

(Continued)

COVANTA ENVIRONMENTAL SOLUTIONS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 1 - DESCRIPTION OF PLAN (Continued)

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 4% percent of eligible compensation and their contributions invested in a qualified default investment alternative (QDIA) until changed by the participant. Contributions made under the automatic contribution arrangement will be treated as pre-tax contributions.

The Company matches employees' contributions at a rate of 25% of the first 6% of a participant's eligible annual compensation based on the participant's deferral election (the "Company Match").

In addition to the contributions discussed above, the Company may also make an additional discretionary contribution (the "Company Contribution"), for participants who were actively employed full-time by the Company and part-time employees who completed 1,000 hours of service, provided that the participant was employed by the Company at the end of the year.

A participant's elective contributions, Company Match, and Company Contributions are invested at the direction of the participant.

Vesting

The Plan provides for immediate vesting of all employee contributions, rollover contributions and any investment earnings on these amounts. The Company Match and Company Contribution will vest 20% for each year of service after two years of service. For purposes of vesting in the Company Contribution, a "Year of Service" is a 12- month period beginning on the date of hire and ending on the date of termination of service. The Plan provides for full vesting upon a participant's death, if the participant was an eligible employee at the time of his or her death. Forfeitures of the non-vested portion of the Company Match and Company Contribution are used to offset employer contributions and Plan expenses. During 2016, the Company utilized forfeited amounts totaling approximately \$12,000 to offset employer contributions. At December 31, 2016 and 2015, the balance of unused forfeited amounts available to offset future employer contributions and plan expenses totaled approximately \$7,000 and \$0, respectively.

Administrative Expenses

Administrative expenses of the Plan are paid by either the Plan or the Plan's sponsor as provided in the Plan document.

Notes Receivable from Participants

Loans are made to participants at a minimum of \$1,000 and up to the lesser of (i) 50 percent of the vested balance or (ii) \$50,000 reduced by the highest outstanding balance of loans during the one-year period ending on the day before the date the loan is made. Loans cannot exceed the limitations of the Tax Reform Act of 1986. The maximum repayment period for a loan is 5 years; however, prepayments of the full loan balance are permitted without penalty.

The maximum number of loans outstanding at one time for an employee is two loans. The loans are secured by the balance in the participant's account and bear a rate of interest equal to the prime rate plus 1% on the first business day of the month during which the loan is made.

Loans may not be made from the portion of a participant's account that is attributable to after-tax contributions, however such amounts are included in determining the maximum amount of the loan.

COVANTA ENVIRONMENTAL SOLUTIONS 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2016 and 2015

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company Match, the Company Contribution, and Plan earnings and is charged with his or her withdrawals and an allocation of expenses and losses which are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Employees may elect to invest their contributions among the various investment alternatives offered under the Plan. If a participant fails to make an investment election under the Plan, such participant's account shall be invested in the Plan's default investment fund, which fund is intended to constitute a "qualified default investment alternative (QDIA)" under Department of Labor Regulations.

Payment of Benefits

A participant shall be entitled to a distribution of the vested portion of his or her account upon termination of employment, retirement or death. Benefits shall be payable in single lump sum distributions only. If the value of the participant's vested account balance is greater than \$1,000, but less than \$5,000, and the participant does not elect to have the distribution paid directly to him or to an eligible retirement plan in a direct rollover, the Plan will distribute the participant's account in a direct rollover to an IRA designated by the Plan Administrator. If the value of the participant's vested account balance is greater than \$5,000, a distribution shall be made at the election of the participant. If the value of the participant's vested account balance is \$1,000 or less, the Plan will automatically distribute the participant's entire account as a lump sum cash payment to the participant as soon as administratively practicable unless the participant elects a direct rollover to an eligible retirement plan. The Plan also permits in-service withdrawals upon a participant's attainment of age 59 ½.

A participant may withdraw, at any time, all or any portion of the aggregate amount of his or her rollover account, provided that the minimum amount that may be withdrawn is \$1,000 or, if the rollover account is less than \$1,000, then the entire amount of the rollover account must be withdrawn.

Plan Termination

The Board or the Administrative Committee may amend the Plan at any time. No such amendment, however, may have the effect of diverting to the Company any part of the Plan or of diverting any part of the Plan for any purpose other than for the exclusive benefit of the participants. Likewise, an amendment may not reduce the interest of any participant in the Plan accrued prior to such amendment.

