Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company (Reliance), the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Reliance held the Plan's investment assets and executed investment transactions for the year ended December 31, 2017. The plan administrator has obtained a certification from Reliance as of December 31, 2017 and 2016 and for the year then ended, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2017 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Description of plan

The following description of All State Home Health 401k Plan, (the Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of All State Home Health and its affiliate Home Care of Grand Junction LLC dba Agape Care (collectively, the "Company"), age 21 and over who have completed one year of service with a minimum of 1,000 hours. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by ADP Retirement Services (ADP).

Contributions

Participants may elect to contribute from 1% to 90% of their compensation (as defined by the Plan document) up to a maximum of $18,000 for 2017. Participants who are the age of 50 or more may contribute up to an additional $6,000. Each year the Company will make a decision whether to make a discretionary matching contribution. For 2017 there was no match.

Additional profit sharing amounts may be contributed by the Company on a discretionary basis. For 2017, the Company elected not to make this contribution.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Contributions made by the Company vest as follows:

Years of Credited Service for Vesting	Vesting Percentage
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

Investment options

All of the Plan's accounts are maintained by Reliance Trust Company (Reliance). The investment options consist of a variety of mutual funds and common/collective trusts. Upon enrollment in the Plan, a participant may direct their contributions into any combination of these funds. Thereafter, the participant can change their investment allocations directly with Reliance.

Loans

Participants may borrow up to 50% of their vested account balance, subject to limitations imposed by the Internal Revenue Service (IRS). The minimum loan amount is $500 and the maximum is $50,000. Loans bear a rate of prime plus 2%. The term for the repayment of the loan may not exceed five years unless the loan is used for the purchase of a primary residence in which case the loan term cannot exceed thirty years.

Payment of benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may defer distribution in accordance with the terms of the Plan agreement. For Participants whose account balance is $5,000 or less, the Plan has the option to make a lump-sum cash distribution as soon as administratively practicable following termination of employment.

Forfeited accounts

Forfeited accounts are credited to the Company and may be used to reduce future contributions to the Plan. For 2017 there were no forfeitures.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair value measurements

Accounting Standards Codification (ASC) Topic 820 defines fair value as the price that would be received to sell an asset or liability in an orderly transaction between market participants at a measurement date. It provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value; the three levels of the fair value hierarchy are described below:

Fair value measurements (continued)

Level 1 – Valuations are based on unadjusted quoted prices in an active market for identical assets or liabilities.

Level 2 – Valuations are based on quoted prices for similar assets or liabilities in active markets, or quoted prices in markets that are not active for which significant inputs are observable, either directly or indirectly.

Level 3 – Valuations are based on prices or valuations techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Inputs reflect management's best estimate of what market participants would use in valuing the asset or liability at the measurement date.

Registered investment company assets are measured at fair value and are categorized as Level 1. Common/collective trust assets are measured at net asset value and are categorized as level 2.

Unrealized gains and losses represent the difference between fair value at year end and fair value at the beginning of the year, or purchase price if acquired during the year. Realized gains and losses represent the difference between proceeds received and fair value at the beginning of the year, or purchase price if acquired during the year.

Investments

Funds which include foreign holdings within its portfolio may enter into forward currency and futures contracts and options to reduce exposure to loss due to changes in foreign currency exchange rates and changes in the security price or interest rate.

Payment of benefits

Benefits are recorded when paid.

Plan expense

Plan administrative expenses are paid by the Company.

3. Information certified by Trustee

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as being complete and accurate by Reliance as of and for the year ended December 31, 2017.

	2017	2016
Investments at fair market value	$ 95,508	$ 41,526
Investment income	$ 2,709	
Realized and unrealized gains/losses	$ 8,215	

4. Tax status

The Plan adopted a prototype non-standardized profit sharing plan provided by ADP. The IRS has issued a determination letter, dated July 8, 2014 stating that the form of the prototype plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of employees. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. Plan termination

While it has not expressed any intent to terminate the Plan, the owners of the Company reserve the right to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan all participant accounts become 100% vested.

6. Risks and Uncertainties

The Plan's investments are comprised of various investment securities which are exposed to various risks such as interest rate, market, and credit risk. It is therefore reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

7. Subsequent events

The Company did not have any subsequent events through July 27, 2018, which is the date the financial statements were available to be issued, requiring recording or disclosure in the financial statements for the year ended December 31, 2017.

