Independent Auditor's Report

To the Participants and Administrator of the
Tyco International Retirement Savings and Investment Plan VI:

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Tyco International Retirement Savings and Investment Plan VI (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Banco Popular de Puerto Rico, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2016 Financial Statements

The financial statements of the Plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Banco Popular de Puerto Rico, the trustee of the Plan. Their report, dated June 21, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2017

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

TYCO INTERNATIONAL
RETIREMENT SAVINGS AND INVESTMENT PLAN VI
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2017 AND 2016

NOTE 1 - DESCRIPTION OF THE PLAN

The Tyco International Retirement Savings and Investment Plan VI (the “Plan” or “RSIP VI”) is a defined contribution plan sponsored by Tyco International Management Company, LLC (“TIMCO” or “Plan Sponsor”), and is available to certain salaried and non union hourly employees of TIMCO affiliated companies who reside in Puerto Rico (prior to January 1, 2009, the Plan was known as “Tyco International (US) Inc. Retirement Savings and Investment Plan VI (Puerto Rico)”). The Plan became effective February 28, 1998, and in January 2011 the Plan signed an adoption agreement to adopt the Popular Master Plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and the Puerto Rico Internal Revenue Code of 2011, as amended (the “PR Code”). On September 2, 2016, Johnson Controls, Inc. (“JCI Inc.”) and Tyco International plc (“Tyco”), TIMCO's parent company, completed a merger, with JCI Inc. being the surviving corporation in the merger and a wholly owned indirect subsidiary of Tyco. Following the merger, Tyco changed its name to “Johnson Controls International plc.” Selected Plan provisions are described below. Participants should refer to the Plan document and summary plan description for more complete information regarding the terms of the Plan.

ELIGIBILITY

Employees must satisfy the following requirements to participate in the Plan: (i) be employed by an employer that participates in the Plan, (ii) be at least eighteen years old, and (iii) be a resident of Puerto Rico.

CONTRIBUTIONS

Contributions are subject to PR Code limitations. Contributions to the Plan are funded on a per pay-period basis.

Participants' contributions - Participants may contribute a portion of their eligible compensation up to \$15,000 on a pre-tax basis. In addition participants may also contribute up to 10% of eligible compensation on an after-tax basis.

Employer contributions - Certain participant contributions are eligible to receive matching contributions. Additionally, certain employees were eligible to receive “supplemental” matching contributions based on their years of service with TIMCO and its affiliated companies. The level of matching contributions and supplemental matching contributions varies for each participating employer in the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's deferral contributions, employer contributions, and an allocation of earnings or losses, and is charged with participant fees and withdrawals, as applicable. Participants are entitled to the benefit in their respective accounts to the extent vested.

VESTING

Participants are immediately vested in any contributions they make to the Plan plus actual earnings thereon. Vesting with respect to any matching contributions and any associated earnings is based on a participant's years of “vesting service.” Effective January 1, 2002, participants who perform an hour of service on or after that date are fully vested following the completion of three years of vesting service. Any participant who performs an hour of service after January 1, 2002 and is covered under a former employer's graded vesting schedule will become 100% vested after three years of vesting service, regardless of the prior employer's graded vesting schedule.

FORFEITURES

Upon termination of employment for reasons other than a distributable event, nonvested contributions are forfeited at the time of termination. Forfeitures may be used to reduce employer contributions or to pay Plan expenses. During the year ended December 31, 2017, the Plan used \$14,221 to pay Plan expenses. During the year ended December 31, 2016, the Plan did not use any forfeitures to pay Plan expenses. As of December 31, 2017 and 2016, forfeited accounts totaled \$5,974 and \$20,114, respectively.

TYCO INTERNATIONAL
RETIREMENT SAVINGS AND INVESTMENT PLAN VI
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2017 AND 2016

INVESTMENT OPTIONS

Plan participants are able to direct the investment of their Plan holdings (employer and employee contributions) into various investment options offered under the Plan on a daily basis.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants are allowed to borrow from their Plan accounts. The minimum amount that a participant may borrow is \$1,000. The maximum amount that a participant may borrow is the lesser of: (i) 50% of the participant's vested account balance; or (ii) \$50,000 less the highest loan balance outstanding in the previous twelve months. Participants are allowed to have two loans outstanding at a time. Loans are adequately secured by the participant's account balance and bear a reasonable interest rate. Loans are repaid through payroll deductions, with interest rates on active loans ranging from 4.25% to 5.25% at December 31, 2017 and 2016.

