INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Premier Home Health Care Services, Inc.
Union 401(k) Plan
White Plains, New York

Report on the financial statements

We were engaged to audit the accompanying financial statements of the Premier Home Health Care Services, Inc. Union 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the basis for disclaimer of opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for disclaimer of opinion

As permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of December 31, 2017 and 2016 and for the year ended December 31, 2017, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of opinion

Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other matter

The supplemental schedules of assets held at end of year and reportable transactions as of and for the year ended December 31, 2017 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on form and content in compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PREMIER HOME HEALTH CARE SERVICES, INC. UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

1. DESCRIPTION OF PLAN:

The following brief description of The Premier Home Health Care Services, Inc. Union 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective March 1, 2014 with a special effective deferral date beginning March 1, 2015, is a defined contribution 401(k) plan covering eligible union employees, of Premier Home Health Care Services, Inc. (the Company) under the 1199SEIU United Healthcare Workers East collective bargaining agreement with the 1199 SEIU United Healthcare Workers East who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Initial entry date into the Plan is the first day of each month after the participant has completed the necessary eligibility requirements. The Administration committee is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Eligible plan participants may contribute up to 100% of eligible pre-tax compensation as defined by the Plan, subject to annual IRS limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides a contribution based on the Union agreed upon contractual formula of 25 cents (36 cents effective November 2017) per hour worked annually by eligible employees as defined in the collective bargaining agreement.

Participant accounts

Each participant's account is credited with the participant's contribution, allocations of the company contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid for by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are directed by the Plan participants.

1. DESCRIPTION OF PLAN (continued):

Vesting

Participants are immediately vested in their salary reduction contributions and rollover accounts plus actual earnings thereon. Vesting in Company contributions plus actual earnings thereon are based on years of continuous service. Such contributions, if any, vest in accordance with the Plan's vesting schedule wherein 100% vesting is achieved after three years of service and a minimum of 1,000 hours per year, as defined by the plan document.

Notes receivable from participants

Participant employees are allowed to borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000, reduced by the outstanding balance of any existing loans, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Only two loans are permitted at a time. Interest rate is at prime plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years.

Payment of benefits

Benefit payments are made upon normal retirement, death, disability or termination of service. The benefits are paid in a lump-sum payment or distributed in installments in accordance with the Plan document. In addition the Plan allows hardship withdrawals, and if the participant has reached age 59 and ½, in-service distributions are also permitted. The Plan has a mandatory cash out provision if the participant terminates employment and his vested account balance does not exceed $5,000.

Forfeited accounts

Forfeitures result from a participant's termination of service prior to achieving full vesting in the Company's contributions. Such forfeitures are transferred out of the participant's account and are held in a separate account. Forfeitures may be used at the discretion of the Company to reduce the Company' discretionary contribution and to offset plan expenses. At December 31, 2017 there was a balance of $14,615 in the forfeited non-vested account.

1. DESCRIPTION OF PLAN (continued):

Investment options

The assets of the Plan are allocated to the various investment funds at the direction of the participant. Upon enrollment, a participant may direct his or her 401(k) contributions in their chosen increments in any of the various investment options offered by Wells Fargo Bank, N.A.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets of the Plan will be allocated as prescribed by ERISA and regulations pursuant thereto.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting methods

Net assets available for benefits and changes in net assets available for benefits differ from that reported on IRS Form 5500, *Annual Return/Report of Employee Benefit Plans*. This difference is the result of using the cash basis for governmental reporting purposes and the accrual basis for financial reporting purposes. See Note 6 for a reconciliation of the financial statements to Schedule H of Form 5500.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net investment income.

Adoption of new accounting pronouncement

In May, 2015, the FASB issued ASU 2015-07, "*Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per share (or its Equivalent)*". The amendments in this ASU remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as a practical expedient. The purpose of this new ASU is to eliminate the diversity in the way in which investments measured using net asset value per share as a practical expedient are classified in the fair value hierarchy.

This ASU is effective for fiscal years beginning after December 15, 2016 for all non-public entities, with early adoption permitted. The amendments are to be applied retrospectively. Management has elected to early adopt the amendments of this ASU. Such adoption is preferable, as it eliminates diversity in reporting, as described above. The adoption has no effect on the net assets available for benefits and changes in net assets available for benefits as of and for the year ended December 31, 2016.

