(Employer Federal ID #34-1701025, Plan #001)

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

A. DESCRIPTION OF THE PLAN:

The following description of the Schumacher Homes, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement and summary plan description for a more complete description of the Plan's provisions.

General - Schumacher Homes, Inc. (the "Company" and "Plan Sponsor") established the Schumacher Homes, Inc. 401(k) Plan effective January 1, 1998. The Plan is a defined contribution plan that covers substantially all employees of the Company and its wholly owned subsidiaries who have completed six months of service, excluding union employees, certain nonresident aliens and leased employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Schumacher Homes, Inc. is the Plan's administrator and has appointed Transamerica Life Insurance Company as the Plan's custodian.

Contributions - The Plan's provisions provide for contributions to be made by the participants and the Company. An employee must complete six months of the service to be eligible for elective deferral, discretionary matching contributions and discretionary profit sharing contributions. Employees must be employed on the last day of the Plan year or complete 500 hours of service in order to participate in any discretionary profit sharing contributions.

Employee Deferral Contributions - Each participant is permitted to make elective deferrals up to 100% of their compensation, up to the maximum amount permitted by law, as defined by the Internal Revenue Code. The Company also offers a Roth 401(k) option. Participants who are at least 50 years of age before the end of the Plan year are eligible to make "catch-up" contributions not to exceed the maximum amount allowable per Internal Revenue Code.

Employee Rollover Contributions - Participants may contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Discretionary Matching Contributions - The Company may make discretionary matching contributions. For the year ended December 31, 2017 the Company elected to match 50% of the participants' voluntary contributions to the Plan up to the first 6% of compensation, which resulted in matching contributions of \$441,965, net of forfeitures.

Discretionary Profit Sharing Contributions - The Company has the option to make a discretionary contribution equal to a certain percentage of each eligible participant's compensation. No discretionary contributions were made for the year ended December 31, 2017.

Participant Accounts - Each participant's account is increased, or decreased as appropriate, with (a) the participant's contributions, (b) the Company's contributions, (c) net investment earnings (losses) based on the participant's account balance and composition, (d) administrative expenses, and (e) benefit payments. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments of the Plan are fully participant directed.

Investment Options - Upon enrollment in the Plan, a participant will direct contributions into their accounts into various investment options offered by the Plan and may be changed daily through the use of electronic means. The Plan's investment options include investments with varying degrees of risk that are subject to the volatility of financial markets.

(Employer Federal ID #34-1701025, Plan #001)

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF THE PLAN (CONTINUED):

Notes Receivable From Participants - Participants are permitted to borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The notes are secured by the balance in the participant's account and bear interest at the PRIME rate plus 1.00%. The interest rate charged on notes outstanding as of December 31, 2017 range from 4.25% to 5.25%, which is commensurate with the interest rate charged by local commercial banks for similar loans. Principal and interest is paid ratably through payroll deductions. The maximum number of Plan loans that a participant may have outstanding at any time is one.

Payment of Benefits - Upon termination of service, a participant having a balance of more than \$5,000 may elect to receive either a lump-sum distribution or a direct rollover distribution equal to the value of the participant's vested interest in his or her account. A participant having less than a \$1,000 balance must take a lump-sum distribution. Non-terminated employees may make withdrawals from their elective deferral account balance as a hardship withdrawal prior to reaching normal retirement age. Hardship withdrawals are subject to additional rules and conditions as outlined in the Plan agreement.

Non-terminated employees who have reached age 59 ½ may make withdrawals of up to 100% of their elective deferral, qualified non-elective contribution and qualified matching contribution account balances as an in-service distribution.

Vesting - A participant is fully vested immediately in elective wage deferrals and amounts rolled over from other plans. Vesting for employer matching and discretionary contributions is as follows:

<u>Years of Service</u>	<u>Vesting %</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Forfeited Accounts - Forfeitures which occur pursuant to the provisions of the Plan agreement may be used to pay Plan expenses and reduce employer and/or matching contributions. No forfeitures were used to pay Plan expenses for the year ended December 31, 2017. Forfeitures of \$39,050 were used to reduce matching contributions for the year ended December 31, 2017. As of December 31, 2017, the Plan had approximately \$258 of unallocated forfeitures available which may be used to offset future employer contributions or pay Plan expenses.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting - The Plan's financial statements and the Annual Return/Report of Employee Benefit Plan - Form 5500 have been prepared on the accrual basis of accounting.

SCHUMACHER HOMES, INC. 401(k) PLAN
(Employer Federal ID #34-1701025, Plan #001)

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Valuation of Investments - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the investment advisors, custodian, and insurance company. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Notes Receivable from Participants - Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan agreement.

Excess Contributions Payable - Amounts payable to participants totaling \$23,124 for contributions and earnings in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2017 excess contributions prior to March 15, 2018. There were \$36,217 of excess contributions and earnings related to the 2016 plan year that were distributed in 2017.

Payment of Benefits - Benefits are recorded when paid.

Administrative Costs - Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Certain investment management and other administrative fees are paid directly by the Plan.

Subsequent Events - Plan management has evaluated subsequent events through July 31, 2018, which is the date the financial statements were available to be issued.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

C. INFORMATION PROVIDED BY THE CUSTODIAN:

Information including investments held and notes receivable from participants as shown on the statement of net assets available for benefits, and interest and other income and net appreciation in fair value as shown on the statement of changes in net assets available for benefits as of December 31, 2017 and 2016 and for the year ended December 31, 2017, was prepared by or derived from information provided by Transamerica Life Insurance Company, the custodian of the Plan, and furnished to the plan administrator. The plan administrator obtained certification of this information from the custodian that the information provided to the plan administrator was complete and accurate.

(Employer Federal ID #34-1701025, Plan #001)

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS:

The authoritative accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the authoritative accounting guidance are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs include quoted prices that are observable for the asset or liability and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 or 2016.

Pooled separate accounts - Valued at the net asset value ("NAV") of shares held by the Plan at year end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Stable value option - Valued at contract value based on the beginning balance plus deposits and credited interest, less any withdrawals, charges, or expenses, a measurement which is equal to fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS

E. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

F. INCOME TAX STATUS:

The Plan has adopted a non-standardized, volume submitter plan document sponsored by Sungard Business Systems, LLC. The volume submitter plan obtained a determination letter dated March 31, 2014, in which the Internal Revenue Service stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Therefore, no provision for income taxes has been included in the Plan's financial statements.

The authoritative accounting guidance requires the plan administrator to evaluate uncertain tax positions taken by the Plan. The plan administrator has concluded that as of December 31, 2017, there were no uncertain income tax positions taken or expected to be taken by the Plan. The Plan has not recognized any interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. TRANSACTIONS WITH PARTIES-IN-INTEREST:

Transamerica Life Insurance Company is the custodian of the Plan's investments. Transamerica Life Insurance Company is a party-in-interest of the Plan as defined by ERISA Section 3(14), and accordingly investment transactions in the accounts are parties-in-interest transactions. Certain administrative expenses including legal and accounting fees relating to the maintenance of participant eligibility records are absorbed by the Company.

H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities which are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.