Notes receivable from participants are measured at their unpaid principal balance. No allowance for credit losses has been recorded at December 31, 2017 or 2016.

PAYMENT OF BENEFITS

Upon termination of service, death, disability or retirement, a participant will receive a lump sum distribution equal to the participant's vested interest in his or her account in accordance with the terms of the Plan document.

ADMINISTRATIVE EXPENSES

At the present time, some of the expenses of administering the Plan, including the fees of the Plan trustee, consultants and auditor expenses, but excluding certain loan fees, hardship withdrawal fees and Qualified Domestic Relations Order processing fees, are paid by TIMCO and its affiliated employers and/or from Plan forfeitures. The costs associated with certain investment options, such as management fees, brokerage fees and transfer taxes, are deducted from the assets of the investment options and are generally assessed as a percentage of assets invested.

PLAN ADMINISTRATION

The Plan is administered by the Retirement Plans Investment Committee of Johnson Controls International plc. Banco Popular de Puerto Rico maintains the participant accounts as trustee and recordkeeper of the Plan.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PRESENTATION

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The Plan records the net appreciation (depreciation) in the fair value of investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on the investments for those investments held by the Plan. Expenses for participant loans and hardship withdrawals

RETIREMENT SAVINGS AND INVESTMENT PLAN VI
NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2017 AND 2016

are allocated on a participant basis. Other expenses that are offset against forfeitures are specifically charged to the Plan, as applicable. Certain investment management fees are offset against investment income.

Accounting Standards Codification ("ASC") 820, "Fair Value Measurement," defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. ASC 820 also establishes a three-level fair value hierarchy that prioritizes information used in developing assumptions when pricing an asset or liability as follows:

- Level 1:* Observable inputs such as quoted prices in active markets;
- Level 2:* Inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3:* Unobservable inputs where there is little or no market data, which requires the reporting entity to develop its own assumptions.

ASC 820 requires the use of observable market data, when available, in making fair value measurements. When inputs used to measure fair value fall within different levels of the hierarchy, the level within which the fair value measurement is categorized is based on the lowest level input that is significant to the fair value measurement.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investment held by the Plan.

Mutual Funds: The fair value for Mutual Funds is determined by direct quoted market prices. Mutual funds are open-ended investments that obtained proper registration from the Securities and Exchange Commission. The funds publish daily their Net Asset Value ("NAV") after the close of trading on regulated financial exchanges. The NAV represents the current market value of the fund's holdings after deducting the fund's liabilities.

Time Deposit Account: The time deposit account is considered a cash equivalent and approximates its carrying value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

BENEFIT PAYMENTS

Benefit payments to participants are recorded when distributed.

DATE OF MANAGEMENT'S REVIEW

Management has evaluated subsequent events through August 24, 2018, the date which the financial statements were available to be issued.

NOTE 3 - INVESTMENT CERTIFICATION

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Banco Popular de Puerto Rico, the trustee of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and notes receivable from participants and related activity in the accompanying statements of net assets available for benefits as of December 31, 2017 and December 31, 2016, the statement of changes in net assets available for benefits for the year ended December 31, 2017 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2017.

NOTE 4 - INCOME TAX STATUS

The Plan has adopted a Popular Master Plan, Master Defined Contribution Retirement Plan, sponsored by Banco Popular de Puerto Rico on August 1, 2012. On June 3, 2016, the Plan received an opinion letter from the Puerto Rico Department of Treasury that

NOTES TO THE FINANCIAL STATEMENTS
YEARS ENDED DECEMBER 31, 2017 AND 2016**

the Plan meets the requirements of Section 1081.01 of the PR Code, and the regulations thereunder, and that the trust established thereunder will be entitled to exemption from local income taxes.

Accounting principles generally accepted in the United States require plan management to evaluate tax positions taken by the Plan. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits and there are currently no audits for any tax periods in progress.

NOTE 5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to amend or terminate the Plan subject to the provisions of the Plan and ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 6 - RELATED PARTIES AND PARTIES-IN-INTEREST TRANSACTIONS

Transactions involving participant loans and the funds administered by Banco Popular de Puerto Rico, trustee of the Plan, are considered party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29 CFR 408(b) of the ERISA regulations.

NOTE 7 - RISK AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investments and the sensitivity of certain fair value estimates to changes in valuation assumptions, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Plan participants direct the investment of their Plan holdings into various investment options offered under the Plan and solely bear the risk of loss associated with the investment securities in which they are invested.