3. INFORMATION CERTIFIED BY WELLS FARGO BANK, N.A.:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The Trustee, Wells Fargo Bank, N.A. has supplied the plan's administrator with a certification as to the completeness and accuracy of all information regarding investment assets, notes receivable from participants, transactions, and income presented in the statements of net assets available for benefits as of December 31, 2017 and 2016 and the statement of changes in net assets available for benefits for the year ended December 31, 2017 and the supplemental schedule of assets held at end of year as of December 31, 2017.

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

4. FAIR VALUE MEASUREMENTS (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled common and collective trust funds: The fair value of the pooled common and collective trust funds is based on the net asset value (NAV) reported by each fund as provided by the investment manager, as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled common and collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no transfers or reclassification of investments between levels within the fair value hierarchy during the year ended December 31, 2017.

4. FAIR VALUE MEASUREMENTS (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at fair value as of December 31, 2017			
Description	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	$7,880,454	$ -	$ -	$ 7,880,454
Total assets in the fair value hierarchy	7,880,454	-	-	7,880,454
Investments measured at net asset value (a):				
Pooled common and collective trust funds	-	-	-	256,132
	$7,880,454	$ -	$ -	$ 8,136,586

	Assets at fair value as of December 31, 2016			
Description	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	$ 3,781,870	$ -	$ -	$ 3,781,870
Total assets in the fair value hierarchy	3,781,870	-	-	3,781,870
Investments measured at net asset value (a):				
Pooled common and collective trust funds	-	-	-	168,439
	$ 3,781,870	$ -	$ -	$ 3,950,309

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (continued):

Investments Measured Using the Net Asset Value per Share Practical Expedient

In accordance with the fair value measurements and disclosure guidelines; the following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair value	Unfunded commitments	Frequency (if currently eligible)	Redemption notice period
December 31, 2017				
Pooled common and collective trust funds	$ 256,132	n/a	Daily	30 days
December 31, 2016				
Pooled common and collective trust funds	$ 168,439	n/a	Daily	30 days

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, the employer and certain others.

Certain Plan investments are shares of mutual funds managed by Wells Fargo Bank, N.A. ("Wells Fargo"). Wells Fargo is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in investment gains, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to third party administrators of $513,442 in 2017 which was not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

The Plan makes loans to participants and therefore, these transactions qualify as party-in-interest.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2017	2016
Net assets available for benefits per the financial statements	$ 11,463,259	$ 7,292,331
Employer contribution receivable	(3,267,992)	(3,322,209)
Participants' contributions receivable	(14,894)	(10,296)
Net assets available for benefits per Schedule H of Form 5500	$ 8,180,373	$ 3,959,826

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2017
Change in net assets available for benefits per the financial statement	$ 4,170,928
Change in employer contribution receivable	54,217
Change in participants' contributions receivable	(4,598)
Change in net assets available for benefits per Schedule H of the Form 5500	$ 4,220,547

7. TAX STATUS:

The Plan has adopted a volume submitter plan of its record keeper, the Wells Fargo Bank, N.A Defined Contribution Volume Submitter Plan and Trust. The Internal Revenue Service (IRS) has determined and informed the record keeper that the Plan is qualified, and the trust established under the Plan is tax exempt under the appropriate sections of the Internal Revenue Code.

Although the Plan has been amended since receiving the initial determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore no provision for income taxes has been included in the Plan's financial statements.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. DISTRIBUTIONS PAYABLE:

At December 31, 2017 and 2016, net assets available for Plan benefits included $599,624 and $454,243, respectively, for distributions to participants who have withdrawn from the Plan prior to the end of the Plan year but have not requested distributions from the Plan, or the request had not been approved and processed for payment prior to year-end.

10. ADMINISTRATION OF PLAN ASSETS:

The Plan's assets are held by an investment firm-administered trust fund. Contributions are held and managed by the investment firm Wells Fargo which invested cash received, valued Plan assets and made distributions to participants. At December 31, 2017, the assets of the Plan, with the exception of participant loans, were held by Wells Fargo.

11. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through September 6, 2018, which is the date the financial statements are available for issuance, and have determined that there are no subsequent events that require disclosure under accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Premier Home Health Care Services, Inc.
Union 401(k) Plan
White Plains, New York

Report on the financial statements

We were engaged to audit the accompanying financial statements of the Premier Home Health Care Services, Inc. Union 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the basis for disclaimer of opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for disclaimer of opinion

As permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of December 31, 2017 and 2016 and for the year ended December 31, 2017, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of opinion

Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other matter

The supplemental schedules of assets held at end of year and reportable transactions as of and for the year ended December 31, 2017 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on form and content in compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PREMIER HOME HEALTH CARE SERVICES, INC. UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

1. DESCRIPTION OF PLAN:

The following brief description of The Premier Home Health Care Services, Inc. Union 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective March 1, 2014 with a special effective deferral date beginning March 1, 2015, is a defined contribution 401(k) plan covering eligible union employees, of Premier Home Health Care Services, Inc. (the Company) under the 1199SEIU United Healthcare Workers East collective bargaining agreement with the 1199 SEIU United Healthcare Workers East who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Initial entry date into the Plan is the first day of each month after the participant has completed the necessary eligibility requirements. The Administration committee is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Eligible plan participants may contribute up to 100% of eligible pre-tax compensation as defined by the Plan, subject to annual IRS limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides a contribution based on the Union agreed upon contractual formula of 25 cents (36 cents effective November 2017) per hour worked annually by eligible employees as defined in the collective bargaining agreement.

Participant accounts

Each participant's account is credited with the participant's contribution, allocations of the company contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid for by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are directed by the Plan participants.

1. DESCRIPTION OF PLAN (continued):

Vesting

Participants are immediately vested in their salary reduction contributions and rollover accounts plus actual earnings thereon. Vesting in Company contributions plus actual earnings thereon are based on years of continuous service. Such contributions, if any, vest in accordance with the Plan's vesting schedule wherein 100% vesting is achieved after three years of service and a minimum of 1,000 hours per year, as defined by the plan document.

Notes receivable from participants

Participant employees are allowed to borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000, reduced by the outstanding balance of any existing loans, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Only two loans are permitted at a time. Interest rate is at prime plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years.

Payment of benefits

Benefit payments are made upon normal retirement, death, disability or termination of service. The benefits are paid in a lump-sum payment or distributed in installments in accordance with the Plan document. In addition the Plan allows hardship withdrawals, and if the participant has reached age 59 and ½, in-service distributions are also permitted. The Plan has a mandatory cash out provision if the participant terminates employment and his vested account balance does not exceed $5,000.

Forfeited accounts

Forfeitures result from a participant's termination of service prior to achieving full vesting in the Company's contributions. Such forfeitures are transferred out of the participant's account and are held in a separate account. Forfeitures may be used at the discretion of the Company to reduce the Company' discretionary contribution and to offset plan expenses. At December 31, 2017 there was a balance of $14,615 in the forfeited non-vested account.

1. DESCRIPTION OF PLAN (continued):

Investment options

The assets of the Plan are allocated to the various investment funds at the direction of the participant. Upon enrollment, a participant may direct his or her 401(k) contributions in their chosen increments in any of the various investment options offered by Wells Fargo Bank, N.A.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets of the Plan will be allocated as prescribed by ERISA and regulations pursuant thereto.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting methods

Net assets available for benefits and changes in net assets available for benefits differ from that reported on IRS Form 5500, *Annual Return/Report of Employee Benefit Plans*. This difference is the result of using the cash basis for governmental reporting purposes and the accrual basis for financial reporting purposes. See Note 6 for a reconciliation of the financial statements to Schedule H of Form 5500.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net investment income.

Adoption of new accounting pronouncement

In May, 2015, the FASB issued ASU 2015-07, "*Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per share (or its Equivalent)*". The amendments in this ASU remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as a practical expedient. The purpose of this new ASU is to eliminate the diversity in the way in which investments measured using net asset value per share as a practical expedient are classified in the fair value hierarchy.

This ASU is effective for fiscal years beginning after December 15, 2016 for all non-public entities, with early adoption permitted. The amendments are to be applied retrospectively. Management has elected to early adopt the amendments of this ASU. Such adoption is preferable, as it eliminates diversity in reporting, as described above. The adoption has no effect on the net assets available for benefits and changes in net assets available for benefits as of and for the year ended December 31, 2016.

3. INFORMATION CERTIFIED BY WELLS FARGO BANK, N.A.:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The Trustee, Wells Fargo Bank, N.A. has supplied the plan's administrator with a certification as to the completeness and accuracy of all information regarding investment assets, notes receivable from participants, transactions, and income presented in the statements of net assets available for benefits as of December 31, 2017 and 2016 and the statement of changes in net assets available for benefits for the year ended December 31, 2017 and the supplemental schedule of assets held at end of year as of December 31, 2017.