The Board or the Administrative Committee may, however, make such amendment to the extent required to conform the Plan to ERISA or to maintain the continued qualified status of the Plan under the Code.

The Company expects to continue the Plan indefinitely, but reserves the right to suspend contributions or to modify or terminate the Plan at any time. In the event of the Plan's termination, the interest of each participant to benefits accrued to such date, to the extent then funded, is fully vested and non-forfeitable.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Adoption of New Accounting Standard

In May 2015 the Financial Accounting Standards Board issued new guidance that results in removal of investments for which fair value is measured at net asset value (or its equivalent) from the fair value hierarchy. The adoption of this standard had no effect on the Plan's net assets available for benefits or changes therein.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment Valuation

As of December 31, 2016, all investments are carried at fair value. Refer to Note 3 for further details related to the Plan's valuation methods.

As of December 31, 2015, the Plan had a benefit-responsive investment contract with Great-West's general account, which was valued at contract value. The account was credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer was contractually obligated to repay the principal and specified interest rate that was guaranteed to the Plan.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2016 or 2015. Principal and interest is paid ratably through payroll deductions. Participant loan discharges, if any, represent unpaid loan balances written off by the Plan upon participant termination. These amounts are treated as taxable benefits to the participant.

Benefits

Benefits are recorded when paid.

Net Appreciation in Fair Value of Investments

In the statement of changes in net assets available for benefits, the Plan presents the net appreciation in the fair value of investments which consists of the net realized gains (losses) and the net unrealized appreciation (depreciation) on those investments.

Security Transactions and Investment Income

Purchases and sales of securities are recorded on the trade date of the transactions. Dividend income is recorded on the ex-dividend date. Income from other investments is recorded as earned on the accrual basis. Realized gains and losses from security transactions are reported on the average cost method.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes and supplemental schedule. Actual results may differ from those estimates.

NOTE 3 - FAIR VALUE MEASUREMENTS

Fair value is the exit price associated with the sale of an asset or transfer of a liability in an orderly transaction between market participants at the measurement date.

Mutual Funds: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. The collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Assets recorded at fair value are categorized using defined hierarchical levels directly related to the amount of subjectivity associated with the inputs to valuation of an asset. Fair value measurements are determined by maximizing the use of observable inputs and minimizing the use of unobservable inputs.

The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (Level 1 measurements) and gives the lowest priority to unobservable inputs (Level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

Level 1 (unadjusted quoted prices in active markets); Level 2 (observable inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

The following table represents the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis as of December 31, 2016 and 2015:

	Fair Value Measurements as of December 31,			
	2016		2015	
	Quoted Market Prices in Active Markets for Identical Assets		Quoted Market Prices in Active Markets for Identical Assets	
	Total	(Level 1)	Total	(Level 1)
Mutual Funds	\$ 8,919,367	\$ 8,919,367	\$ 6,479,212	\$ 6,479,212
Collective Trust Funds *	60,071	-	-	-
Total Investments, at fair value	<u>\$ 8,979,438</u>	<u>\$ 8,919,367</u>	<u>\$ 6,479,212</u>	<u>\$ 6,479,212</u>

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 4 - UNAUDITED INFORMATION - CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

All investment information disclosed in the accompanying financial statements, including investments held, notes receivable from participants, net realized and unrealized depreciation in fair value of investments, interest (including that earned on notes receivable from participants), and dividends were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by the Trustee. Prior to January 1, 2016, investments and notes receivable from participants were certified to by Great-West. This certified information has not been audited by independent accountants.

NOTE 5 - TAX STATUS

The Plan is a Volume Submitter Plan relying on the IRS Opinion Letter dated March 31, 2014, issued to the Volume Submitter provider, which states that the plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Subsequent to this determination by the IRS, the Plan was amended and restated. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt.

NOTE 5 - TAX STATUS (Continued)

Accounting principles generally accepted in the United States require Plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016 and 2015 there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. The Plan is no longer subject to tax examinations for years prior to 2013.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some party-in-interest transactions are exempt from the prohibited transaction rules under ERISA, including: (i) expenses paid for by the Plan, (ii) the Plan's investments in mutual funds issued by an affiliate of the Plan's trustee, (iii) the collective trusts managed by the Trustee, and (iv) notes receivable from participants.

NOTE 8 - SUBSEQUENT EVENTS

The Company has evaluated all significant activities through July 17, 2018, the date these financial statements were available to be issued, and concluded that no additional subsequent events occurred that would require recognition in the financial statements or disclosure in the notes to financial statements.
