To the Plan Administrator of the
American Rock Salt Company 401(k) Plan
5520 Route 63
P.O. Box 190
Mount Morris, New York 14510

This letter is to inform the Plan Administrator of the American Rock Salt Company 401(k) Plan (the Plan) about significant matters related to the conduct of the Plan's audit for the year ended December 31, 2017 so that it can appropriately discharge its oversight responsibility, and we can comply with our professional responsibilities.

The following summarizes various matters that must be communicated to you under auditing standards generally accepted in the United States of America.

The Respective Responsibilities of the Auditor and Management
Our responsibility under auditing standards generally accepted in the United States of America has been described to you in our arrangement letter dated March 6, 2017. The audit of the financial statements does not relieve management or those charged with governance of their responsibilities, which are also described in that letter.

Overview of the Planned Scope and Timing of the Financial Statement Audit
We have issued a separate communication dated March 6, 2017 regarding the planned scope and timing of our audit and have discussed with you our identification of and planned audit response to significant risks of material misstatement.

Significant Accounting Practices, Including Policies, Estimates and Disclosures
Under generally accepted accounting principles, in certain circumstances, management may select among alternative accounting practices. In our view, management has selected the preferable accounting practice.

Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan's. Following is a description of a significant new accounting policy adopted during the Plan year:

- In May 2015, the FASB issued ASU 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent)*. This ASU removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using net asset value (NAV) per share as a practical expedient. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the NAV per share practical expedient. This ASU is effective for all Plan years beginning December 15, 2016. This ASU is effective January 1, 2017. Adoption of this ASU had no impact on the Plan's financial statements.

We did not identify any significant or unusual transactions or significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

We noted no sensitive accounting estimates relating to the financial statements of the Plan.

We have audited your financial statements and we did not note any issues related to the neutrality, consistency, and clarity of the disclosures in the financial statements.

Audit Adjustments
There were no significant audit adjustments made to the original financial information presented to us to begin our audit.

Uncorrected Misstatements
We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.

Other Information in Documents Containing Audited Financial Statements
Our responsibility for other information in documents containing the Plan's audited financial statements is to read the information and consider whether its content or manner of its presentation is materially inconsistent with the financial information covered by our auditor's report or whether it contains a material misstatement of fact. We read the Plan's Form 5500 filing for consistency with information in the financial statements. We have provided our comments to management. We are not aware of other documents that contain the audited financial statements. We did not identify material inconsistencies with the audited financial statements.

Supplemental Schedule
With respect to the supplemental schedule accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the method of preparing it had not changed from the prior period, and the information is appropriate and complete.

Disagreements With Management
We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

Consultation With Other Accountants
We are not aware of any consultations management had with other accountants about accounting or auditing matters.

Significant Issues Discussed or Subject to Correspondence With Management
No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Significant Difficulties Encountered in Performing the Audit
We did not encounter any significant difficulties in dealing with management during the audit.

Management Representations
Attached is a copy of the management representation letter.

Current Developments
Attached is a copy of current industry developments.

Closing
We will be pleased to respond to any questions you have about the foregoing. We appreciate the opportunity to continue to be of service to the American Rock Salt Company 401(k) Plan.

This report is intended solely for the information and use of the Plan Administrator and management and is not intended to be, and should not be, used by anyone other than these specified parties.

This representation letter is provided in connection with your audits of the financial statements of the American Rock Salt Company 401(k) Plan (the Plan) which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016 and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

We have determined that the plan trustee, Fidelity Management Trust Company, qualifies to issue a certification of the Plan's asset activity under section 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations. Therefore, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to asset information certified by Fidelity Management Trust Company, other than comparing that information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule as a whole.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves that as of August 23, 2018:

a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters.

b. Additional information that you have requested from us for the purpose of the audit.

c. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.

e. All correspondence, filings, reports, and determinations with the Internal Revenue Service (IRS) and the DOL relating to the Plan's compliance with ERISA and the maintenance of its tax-exempt status.

g. All minutes of the meetings of the Plan's Administrative Committee, or summaries of actions of recent meetings for which minutes have not yet been prepared.