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

4. FAIR VALUE MEASUREMENTS (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled common and collective trust funds: The fair value of the pooled common and collective trust funds is based on the net asset value (NAV) reported by each fund as provided by the investment manager, as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled common and collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no transfers or reclassification of investments between levels within the fair value hierarchy during the year ended December 31, 2017.

4. FAIR VALUE MEASUREMENTS (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at fair value as of December 31, 2017			
Description	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	$7,880,454	$ -	$ -	$ 7,880,454
Total assets in the fair value hierarchy	7,880,454	-	-	7,880,454
Investments measured at net asset value (a):				
Pooled common and collective trust funds	-	-	-	256,132
	$7,880,454	$ -	$ -	$ 8,136,586

	Assets at fair value as of December 31, 2016			
Description	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	$ 3,781,870	$ -	$ -	$ 3,781,870
Total assets in the fair value hierarchy	3,781,870	-	-	3,781,870
Investments measured at net asset value (a):				
Pooled common and collective trust funds	-	-	-	168,439
	$ 3,781,870	$ -	$ -	$ 3,950,309

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (continued):

Investments Measured Using the Net Asset Value per Share Practical Expedient

In accordance with the fair value measurements and disclosure guidelines; the following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair value	Unfunded commitments	Frequency (if currently eligible)	Redemption notice period
December 31, 2017				
Pooled common and collective trust funds	$ 256,132	n/a	Daily	30 days
December 31, 2016				
Pooled common and collective trust funds	$ 168,439	n/a	Daily	30 days

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, the employer and certain others.

Certain Plan investments are shares of mutual funds managed by Wells Fargo Bank, N.A. ("Wells Fargo"). Wells Fargo is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in investment gains, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to third party administrators of $513,442 in 2017 which was not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

The Plan makes loans to participants and therefore, these transactions qualify as party-in-interest.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2017	2016
Net assets available for benefits per the financial statements	$ 11,463,259	$ 7,292,331
Employer contribution receivable	(3,267,992)	(3,322,209)
Participants' contributions receivable	(14,894)	(10,296)
Net assets available for benefits per Schedule H of Form 5500	$ 8,180,373	$ 3,959,826

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2017
Change in net assets available for benefits per the financial statement	$ 4,170,928
Change in employer contribution receivable	54,217
Change in participants' contributions receivable	(4,598)
Change in net assets available for benefits per Schedule H of the Form 5500	$ 4,220,547

7. TAX STATUS:

The Plan has adopted a volume submitter plan of its record keeper, the Wells Fargo Bank, N.A Defined Contribution Volume Submitter Plan and Trust. The Internal Revenue Service (IRS) has determined and informed the record keeper that the Plan is qualified, and the trust established under the Plan is tax exempt under the appropriate sections of the Internal Revenue Code.

Although the Plan has been amended since receiving the initial determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore no provision for income taxes has been included in the Plan's financial statements.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. DISTRIBUTIONS PAYABLE:

At December 31, 2017 and 2016, net assets available for Plan benefits included $599,624 and $454,243, respectively, for distributions to participants who have withdrawn from the Plan prior to the end of the Plan year but have not requested distributions from the Plan, or the request had not been approved and processed for payment prior to year-end.

10. ADMINISTRATION OF PLAN ASSETS:

The Plan's assets are held by an investment firm-administered trust fund. Contributions are held and managed by the investment firm Wells Fargo which invested cash received, valued Plan assets and made distributions to participants. At December 31, 2017, the assets of the Plan, with the exception of participant loans, were held by Wells Fargo.

11. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through September 6, 2018, which is the date the financial statements are available for issuance, and have determined that there are no subsequent events that require disclosure under accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee of
The Premier Home Health Care Services, Inc.
Union 401(k) Plan
White Plains, New York

Report on the financial statements

We were engaged to audit the accompanying financial statements of the Premier Home Health Care Services, Inc. Union 401(k) Plan, which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the basis for disclaimer of opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for disclaimer of opinion

As permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A., the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of December 31, 2017 and 2016 and for the year ended December 31, 2017, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Disclaimer of opinion

Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other matter

The supplemental schedules of assets held at end of year and reportable transactions as of and for the year ended December 31, 2017 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the basis for disclaimer of opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on form and content in compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

