Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2017 Financial Statements

Our responsibility is to express an opinion on the 2017 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2017 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Nationwide Trust Company, FSB, the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the Custodian as of December 31, 2017 and for the year ended December 31, 2017, that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion on the 2017 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2017 financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2016 Financial Statements

The financial statements of the Plan as of December 31, 2016 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the Custodian. Their report, dated October 27, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements, and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the Custodian, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content of the 2017 Financial Statements in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

NOTE 1 – PLAN DESCRIPTION

The following description of the USI 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Summary Plan Description and the Plan Document for a more complete description of the Plan's provisions.

General – The Plan was established on January 1, 2000 and covers substantially all employees of U.S. Imaging, Inc. and its participating employers, East Side Surgery Center; Fort Bend Surgery Center; National Associates of Sleep; US Anesthetic Services, PA; FBSC Premier Plastic Surgery Group, LLC; and Radical Firearms, LLC, (collectively "the Employer" or "the Company"). The Plan was amended and restated effective January 1, 2016 to comply with current law. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code ("IRC").

Plan Custodian and Trustee – Nationwide Trust Company, FSB ("Nationwide" or the "Custodian") is the Custodian maintaining custody of all investments held by the Plan, maintaining the Plan's participant account balances, and providing record-keeping services to the Plan. Among other duties, the Custodian receives contributions, holds and invests the fund assets in accordance with the directions of participants, and makes distributions as directed by the Plan Administrator. An officer of the Company serves as Trustee of the Plan.

Eligibility – Employees are eligible to participate in the Plan after the employee has reached 18 years of age and completed three months of service. Eligible employees are permitted to enter the Plan on the first day of the Plan year or first day of the seventh month of the Plan year coinciding with or next following the date eligibility requirements are satisfied.

Participant Contributions – All eligible participants may elect to defer on a pre-tax or Roth basis, up to 100% of their compensation, through payroll deductions. Participant contributions are subject to certain limitations under the IRC. Each participant's annual contribution shall not exceed the maximum amount allowed for deferral under the IRC, which is $18,000 for 2017. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions of up to $6,000 for 2017. Participants direct the investment of their contributions into various investment options offered by the Plan

Rollover Contributions – Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employer Contributions – The Company may make discretionary matching contributions per pay period, to be determined by the Employer. During 2017, the Employer made discretionary matching contributions to all participants in an amount equal to 25% of the employee's contribution.

The Employer may make profit sharing contributions. Under the Plan, these profit sharing contributions are allocated among eligible participants based on their annual compensation. No discretionary profit sharing contributions were made to the Plan in 2017.

Participant Accounts – Each participant's account is credited with the participant's contributions and the Company's matching contributions as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Allocations are based on participant compensation or account balances, as defined.

NOTE 1 – PLAN DESCRIPTION – continued

Vesting – Participants are always 100% vested with respect to all elective contributions and related earnings. Employer matching contributions and employer discretionary profit sharing contributions and related earnings vest as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined monthly, is set at 1% above the Prime rate, as defined. The loans are repaid ratably through at least quarterly payroll deductions over a period of five years or less for a general loan, and up to fifteen years from the date of the loan used for the purchase of a primary residence. Participants may have one loan outstanding at any given time.

Payment of Benefits – Participants may elect payment of benefits upon retirement, death, disability, or termination of employment. Participants or beneficiaries are entitled to receive a lump sum amount equal to the vested value of the participant's account. Participants may defer receipt of distribution until a later date unless their account balance is $5,000 or less. If the vested account balance is $5,000 or less, the Company will direct the Custodian to distribute the vested account balance to the participant, without consent, into an IRA for their benefit.

A participant may withdraw all or a portion of their vested account balance in the event of a financial hardship, as defined by the Plan. Additionally, in-service withdrawals are permitted upon attainment of age 59 ½.

Forfeitures – At December 31, 2017 and 2016, forfeited nonvested accounts totaled $1,468 and $4,498, respectively. These accounts will be used to reduce future employer contributions. Also, in 2017, employer contributions were reduced by $11,393 from forfeited nonvested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates – The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in those assets and liabilities, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Payment of Benefits – Benefits payments are recorded when paid.

Administrative Expenses – Certain expenses incurred maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Certain expenses specifically incurred by, or attributable to, a participant will be paid from that participant's account. Plan expenses could include, but are not limited to, costs to process loans and Plan distributions.

Recent Accounting Pronouncements – Recent accounting pronouncements issued by the Financial Accounting Standards Board ("FASB") or other authoritative standards groups with future effective dates are either not applicable or are not expected to be significant to the Plan's financial statements.

Subsequent Events – The Plan has evaluated all events and transactions that occurred through July 29, 2018, the date these financial statements were issued.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

- **Level 1** – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access at the measurement date.

- **Level 2** – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- **Level 3** – Inputs that are unobservable inputs for the assets or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

NOTE 3 – FAIR VALUE MEASUREMENTS – continued

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and are classified within Level 1 of the fair value hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

	Investments, at Fair Value as of December 31, 2017

NOTE 4 – INFORMATION CERTIFIED BY CUSTODIAN (UNAUDITED)

As permitted by the rules and regulations of the DOL with respect to reporting and disclosure under ERISA, the Plan's Custodian, has certified to the Plan's Administrator that the following data included in the accompanying financial statements and supplemental schedule as of December 31, 2017 and 2016 and for the year ended December 31, 2017 are complete and accurate:

December 31,	2017	2016
Investments, at fair value	$ 5,228,893	$ 4,338,905

Year Ended December 31,	2017
Net appreciation in fair value of investments	$ 736,636

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information with the related information included in the financial statements and supplemental schedule.

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by the Custodian, therefore these transactions qualify as party-in-interest transactions as defined by ERISA. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. There have been no known prohibited transactions with parties-in-interest. As described in Note 2, the Plan paid certain expenses related to plan operations and investment activity to service providers.

NOTE 5 – RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS – continued

The Plan has notes receivable from participants at December 31, 2017 and 2016. As a result, these receivables and all transactions relating to these receivables qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 7 –TAX STATUS

The Company adopted a standardized volume submitter type plan (the "Volume Submitter Plan") sponsored by Alliance Benefit Group of Houston Inc. The IRS informed the volume submitter sponsor by letter dated September 30, 2014 that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of Section 401 of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified and that the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Plan management believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Because of the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
