The MANN+HUMMEL 401(k) Plan

Notes to Financial Statements

Note A—Description of Plan

The following description of The MANN+HUMMEL 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution retirement plan which covers all employees of MANN+HUMMEL USA, Inc. (the “Company”) who are at least 20 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 85% of annual compensation, as defined in the Plan agreement, up to the maximum amount allowed by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants may also make Roth contributions on an after-tax basis. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company matches 100% of the first 3% of compensation contributed by the employee plus 50% of the next 3% of compensation contributed by an employee. The Plan also provides for discretionary profit-sharing contributions. The Company did not make any discretionary profit-sharing contributions for 2017 or 2016. In addition, the Plan is a safe harbor plan and utilizes safe harbor provisions in its compliance testing. Company contributions are invested as directed by the participant.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s safe harbor matching contribution, allocation of the Company’s discretionary profit-sharing contribution (when made) and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

The MANN+HUMMEL 401(k) Plan

Notes to Financial Statements (continued)

Note A—Description of Plan (continued)

Vesting

Participants are immediately vested in their contributions and employer safe harbor matching contributions plus actual earnings thereon. Company contributions other than safe harbor matching contributions plus actual earnings thereon are subject to a five year vesting schedule.

Notes Receivable from Participants

Participants may borrow from their account balance a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. The interest rate currently in use in the Plan ranges from 4.25% to 5.50%. Principal and interest are paid ratably through payroll deductions. Loans must be repaid within five years unless used for the purchase of a principal residence, in which case the loan must be repaid within 30 years.

Payment of Benefits

Participants are eligible for Plan distributions upon reaching the age of 65, termination of employment, retirement, total or permanent disability, or death. Participants may elect to receive a lump sum amount equal to the value of the participant's vested interest in their account, or monthly installments not to extend beyond the life expectancy of the participant. If a terminated participant's account balance is less than \$5,000, the Plan reserves the right to immediately make a lump-sum distribution. Participants who have reached age 59½ may take in-service withdrawals. Hardship withdrawals are also available to participants with certain types of immediate and heavy financial need.

Forfeitures

Forfeitures resulting from the nonvested portions of accounts of participants who terminate employment prior to being fully vested may be used to reduce the Company's future contributions or to pay Plan expenses. Forfeitures used to reduce Company contributions were \$62,205 and \$0 in 2017 and 2016, respectively. At December 31, 2017 and 2016, forfeited nonvested accounts totaled \$1,240 and \$56,224, respectively.

The MANN+HUMMEL 401(k) Plan

Notes to Financial Statements (continued)

Note B—Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect the reported amounts of Plan assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and the trustee. See Note D for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. Delinquent participant loans are recorded as distributions in accordance with the terms of the Plan.

The MANN+HUMMEL 401(k) Plan

Notes to Financial Statements (continued)

Note B—Summary of Accounting Policies (continued)

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events

Subsequent events were evaluated through August 21, 2018, which is the date the financial statements were available to be issued.

Note C—Certification of Information by the Trustee

Fair value of investments, investment income and the information included in the supplemental schedule of assets held for investment purposes at end of year were derived from data certified by Reliance Trust Company, the trustee of the Plan.

The MANN+HUMMEL 401(k) Plan

Notes to Financial Statements (continued)

Note D—Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits, as follows:

	Quoted Prices in Active Markets for Identical Assets (Level 1)	Total
December 31, 2017		
Mutual funds	\$ 23,729,680	\$ 23,729,680
Investments measured at net asset value	—	10,308,971
Total investments at fair value	<u>\$ 23,729,680</u>	<u>\$ 34,038,651</u>
December 31, 2016		
Mutual funds	\$ 18,467,843	\$ 18,467,843
Investments measured at net asset value	—	8,377,718
Total investments at fair value	<u>\$ 18,467,843</u>	<u>\$ 26,845,561</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of quoted prices for similar assets in active markets, quoted prices for identical or similar assets in inactive markets or other observable inputs, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The MANN+HUMMEL 401(k) Plan

Notes to Financial Statements (continued)

Note D—Fair Value Measurements (continued)

The following valuation methodologies were used to measure the fair value of the Plan's assets:

Level 1—Fair Value Measurements

The fair value of mutual funds is based on the closing price reported in the active market where the individual securities are traded, when available.

Investments Measured at Net Asset Value

Common/collective trusts (CCTs) are valued at the net asset value (NAV) of the shares held by the Plan at year-end. NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. NAV is based on the fair value of the underlying investments held by the funds. The practical expedient is not used when it is determined to be probable that the funds will sell the investment for an amount different than the reported NAV. The CCTs provide for daily redemptions by the Plan at reported NAV with no advance notice requirement, and have no unfunded commitments.

Note E—Related Party Transactions and Party in Interest Transactions

Certain plan investments are in common/collective trusts managed by Reliance Trust Company (Reliance), the trustee of the Plan. These transactions qualify as party in interest transactions. Fees paid by the Plan to the trustee for investment management fees were included as a reduction of the return earned on each fund. Reliance receives revenue from mutual funds and common collective trust fund service providers for services Reliance provides to the funds. This revenue is used to offset certain amounts owed to the trustees or others for administrative services provided to the Plan. During 2017 and 2016, revenue sharing income of \$16,354 and \$14,307, respectively, was received by the Plan. During 2017 and 2016, revenue sharing used to pay administrative fees of the Plan totaled \$7,450 and \$10,441, respectively. At December 31, 2017, \$34,736 of revenue sharing funds were available for the Plan's future use.

The MANN+HUMMEL 401(k) Plan

Notes to Financial Statements (continued)

Note F—Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the employer discretionary profit-sharing contributions, plus actual earnings thereon.

Note G—Income Tax Status

The Plan is a prototype plan. The prototype plan has received a favorable opinion letter from the Internal Revenue Service that the Plan, as designed, is in compliance with the applicable sections of the IRC. The Plan has not sought its own determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Note H—Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