PREMIER HOME HEALTH CARE SERVICES, INC. UNION 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2017

1. DESCRIPTION OF PLAN:

The following brief description of The Premier Home Health Care Services, Inc. Union 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which became effective March 1, 2014 with a special effective deferral date beginning March 1, 2015, is a defined contribution 401(k) plan covering eligible union employees, of Premier Home Health Care Services, Inc. (the Company) under the 1199SEIU United Healthcare Workers East collective bargaining agreement with the 1199 SEIU United Healthcare Workers East who are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Initial entry date into the Plan is the first day of each month after the participant has completed the necessary eligibility requirements. The Administration committee is responsible for oversight of the Plan, including the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Eligible plan participants may contribute up to 100% of eligible pre-tax compensation as defined by the Plan, subject to annual IRS limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Company provides a contribution based on the Union agreed upon contractual formula of 25 cents (36 cents effective November 2017) per hour worked annually by eligible employees as defined in the collective bargaining agreement.

Participant accounts

Each participant's account is credited with the participant's contribution, allocations of the company contribution and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid for by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All investments are directed by the Plan participants.

1. DESCRIPTION OF PLAN (continued):

Vesting

Participants are immediately vested in their salary reduction contributions and rollover accounts plus actual earnings thereon. Vesting in Company contributions plus actual earnings thereon are based on years of continuous service. Such contributions, if any, vest in accordance with the Plan's vesting schedule wherein 100% vesting is achieved after three years of service and a minimum of 1,000 hours per year, as defined by the plan document.

Notes receivable from participants

Participant employees are allowed to borrow a minimum of $1,000 up to a maximum equal to the lesser of $50,000, reduced by the outstanding balance of any existing loans, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing rates as determined by the Plan Administrator. Only two loans are permitted at a time. Interest rate is at prime plus 1%. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years.

Payment of benefits

Benefit payments are made upon normal retirement, death, disability or termination of service. The benefits are paid in a lump-sum payment or distributed in installments in accordance with the Plan document. In addition the Plan allows hardship withdrawals, and if the participant has reached age 59 and ½, in-service distributions are also permitted. The Plan has a mandatory cash out provision if the participant terminates employment and his vested account balance does not exceed $5,000.

Forfeited accounts

Forfeitures result from a participant's termination of service prior to achieving full vesting in the Company's contributions. Such forfeitures are transferred out of the participant's account and are held in a separate account. Forfeitures may be used at the discretion of the Company to reduce the Company' discretionary contribution and to offset plan expenses. At December 31, 2017 there was a balance of $14,615 in the forfeited non-vested account.

1. DESCRIPTION OF PLAN (continued):

Investment options

The assets of the Plan are allocated to the various investment funds at the direction of the participant. Upon enrollment, a participant may direct his or her 401(k) contributions in their chosen increments in any of the various investment options offered by Wells Fargo Bank, N.A.

Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the net assets of the Plan will be allocated as prescribed by ERISA and regulations pursuant thereto.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting using accounting principles generally accepted in the United States of America ("GAAP").

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in the statement of changes in net assets available for benefits includes the Plan's gains and losses on investments bought and sold as well as held during the year.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (IRS) are recorded as a liability with a corresponding reduction to contributions.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting methods

Net assets available for benefits and changes in net assets available for benefits differ from that reported on IRS Form 5500, *Annual Return/Report of Employee Benefit Plans*. This difference is the result of using the cash basis for governmental reporting purposes and the accrual basis for financial reporting purposes. See Note 6 for a reconciliation of the financial statements to Schedule H of Form 5500.

Payment of benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net investment income.

Adoption of new accounting pronouncement

In May, 2015, the FASB issued ASU 2015-07, "*Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities that Calculate Net Asset Value per share (or its Equivalent)*". The amendments in this ASU remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share as a practical expedient. The purpose of this new ASU is to eliminate the diversity in the way in which investments measured using net asset value per share as a practical expedient are classified in the fair value hierarchy.

This ASU is effective for fiscal years beginning after December 15, 2016 for all non-public entities, with early adoption permitted. The amendments are to be applied retrospectively. Management has elected to early adopt the amendments of this ASU. Such adoption is preferable, as it eliminates diversity in reporting, as described above. The adoption has no effect on the net assets available for benefits and changes in net assets available for benefits as of and for the year ended December 31, 2016.

3. INFORMATION CERTIFIED BY WELLS FARGO BANK, N.A.:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The Trustee, Wells Fargo Bank, N.A. has supplied the plan's administrator with a certification as to the completeness and accuracy of all information regarding investment assets, notes receivable from participants, transactions, and income presented in the statements of net assets available for benefits as of December 31, 2017 and 2016 and the statement of changes in net assets available for benefits for the year ended December 31, 2017 and the supplemental schedule of assets held at end of year as of December 31, 2017.