15. All transactions have been recorded in the accounting records and are reflected in the financial statements. In this regard, the Plan Sponsor's management designated an individual with sufficient skills, knowledge, and experience to oversee the financial statement preparation process and to take responsibility for the results of the financial statement preparation services. This individual performed a detailed review of the financial statements consisting of the following procedures:

    - Reconciliation of the trust activity and participant statements to the financial statements.
    - Review of the adequacy of financial statement disclosures.
    - Review and approval of schedules and calculations supporting the amounts included in the notes to the financial statements.
    - Applying analytical procedures to financial statements.

16. We have disclosed to you the results of our assessment of risk that the financial statement may be materially misstated as a result of fraud.

17. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan involving:

    a. Management or employees who have significant roles in the internal control.

    b. Others where the fraud could have a material effect on the financial statements.

18. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

19. We are not aware of any pending or threatened litigation and claims whose effects should be considered when preparing the financial statements, and neither we, nor the Plan Sponsor, or others acting on behalf of the Plan, have consulted a lawyer concerning litigation and claims or other matters affecting the Plan.

20. We have disclosed to you the identity of the Plan's related parties and parties in interest and all the related-party and party-in-interest relationships and transactions of which we are aware.

21. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize, and report financial data.

22. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.

25. There have been no communications, whether written or oral, from regulatory agencies concerning non-compliance or deficiencies in the operation of the plan.

26. We have complied with *(a)* all aspects of contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, *(b)* the fidelity bonding requirements of ERISA, *(c)* all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and *(d)* the filing requirements of appropriate agencies.

27. We have complied with the DOL's regulations concerning the timely remittance of participants contributions to trusts containing assets for the plan.

28. We are aware of DOL Regulation 29 CFR Section 2510.3-102, which states that contributions withheld from participant wages should be contributed to the Plan as of the earliest date on which such contributions can be reasonably segregated from the employer's general assets, but in no event later than the 15th business day of the month following the month in which they are withheld. We believe the Plan and plan sponsor are and have been in compliance with the DOL provisions including the timely remittance of participant contributions for the year ended December 31, 2017. We believe our procedures for segregating and depositing contributions withheld from participant wages were in compliance with this regulation during the period covered by your audit. We understand that others, including the IRS or DOL, may view our circumstances differently and arrive at another conclusion.

29. We have disclosed to you all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements.

30. The Plan adopted a volume submitter plan document. The volume submitter plan has received an opinion letter from the Internal Revenue Service, dated March 31, 2014 as to the plan's qualified status. We believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

31. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Report for Fidelity Workplace Services LLC description of its Defined Contribution Recordkeeping System dated December 6, 2017 for the period ended October 31, 2017 and we believe all applicable controls are properly designed and implemented, and operating effectively.

32. There are no:

    a. Nonexempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule.

    b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedule.

    c. Reportable transactions that were not disclosed in the supplemental schedule.

33. We certify that for the period from January 1, 2017 to the date of this letter, there has/have been no, except as disclosed to you:

    - Mergers related to the Plan.
    - Partial Plan termination.
    - Changes in Plan trustees or Plan Administrator.
    - Changes in service providers.
    - Additional company contributions attributable to the Plan year.

34. During the course of your audits, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing this information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's assets and executes transactions. The Plan Administrator has obtained certifications from the trustee as of December 31, 2017 and 2016, and for the year ended December 31, 2017, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of Opinion
Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter
The supplemental schedule of assets (held at end of year) as of December 31, 2017 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. The supplemental schedule is the responsibility of the Plan's management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations
The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Note 1 Description of the Plan

The following description of the American Rock Salt Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a participant-directed defined contribution retirement plan established to provide retirement benefits for all full-time employees of American Rock Salt Company LLC (the Company) who have completed three months of service and attained age 18. Eligible employees will automatically have 3% of their compensation withheld each pay period and contributed to the Plan as a salary deferral and they may enter a salary deferral agreement at any time to select an alternative deferral amount or elect not to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration

Fidelity Management Trust Company (Fidelity) serves as the trustee and recordkeeper of the Plan.

Contributions

The Plan provides for elective pre-tax deferrals in an amount not to exceed the statutory limitation as provided for under the Internal Revenue Code (IRC). Non-union participants receive a 60% employer matching contribution up to the first 6% of their annual compensation. For unionized employees, the Plan provides for a minimum Company contribution of 1% of participant's annual compensation (the Minimum Company Contribution), including employees who choose not to defer earnings. Union participants receive a 60% employer matching contribution up to the first 6% of their annual compensation, reduced by the Minimum Company Contribution.

