PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Pitt Ohio Express, LLC Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan document for a complete description of the Plan's provisions.

General - The Plan is a qualified, defined contribution plan covering eligible employees of Pitt Ohio Express, LLC and certain affiliates (collectively, Companies). The Plan provides for both participant and employer contributions. Participant contributions are participant-directed, while employer contributions are directed by the Investment Committee. Upon reaching the age of 55, participants may direct their investment in employer contributions. Employees become eligible for elective deferrals after completing three months of service and the attainment of 20-1/2 years of age. Employees of Pitt Ohio Express, LLC and certain affiliates become eligible for matching or nonelective employer profit sharing contributions after completing one-half year of service and attainment of 20-1/2 years of age. Additionally, employees must be employed on the last day of the Plan year to receive the matching or nonelective employer profit sharing contribution. The Plan document was amended and restated as of January 1, 2016 and January 1, 2017. These amendments clarified eligible compensation and use of forfeitures, respectively.

Plan Contributions - The Plan provides for participant contributions, nonelective employer matching contributions and nonelective employer profit-sharing contributions for certain companies. Participants may contribute up to the maximum percentage or dollar amount permissible under the Internal Revenue Code (IRC). Once eligible, participants automatically have 3% deducted from their compensation as a contribution to the Plan unless they affirmatively elect not to participate in the Plan. Additionally, unless the participant changes his/her deferral percentage, the withholding will increase by 1% annually up to a maximum of 10%. Nonelective employer profit sharing contributions are subject to approval by the Board of Directors of the Companies and limitations established by the IRC. The nonelective employer profit sharing contribution is allocated to each participant's account based on the ratio of the participant's eligible compensation to the total eligible compensation of all eligible participants. There was a 4% nonelective employer profit sharing contribution in 2017 approximating \$6,943,000. The Companies did not make a nonelective employer matching contribution during 2017. In addition, participants over the age of 50 are permitted an additional "catch-up" contribution. All contributions are subject to certain Internal Revenue Service (IRS) limitations.

Rollover Contributions - Participants are allowed to make rollover contributions (contributions transferred to the Plan from other qualified retirement plans), subject to certain requirements.

Participant Accounts - Each participant's account is credited with the participant's contributions, employer's contributions, earnings thereon and a share of forfeitures of terminated participants' nonvested accounts. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant compensation or account balances as defined above. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeited Accounts - The nonvested balance of a terminated participant's account is allocated to the existing participants' accounts in the same manner as nonelective employer profit sharing contributions or used for Plan expenses.

Vesting - A participant is fully vested in his/her contributions and earnings thereon at all times. A participant who terminates employment is entitled to a benefit with respect to nonelective employer matching and profit sharing contributions and earnings thereon based on the following vesting schedule:

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

NOTE 1 - DESCRIPTION OF PLAN (Continued)

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years but less than 3	20%
3 years but less than 4	40%
4 years but less than 5	60%
5 years but less than 6	80%
6 years or more	100%

A participant becomes 100% vested upon disability or death. A participant's fully vested benefit is payable upon death.

Notes Receivable from Participants - Participants may borrow the lesser of 1) 50% of their vested balances credited to their deferral and rollover account, or 2) \$50,000 less the highest outstanding balance of all notes during the 12 months prior to the time the new note receivable is issued. Additionally, the minimum amount borrowed cannot be less than \$1,000. All notes have a five-year maximum repayment period and bear interest at the prime lending rate (at the time of the loan as published in the Wall Street Journal) plus 1%. All notes are secured by the balance in the participant's account. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits - Upon termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of significant accounting policies consistently applied by the Plan's administrator in the preparation of the accompanying financial statements follows:

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investments - Investments are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. (See Note 8 for discussion of fair value measurement.)

Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded as earned on an accrual basis. The net appreciation in the fair value of investments consists of the realized gains and losses and the unrealized appreciation on these investments during the year. Dividends are recorded on the ex-dividend date.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits - Benefit payments are recorded when paid.

Notes Receivable From Participants - Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Forfeitures - Forfeitures will be allocated to eligible participants to reduce profit sharing contributions or used to offset Plan expenses. Approximately \$149,000 and \$104,000 of nonvested terminated participant accounts were forfeited during the years ended December 31, 2017 and 2016, respectively. Amounts reallocated during the year may be related to amounts forfeited in prior years. As a matter of practice, such amounts are typically reallocated to participants in the subsequent calendar year.

Expenses - Certain investment management service fees and administrative expenses of the Plan are paid from Plan assets, while others are paid for by Pitt Ohio Express, LLC. These amounts are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan administrator evaluated subsequent events through September 5, 2018, the date on which the financial statements were available to be issued, for possible recognition or disclosure in the financial statements. Effective September 6, 2018, the Plan will change the custodian (Great-West) and the record-keeper (Empower) to Massachusetts Mutual.

NOTE 3 - INFORMATION CERTIFIED BY THE PLAN TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest income on notes receivable from participants, interest and dividends for the year ended December 31, 2017, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Great-West Trust Company, LLC (Great-West), the trustee of the Plan.

NOTE 4 - PLAN TERMINATION

Although they have not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon complete or partial termination of the Plan, participants will become 100% vested in their accounts.

NOTE 5 - INCOME TAX STATUS

The Plan has been designed under the provisions of a Great-West volume submitter profit sharing plan. The IRS has determined and informed Great-West, by a letter dated March 31, 2014, that the prototype plan utilized by the Plan is designed in accordance with applicable sections of the IRC. The Plan is operating in reliance on the volume submitter plan opinion letter. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC, and therefore believes that the Plan is qualified and the related trust is tax-exempt.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

NOTE 5 - INCOME TAX STATUS (Continued)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that, as of December 31, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2014.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities that are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - RELATED-PARTY TRANSACTIONS

The Plan Sponsor paid approximately \$520,000 to a related party in 2017 for investment management and participant education services.

NOTE 8 - FAIR VALUE MEASUREMENT

The Plan discloses the category of assets and liabilities measured at fair value into one of three different levels, depending on the assumptions (i.e., inputs) used in the valuation. Level 1 provides the most reliable measure of fair value, whereas Level 3 generally requires significant management judgment. Financial assets and liabilities are classified in their entirety based on the lowest level of input significant to the fair value measurement.

The fair value hierarchy is defined as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in inactive markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Money Market Fund - Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Registered Investment Companies - Valued at the daily closing price as reported by the fund. Registered investment companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Collective Investment Funds - Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. There are no unfunded commitments at December 31, 2017 and 2016, and the investment can be redeemed without restriction.

The Plan's assets at fair value as of December 31 set forth by level, within the fair value hierarchy are as follows:

	2017			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 272,620	-	-	\$ 272,620
Registered investment companies	95,242,596	-	-	95,242,596
Total assets in the fair value hierarchy	\$ 95,515,216	-	-	95,515,216
Investments measured at net asset value (a)				148,611,475
Investments at fair value				\$ 244,126,691

PITT OHIO EXPRESS, LLC PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017 AND 2016

NOTE 8 - FAIR VALUE MEASUREMENT (Continued)

	2016			
	Level 1	Level 2	Level 3	Total
Money market fund	\$ 222,743	-	-	\$ 222,743
Registered investment companies	76,569,221	-	-	76,569,221
Total assets in the fair value hierarchy	\$ 76,791,964	-	-	76,791,964
Investments measured at net asset value (a)				127,676,638
Investments at fair value				\$ 204,468,602

- (a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The Plan evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2017 or 2016, there were no significant transfers in or out of Levels 1, 2 or 3.