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under GAAP are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

4. FAIR VALUE MEASUREMENTS (continued):

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Pooled common and collective trust funds: The fair value of the pooled common and collective trust funds is based on the net asset value (NAV) reported by each fund as provided by the investment manager, as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the pooled common and collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no transfers or reclassification of investments between levels within the fair value hierarchy during the year ended December 31, 2017.

4. FAIR VALUE MEASUREMENTS (continued):

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value on a recurring basis as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at fair value as of December 31, 2017			
Description	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	$7,880,454	$ -	$ -	$ 7,880,454
Total assets in the fair value hierarchy	7,880,454	-	-	7,880,454
Investments measured at net asset value (a):				
Pooled common and collective trust funds	-	-	-	256,132
	$7,880,454	$ -	$ -	$ 8,136,586

	Assets at fair value as of December 31, 2016			
Description	Level 1	Level 2	Level 3	Total
Assets:				
Mutual funds	$ 3,781,870	$ -	$ -	$ 3,781,870
Total assets in the fair value hierarchy	3,781,870	-	-	3,781,870
Investments measured at net asset value (a):				
Pooled common and collective trust funds	-	-	-	168,439
	$ 3,781,870	$ -	$ -	$ 3,950,309

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

4. FAIR VALUE MEASUREMENTS (continued):

Investments Measured Using the Net Asset Value per Share Practical Expedient

In accordance with the fair value measurements and disclosure guidelines; the following table summarizes investments for which fair value is measured using the net asset value per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

	Fair value	Unfunded commitments	Frequency (if currently eligible)	Redemption notice period
December 31, 2017				
Pooled common and collective trust funds	$ 256,132	n/a	Daily	30 days
December 31, 2016				
Pooled common and collective trust funds	$ 168,439	n/a	Daily	30 days

5. RELATED PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:

A party-in-interest is defined under Department of Labor regulations as any fiduciary of the Plan, the employer and certain others.

Certain Plan investments are shares of mutual funds managed by Wells Fargo Bank, N.A. ("Wells Fargo"). Wells Fargo is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in investment gains, as they are paid through revenue sharing, rather than a direct payment. The Plan made direct payments to third party administrators of $513,442 in 2017 which was not covered by revenue sharing. The Company pays directly any other fees related to the Plan's operations.

The Plan makes loans to participants and therefore, these transactions qualify as party-in-interest.

6. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2017	2016
Net assets available for benefits per the financial statements	$ 11,463,259	$ 7,292,331
Employer contribution receivable	(3,267,992)	(3,322,209)
Participants' contributions receivable	(14,894)	(10,296)
Net assets available for benefits per Schedule H of Form 5500	$ 8,180,373	$ 3,959,826

The following is a reconciliation of changes in net assets available for benefits per the financial statements to Schedule H of Form 5500:

	2017
Change in net assets available for benefits per the financial statement	$ 4,170,928
Change in employer contribution receivable	54,217
Change in participants' contributions receivable	(4,598)
Change in net assets available for benefits per Schedule H of the Form 5500	$ 4,220,547

7. TAX STATUS:

The Plan has adopted a volume submitter plan of its record keeper, the Wells Fargo Bank, N.A Defined Contribution Volume Submitter Plan and Trust. The Internal Revenue Service (IRS) has determined and informed the record keeper that the Plan is qualified, and the trust established under the Plan is tax exempt under the appropriate sections of the Internal Revenue Code.

Although the Plan has been amended since receiving the initial determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore no provision for income taxes has been included in the Plan's financial statements.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. DISTRIBUTIONS PAYABLE:

At December 31, 2017 and 2016, net assets available for Plan benefits included $599,624 and $454,243, respectively, for distributions to participants who have withdrawn from the Plan prior to the end of the Plan year but have not requested distributions from the Plan, or the request had not been approved and processed for payment prior to year-end.

10. ADMINISTRATION OF PLAN ASSETS:

The Plan's assets are held by an investment firm-administered trust fund. Contributions are held and managed by the investment firm Wells Fargo which invested cash received, valued Plan assets and made distributions to participants. At December 31, 2017, the assets of the Plan, with the exception of participant loans, were held by Wells Fargo.

11. SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through September 6, 2018, which is the date the financial statements are available for issuance, and have determined that there are no subsequent events that require disclosure under accounting principles generally accepted in the United States of America.