As of February 1, 2018, Non-union and Union participants receive a 60% employer matching contribution up to the first 10% of their annual compensation.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company contributions and Plan earnings (losses) and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Note 1 **Description of the Plan - Continued**

Vesting
Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions plus earnings thereon is based on years of continuous services as follows:

Years of Service	Vesting
1	20%
2	40%
3	60%
4	80%
5	100%

Union employees are immediately vested in the 1% Minimum Company Contribution.

Forfeited balances of terminated participant's non-vested accounts are used to reduce administrative expenses and Company contributions. At December 31, 2017 and 2016, there was a forfeiture account balance of $27,726 and $16,842, respectively. During 2017, $8,437 of non-vested forfeitures were used to offset administrative expenses.

Payment of Benefits
The Plan provides for normal retirement benefits in the form of lump sum distributions upon reaching the age of 65 and has provisions for early retirement, disability, death and termination benefits for those participants who are eligible to receive such benefits. Withdrawals for hardship, upon attainment of age 59½, and distributions out of rollover contributions are permitted by the Plan, provided the participant is still employed by the Company at that time.

Notes Receivable from Participants
Participants may borrow from their account a minimum of $1,000 up to a maximum loan amount equal to the lesser of $50,000, reduced by the highest outstanding loan balance for the previous 12 months, or 50% of their vested account balance. Loan terms range from one to five years, except for the purchase of a primary residence which may exceed five years. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus one. Principal and interest is paid through payroll deductions.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Note 2 Summary of Significant Accounting Policies

Basis of Accounting
The financial statements of the Plan are prepared under the accrual basis of accounting.

New Accounting Standards
In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent).* The ASU removed the requirement to categories within the fair value hierarchy all investments for which fair value is measured using net asset value (NAV) per share as a practical expedient. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the NAV per share practical expedient. This ASU is effective January 1, 2017. Adoption of this ASU had no impact on the Plan's financial statements.

Subsequent Events
In preparing the financial statements, management has evaluated events and transactions for potential recognition or disclosure through August 23, 2018, the date that the financial statements were available to be issued.

Notes Receivable from Participants
Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

Benefit Payments
Benefits are recorded when paid.

Administrative Expenses
All expenses of administering the Plan may be paid by the Plan, unless elected to be paid by the Company.

Use of Estimates
The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties
The Plan invests in investment securities which are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with these investments, it is at least reasonably possible that changes in their values will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 3 **Investment Valuation and Income Recognition**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Plan follows the fair value measurement guidance required by accounting principles generally accepted in the United States of America for financial and nonfinancial assets and liabilities. This guidance defines fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered Investment Companies: These investments are valued using the NAV provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

Money Market Fund: Valued at the NAV of shares held by the Plan at year end.

Note 3 **Investment Valuation and Income Recognition - Continued**

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

	Investments at Fair Value as of December 31, 2017		
	Level 1	**Level 2**	**Total**
Money Market Fund	**$ 176,089**	**$ -**	**$ 176,089**
Registered Investment Companies	**18,546,169**	**-**	**18,546,169**
	$ 18,722,258	**$ -**	**$ 18,722,258**

	Investments at Fair Value as of December 31, 2016		
	Level 1	**Level 2**	**Total**
Money Market Fund	$ -	$ 404,197	$ 404,197
Registered Investment Companies	15,248,959	-	15,248,959
	$ 15,248,959	$ 404,197	$ 15,653,156

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 4 **Certified Information**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity, the trustee of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of December 31, 2017 and 2016, the schedule of assets (held at end of year) as of December 31, 2017, and the related investment activity (including interest and dividend income and net appreciation in fair value of investments) and interest income on notes receivable from participants reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2017.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Note 5 **Federal Tax Status**

The Plan adopted a volume submitter profit sharing plan sponsored by Fidelity. Fidelity received its latest determination letter, dated March 31, 2014, from the Internal Revenue Service (IRS) regarding the volume submitter plan. In the determination letter, the IRS stated that the volume submitter profit sharing plan is in compliance with the applicable requirements of the IRC. The volume submitter profit sharing plan's opinion letter has been relied upon by the Plan. The Plan Administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 **Transactions with Parties-in-Interest**

Certain Plan investments are managed by Fidelity. Fidelity is the Plan trustee and, therefore, transactions involving these investments qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

Note 7 **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants have a fully vested interest in their accounts and their accounts will be paid to them as provided by the plan document.
