Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 2, which was certified by Mid Atlantic Trust Company, the Custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the Custodian as of January 16, 2018 and December 31, 2017 and for the periods then ended, that the information provided to the plan administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Emphasis of Matter

As discussed in Note 1 to the financial statements, Plan management approved an amendment to reorganize the U.S. qualified defined contribution plans that resulted in the merger of the Plan into the Cubic Corporation 401(k) Retirement Plan, effective January 16, 2018.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Description of the Plan	<p>The following description of the GATR Technologies 401K Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement or Summary Plan Document for a more complete description of the Plan’s provisions.</p>
<i>General</i>	<p>The Plan is a defined contribution plan sponsored by Cubic Corporation (the “Company”) for the benefit of GATR Technologies’ full-time employees who have three months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).</p> <p>The Plan is administered by the Company’s Benefits Committee (“Committee”). The Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the board of directors.</p>
<i>Plan merger</i>	<p>Cubic Corporation acquired GATR Technologies, Inc. in February 2016 and, as the result of the acquisition, the Plan’s assets were transferred into the Cubic Corporation 401(k) Retirement Plan effective January 16, 2018. The trustee to trustee asset merger resulted in approximately \$8,800,482 in assets being transferred out of the Plan.</p>
<i>Eligibility</i>	<p>Employees shall become a participant in the Plan on the first day of each Plan quarter coincident with or next following the date he attains age 18 and he completes three months of Eligibility Service. This excludes part-time employees, leased employees, independent contractors, self-employed individuals, non-resident aliens, & employees covered by collective bargaining.</p>
<i>Contributions</i>	<p>Each participant may contribute up to 100% of their annual pre-tax W-2 wages, subject to an annual limitation imposed by the Plan Committee and the Internal Revenue Service (“IRS”) regulations. Contributions withheld are invested in accordance with the participants’ direction.</p> <p>The Company contributes a Safe Harbor matching contribution of 100% of the first 3% of base compensation and 50% of the next 2% of base compensation that a participant contributes to the Plan (“Matching Contributions”). The Company also, in its sole discretion, may make a discretionary Profit Sharing Contribution to the Plan.</p>

GATR Technologies 401K Plan

Notes to Financial Statements

Contributions, cont'd

In order to receive Matching Contributions and any employer Profit Sharing Contributions, participants must meet the Plan's eligibility requirements and must be employed on the last day of the Plan year. The Company made no Matching Contributions or Profit Sharing Contributions for the period ended January 16, 2018.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified employer-sponsored retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with the participants' direction and the Plan's provisions.

Participant investment account options

The Plan offers 33 mutual funds as investment options for the participants to choose from.

Participant accounts

Each participant's account is credited with the participant's contributions, the Company Matching Contributions, the Company's Profit Sharing Contributions (if any), rollovers and transfers from other plans and allocations of Plan earnings or losses including market value adjustments on Plan investments. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Notes receivable from participants

Notes shall be made available to all qualifying participants on a reasonably equivalent basis. The Plan allows participants to borrow against their vested balances. Notes are not to be made for less than \$1,000 and are not to exceed the lesser of \$50,000 or 50% of a participant's vested balance, unless the participant was affected by specified events. A participant may not have more than one note outstanding at any time. Notes are secured by the balance in the participant's account. Notes terms range from one to five years unless the participant is affected by specified events, in which case the note repayment may be delayed by one year, or unless the note is for the purchase of principal residence. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant notes are reclassified as distributions based upon the terms of the Plan agreement. Interest on notes receivable from participants is accrued and paid every pay period. There were no outstanding notes at January 16, 2018.

Benefit payments

Upon termination of service due to death, disability, or retirement, participants (or beneficiaries) may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. For termination of service for other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution.

GATR Technologies 401K Plan

Notes to Financial Statements

<i>Vesting</i>	Participants are immediately vested in their employee contributions, rollover contributions, and employer Matching Contributions. Profit Sharing Contributions vest 20% after two complete years of service, as defined in the Plan agreement, and an additional 20% for each complete year of service thereafter until fully vested.
<i>Forfeited accounts</i>	According to the Plan agreement, forfeitures may be used to reduce plan expenses and future employer contributions. For the period ending January 16, 2018, no forfeited nonvested accounts were used to reduce employer contributions. There were no forfeited nonvested accounts at January 16, 2018.
<i>Administrative expenses</i>	The Plan's administrative costs and expenses are paid by the Plan and the Company. In 2018, no expenses were paid by the Plan.
2. Summary of Significant Accounting Policies	A summary of the Plan's significant accounting policies applied in the preparation of the accompanying financial statements are as follows:
<i>Basis of accounting</i>	The Plan uses the accrual basis of accounting in conformity with U.S. generally accepted accounting principles ("GAAP").
<i>Use of estimates</i>	The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenses during the reporting period. Actual results could differ from estimates.
<i>Investment valuation and income recognition</i>	<p>Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment custodian. See Note 3 for discussion of fair value measurements.</p> <p>Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.</p>
<i>Payment of benefits</i>	Benefits are recorded when paid.

Notes to Financial Statements

Administrative expenses

Certain expenses of the Plan are paid by the Company and are not included in the statements of changes in net assets available for benefits. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

Information prepared and certified by the custodian (Unaudited)

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mid Atlantic Trust Company, the custodian of the Plan, has certified that the following data included in the accompanying financial statements are complete and accurate with respect to investments:

- Investments at fair value
- Net appreciation (depreciation) in fair value of investments
- Dividends
- Interest income on notes receivable from participants

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

3. Fair Value of Investments

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, "*Fair Value Measurement*", are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in inactive markets; inputs other than quoted market prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

GATR Technologies 401K Plan

Notes to Financial Statements

3. Fair Value of Investments, Cont'd

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at January 16, 2018 and December 31, 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of January 16, 2018 and December 31, 2017.

Investments as of January 16, 2018

	Level 1	Level 2	Level 3	Total
Mutual funds	\$ -	\$ -	\$ -	\$ -
Total investments in fair value hierarchy	\$ -	\$ -	\$ -	\$ -
Total investments			\$ -	\$ -

Investments as of December 31, 2017

Notes to Financial Statements

-
- 4. Tax Status** The IRS has determined and informed the Company by letter dated March 31, 2014, that the Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code (“IRC”). Although the Plan has been amended since receiving the determination letter, the Benefits Committee believes that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the IRC.

- 6. Pending Distributions** There were no pending distributions at January 16, 2018.
- 7. Risk and Uncertainties** The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risk.
