UCI EMPLOYEE 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 - DESCRIPTION OF PLAN

The following description of the UCI Employee 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and Eligibility: The Plan was established as of July 1, 2016. The Plan covers all employees of the United Components LLC (the "Company"), and its affiliates who meet the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is administered by the UCI Retirement Committee.

On June 2, 2016, United Components, LLC filed a voluntary petition for reorganization under Chapter 11 in the U.S. Bankruptcy Court for the District of Delaware. The UCI-FRAM Group Employee 401(k) Savings Plan (the "Prior Plan"), in joint administration with UCI International, LLC, filed a plan of reorganization with related disclosure statement in the US Bankruptcy Court on August 26, 2016. In connection with the reorganization, effective July 1, 2016, the Prior Plan was amended to reflect that the Company and its affiliates, which include Airtex Products, LP, Champion Laboratories, LLC, and ASC Industries, Inc., cease to be adopting employers. The account balances of \$72,099,481 for participants employed by these businesses were transferred to the Plan as of July 1, 2016 in connection with the establishment of the Plan.

Contributions: Each year participants may contribute up to 85% of pretax annual compensation, as defined in the Plan. Participants may also make voluntary contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).. The Plan includes an auto-enrollment provision whereby eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 2% and 5% of eligible compensation for the bargaining and non-bargaining employees, respectively, and their contributions invested in a designated balanced fund until changed by the participant. The Plan is designed to meet the safe harbor requirement.

Non-bargaining employees are entitled to receive an employer matching contribution from their respective employer equal to the first 5% of eligible compensation contributed by the participant. Additional matching contribution is permitted. No such contribution was made in 2017 and 2016. Bargained employees are entitled to receive an employer matching contribution in accordance with the conditions outlined in their applicable collective bargaining agreement.

Participants employed on the last day of the Plan year and worked 1,000 hours are entitled to receive a year-end employer contribution equal to 2% of the participant's compensation. Bargained employees are entitled to receive a year-end employer contribution in accordance with the conditions outlined in their applicable collective bargaining agreement.

Qualified nonelective contributions may be contributed at the option of the Plan's oversight committee. No such contribution was made to the Plan for the year ended December 31, 2017 and for the period from July 1, 2016 to December 31, 2016.

Participant Accounts: Each participant's account is credited with the participant's contributions, the employer matching contributions and the year-end employer contributions and investment income and is charged with withdrawals and an allocation of the Plan earnings and administrative expenses, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant loan fund. Loan terms range from one to five years, except 25 years in the case of a loan used to acquire a dwelling unit that will be used as the principal residence of the participant. The loans are secured by the balance in the participant's account and bear interest at a rate reasonable at the time of application. Principal and interest are repaid through payroll deductions.

Vesting and Payment of Benefits: Participants are vested immediately in their contributions and employer matching contributions plus actual earnings thereon. Vesting in the year-end employer contributions of their accounts is based on years of continuous service. A participant is 100% vested after three years of credited service except former participants from Wells Manufacturing, LP. The Company acquired Wells Manufacturing, LP on July 1, 2015 and those former participants are 100% vested immediately upon meeting the eligibility requirements.

On termination of service, a participant may elect to receive either a lump sum amount equal to the value of the participant's account, or rollover the amount into another eligible form of investment. Withdrawals from participant accounts are permitted in accordance with terms in the Plan document. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Forfeitures: Forfeitures of former participants' non-vested account balances may first be used to pay administrative expenses. Forfeitures of employer contributions that relate to excess amounts that have not been used to pay administrative expenses, shall be applied to reduce employer contributions made after the forfeitures are determined.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

Subsequent Events: Effective January 1, 2018, no year-end employer contributions will be made with respect to non-bargaining employees. Plan management has evaluated other subsequent events for recognition and disclosure through July 24, 2018, which is the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

(Continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits and Administrative Expenses: Benefits are recorded when paid. All Plan expenses are paid by participants unless paid by the Company at its discretion and in accordance with the Plan document. In addition, forfeitures may be applied toward the payment of Plan expenses.

NOTE 3 - TAX STATUS

An application has been filed with The Internal Revenue Service for determination that the Plan, as designed, is in compliance with the applicable requirements of the Code and is currently pending. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to federal income tax examinations for all periods subsequent to its inception.

NOTE 4 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income and interest earned on notes receivable from participants, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company as of December 31, 2017 and 2016 and for the period from July 1, 2016 to December 31, 2017 and Principal Life Insurance Company as of December 31, 2017 and for the year then ended. This information has not been audited by independent accountants.

NOTE 5 - FAIR VALUE MEASUREMENTS

The fair value framework requires categorization of assets and liabilities into three levels based upon the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value; whereas, Level 3 generally requires significant management judgment. The three levels are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Registered Investment Companies: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Units of Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. All of the collective trusts provide for daily redemptions by the Plan at reported net asset values per share, with no advance notice requirement.

Units of Pooled Separate Accounts: The fair values of participation units held in pooled separate accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The pooled separate accounts are restricted to one redemption per 30-day period.

In accordance with the Financial Accounting Standards Board fair value standard, the following table presents the Plan's assets within the fair value hierarchy as of December 31:

	Fair Value Measurements as of December 31, 2017, Using			
	Quoted Prices in Active Markets for Identical Assets Level 1	Significant Other Observable Inputs Level 2	Significant Unobservable Inputs Level 3	Total

*Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. The Plan holds units of pooled separate accounts managed by Principal Life insurance Company (PLIC) and units of collective trust funds managed by Principal Trust Company (PTC) and Principal Global Investors, an affiliate of PLIC. These transactions and the Plan's payment of fees to PLIC and PTC and its affiliates qualify as party-in-interest transactions. Notes receivable from participants also reflect party-in-interest transactions.
