Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Stow-Glen, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the John Hancock Life Insurance Company, the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certifications from the Custodian as of December 31, 2017 and 2016, and for the year ended December 31, 2017, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. As described in Note 2, the Company has incurred significant operating losses which could limit its ability to retain appropriate financing and to continue as a going concern. The financial statements do not include any adjustments that might be necessary due to this uncertainty.

Report on Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2017 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

STOW-GLEN, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The Stow-Glen, Inc. 401(k) Plan ("Plan") is a defined contribution plan covering eligible employees of Stow-Glen, Inc. ("Company"). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Eligibility – Each full-time employee of the Company becomes eligible to participate in the Plan after completing 90 days of service and attaining 18 years of age.

Contributions – Participants may elect to contribute up to 80% of their eligible compensation to the Plan, subject to Internal Revenue Service ("IRS") limitations. The Plan has a negative election format in which employees are automatically enrolled when they become eligible. Unless otherwise directed by the participant, 3% of eligible compensation is withheld and invested in the Lifestyle Fund - Balanced Portfolio fund. This fund meets Department of Labor guidelines for qualified default investment alternatives. Company contributions are discretionary and are determined annually. No Company contributions were made to the Plan during the year ended December 31, 2017.

Vesting – Participants are always 100% vested in their own contributions plus earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service (0% after year one, 20% each year thereafter).

Payments of Benefits – Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum distribution equal to the value of a participant's vested interest in his or her account. Upon termination of service for reasons other than death, disability or retirement, a distribution of vested amounts will be made as soon as administratively feasible, at the participant's election. The Plan also allows hardship distributions as well as in-service distributions if the requirements set forth by the Plan provisions are satisfied.

The Plan accepts certain transfers from the Stow-Glen Employees' Stock Ownership Trust and Plan ("ESOP") made at the discretion of employees who have been participants under the ESOP for at least ten years and who have attained age 55. During the year ended December 31, 2017, no transfers were made into the Plan from the ESOP under elections made by participants.

Participant Accounts – The Plan maintains an individual account for each participant. Participant accounts are credited with participants' contributions along with an allocation of the discretionary Company contributions, Plan earnings and charged with an allocation of administrative expenses, as defined by the Plan agreement. The benefit to which a participant is entitled is the amount that can be provided from the participant's vested account. Participants direct the investment of their contributions and any Company contributions into the various investment options offered by the Plan.

Forfeitures – Forfeitures are used to offset Company contributions. There were no forfeitures utilized during the year ended December 31, 2017 and none outstanding as of December 31, 2017 or 2016.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Administration – The Company administers the Plan through an agreement with Trinity Pension Consultants ("Trinity") and John Hancock Life Insurance Company ("John Hancock"). Investments are in funds managed and held by John Hancock (the "Custodian"). John Hancock maintains records of investment transactions and participants' accounts, including allocation of contributions, plan earnings, distributions, participant loans, forfeitures and any administrative fees. Trinity administers participant enrollment as well as distribution and loan requests thereby serving as a conduit between the participants and John Hancock.

Administrative Expenses – Administrative expenses are paid by the Plan or the Company at the option of the Company.

Notes Receivable From Participants – The Plan permits limited borrowing by a participant against the value of his or her account to the extent of one-half of a participant's vested account balance under the Plan, not to exceed \$50,000. The minimum loan amount is \$1,000 and only one loan can be outstanding at a time. Loans are to be repaid through payroll deductions in equal per-pay installments, over a period not extending beyond five years from the date of the loan, with the exception of loans used to purchase a principal residence. Repayments of principal and interest are credited to the participants' separate accounts within the funds as elected by the participants. The loans are secured by the balance in the participant's account. Until such repayments are received, the loan receivable is accounted for in the participant loan fund.

Plan Termination – Although it has not expressed any intent to do so, the Company has the right to discontinue or to terminate the Plan subject to the provisions of ERISA. The interest of each participant becomes fully vested at the time of termination and is not subject to forfeiture.

Note 2. Summary of Accounting Policies

- A. Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("generally accepted accounting principles").
- B. Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- C. Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Accounting Policies (Continued)

- D. Risks and Uncertainties – The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
- E. Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- F. Payment of Benefits – Benefits are recorded when paid.
- G. Subsequent Events – The Plan has evaluated subsequent events through August 2, 2018, the date the financial statements were available to be issued.
- H. Emphasis of Matter – The accompanying financial statements have been prepared assuming that the Plan will continue as a going concern. The Company has incurred significant operating losses which could limit its ability to retain appropriate financing and to continue as a going concern. The financial statements do not include any adjustments that might be necessary due to this uncertainty.

Note 3. Unaudited Information

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2017 and 2016, the supplemental schedule at December 31, 2017, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2017 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Party-in-Interest Transactions

Plan investments are held in funds managed by John Hancock. As such, these transactions qualify as party-in-interest transactions. Fees paid to John Hancock for the year ended December 31, 2016 were \$5,495.

Note 5. Federal Income Tax Status

The prototype document on which this Plan is based obtained a determination letter on March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 5. Federal Income Tax Status (Continued)

The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements.

Note 6. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodology used for plan assets measured at fair value:

- The fair value of investments held in the pooled separate accounts are held and managed by John Hancock Life Insurance Company. The fair value of investments held in these accounts is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs, the market value of the underlying investments and classified as Level 2.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. There have been no changes in the methodology used from 2016 to 2017. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