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Reliance Trust Company (Reliance), the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that Reliance held the Plan's investment assets and executed investment transactions for the year ended December 31, 2017. The plan administrator has obtained a certification from Reliance as of December 31, 2017 and 2016 and for the year then ended, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule of Assets Held for Investment Purposes at End of Year as of December 31, 2017 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Description of plan

The following description of All State Home Health 401k Plan, (the Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of All State Home Health and its affiliate Home Care of Grand Junction LLC dba Agape Care (collectively, the "Company"), age 21 and over who have completed one year of service with a minimum of 1,000 hours. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is administered by ADP Retirement Services (ADP).

Contributions

Participants may elect to contribute from 1% to 90% of their compensation (as defined by the Plan document) up to a maximum of $18,000 for 2017. Participants who are the age of 50 or more may contribute up to an additional $6,000. Each year the Company will make a decision whether to make a discretionary matching contribution. For 2017 there was no match.

Additional profit sharing amounts may be contributed by the Company on a discretionary basis. For 2017, the Company elected not to make this contribution.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Contributions made by the Company vest as follows:

Years of Credited Service for Vesting	Vesting Percentage
Less than 2	0%
At least 2, but less than 3	20%
At least 3, but less than 4	40%
At least 4, but less than 5	60%
At least 5, but less than 6	80%
6 or more	100%

Investment options

All of the Plan's accounts are maintained by Reliance Trust Company (Reliance). The investment options consist of a variety of mutual funds and common/collective trusts. Upon enrollment in the Plan, a participant may direct their contributions into any combination of these funds. Thereafter, the participant can change their investment allocations directly with Reliance.

Loans

Participants may borrow up to 50% of their vested account balance, subject to limitations imposed by the Internal Revenue Service (IRS). The minimum loan amount is $500 and the maximum is $50,000. Loans bear a rate of prime plus 2%. The term for the repayment of the loan may not exceed five years unless the loan is used for the purchase of a primary residence in which case the loan term cannot exceed thirty years.

Payment of benefits

On termination of service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or may defer distribution in accordance with the terms of the Plan agreement. For Participants whose account balance is $5,000 or less, the Plan has the option to make a lump-sum cash distribution as soon as administratively practicable following termination of employment.

Forfeited accounts

Forfeited accounts are credited to the Company and may be used to reduce future contributions to the Plan. For 2017 there were no forfeitures.

2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Fair value measurements

Accounting Standards Codification (ASC) Topic 820 defines fair value as the price that would be received to sell an asset or liability in an orderly transaction between market participants at a measurement date. It provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value; the three levels of the fair value hierarchy are described below:

Fair value measurements (continued)

Level 1 – Valuations are based on unadjusted quoted prices in an active market for identical assets or liabilities.

Level 2 – Valuations are based on quoted prices for similar assets or liabilities in active markets, or quoted prices in markets that are not active for which significant inputs are observable, either directly or indirectly.

Level 3 – Valuations are based on prices or valuations techniques that require inputs that are both unobservable and significant to the overall fair value measurement. Inputs reflect management's best estimate of what market participants would use in valuing the asset or liability at the measurement date.

Registered investment company assets are measured at fair value and are categorized as Level 1. Common/collective trust assets are measured at net asset value and are categorized as level 2.

Unrealized gains and losses represent the difference between fair value at year end and fair value at the beginning of the year, or purchase price if acquired during the year. Realized gains and losses represent the difference between proceeds received and fair value at the beginning of the year, or purchase price if acquired during the year.

Investments

Funds which include foreign holdings within its portfolio may enter into forward currency and futures contracts and options to reduce exposure to loss due to changes in foreign currency exchange rates and changes in the security price or interest rate.

Payment of benefits

Benefits are recorded when paid.

Plan expense

Plan administrative expenses are paid by the Company.

3. Information certified by Trustee

The following information included in the accompanying financial statements was obtained from data that has been prepared and certified as being complete and accurate by Reliance as of and for the year ended December 31, 2017.

	2017	2016
Investments at fair market value	$ 95,508	$ 41,526
Investment income	$ 2,709	
Realized and unrealized gains/losses	$ 8,215	

4. Tax status

The Plan adopted a prototype non-standardized profit sharing plan provided by ADP. The IRS has issued a determination letter, dated July 8, 2014 stating that the form of the prototype plan is acceptable under section 401 of the Internal Revenue Code for use by employers for the benefit of employees. Therefore, no provision for income taxes has been included in the Plan's financial statements.

5. Plan termination

While it has not expressed any intent to terminate the Plan, the owners of the Company reserve the right to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan all participant accounts become 100% vested.

6. Risks and Uncertainties

The Plan's investments are comprised of various investment securities which are exposed to various risks such as interest rate, market, and credit risk. It is therefore reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

7. Subsequent events

The Company did not have any subsequent events through July 27, 2018, which is the date the financial statements were available to be issued, requiring recording or disclosure in the financial statements for the year ended December 31, 2017.
