Plan Administrator
Trademark Employee Retirement Plan
Fort Worth, Texas

As part of our audit of the financial statements of Trademark Employee Retirement Plan (Plan) as of and for the year ended December 31, 2017, we wish to communicate the following to you.

AUDIT SCOPE AND RESULTS

Auditor's Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our engagement letter more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our engagement letter more specifically describes your responsibilities.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Plan's significant accounting policies are described in *Note 2* of the audited financial statements.

Alternative Accounting Treatments

No matters are reportable.

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. The following areas involve significant estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates:

- Fair value of investments and related classification in the fair value hierarchy

Financial Statement Disclosures

The following area involves particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Fair value of investments and related classification in the fair value hierarchy

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. There were no audit adjustments proposed or recorded.

Auditor's Judgments About the Quality of the Plan's Accounting Principles

No matters are reportable.

Other Information in Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the form 5500 to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Other Material Communications

Listed below are other material communications between management and us related to the audit:

- Management representation letter (*attached*)
- We orally communicated to management other deficiencies in internal control identified during our audit that are not considered material weaknesses or significant deficiencies.

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements of the Plan as of and for the year ended December 31, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies or material weaknesses have been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements of the Plan's financial statements on a timely basis. A deficiency in design exists when a control necessary to meet a control objective is missing or an existing control is not properly designed so that, even if the control operates as designed, a control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or competence to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We observed the following matters that we consider to be a deficiency.

Deficiency

Review of SOC 1 Report

During our audit procedures, we noted the Service Auditors Report (SOC 1) for the plan custodian was not reviewed by the plan sponsor or plan management. We recommend that the plan sponsor implement a review process to consider any user controls consideration outlined in the SOC 1 report to ensure proper function of the processes related to the Plan.

This communication is intended solely for the information and use of plan management and others within the organization, and is not intended to be and should not be used by anyone other than these specified parties.

We are providing this letter in connection with your audits of the financial statements of Trademark Employee Retirement Plan (Plan) as of and for the year ended December 31, 2017, and supplemental schedule as of December 31, 2017. We confirm that we are responsible for the fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations under ERISA. We are also responsible for adopting sound accounting policies, establishing and maintaining effective internal control, and preventing and detecting fraud.

We understand that you will not express an unmodified opinion on the financial statements of the Plan for the year ended December 31, 2017, because at our request you did not audit investment information provided by the custodian.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm, to the best of our knowledge and belief, the following:

1. We have fulfilled our responsibilities, as set out in the terms of our engagement letter dated June 22, 2018, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.

2. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

4. We have reviewed and approved a draft of the financial statements and related notes referred to above, which you prepared in connection with your audit of our financial statements. We acknowledge that we are responsible for the fair presentation of the financial statements and related notes.

5. We have disclosed to you the identity of the entity's related parties and all the related party relationships and transactions of which we are aware. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America. We understand the term related party refers to an affiliate; employer, management, fiduciaries, and members of their immediate families, and any other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with the Plan

6. We have disclosed any significant unusual transactions the Plan has entered into during the period, including the nature, terms and business purpose of those transactions and whether such transactions involved related parties.

7. We have provided you with:

   (a) Access to all information of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation and other matters.

   (b) Additional information that you have requested from us for the purpose of the audit.

   (c) Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

   (d) There were no formal minutes of the 401(k) administrative meeting.

   (e) All significant contracts.

8. All transactions have been recorded in the accounting records and are reflected in the financial statements.

9. We have informed you of all current risks of a material amount that are not adequately prevented or detected by plan procedures with respect to:

   (a) Misappropriation of assets.

(b) Misrepresented or misstated assets or liabilities.

10. We have no knowledge of any known or suspected:

(a) Fraudulent financial reporting or misappropriation of assets involving management or employees who have significant roles in internal control.

(b) Fraudulent financial reporting or misappropriation of assets involving others that could have a material effect on the financial statements.

11. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers or others.

12. Except as reflected in the financial statements, there are no:

(a) Plans or intentions that may materially affect carrying values of assets and liabilities.

(b) Material transactions omitted or improperly recorded in the financial records.

(c) Material gain/loss contingencies requiring accrual or disclosure, including those arising from environmental remediation obligations.

(d) Events occurring subsequent to the date of the statement of net assets available for benefits through the date of this letter requiring adjustment or disclosure in the financial statements.

(e) Agreements to purchase assets previously sold.

(f) Reportable transactions as defined in Section 103(b)(3)(H) of ERISA.

13. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.

14. We acknowledge the Plan does not meet the definition of a "public entity" under generally accepted accounting principles.

15. The Plan or the Plan Sponsor is not aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the sponsor has sought or received attorney's services related to pending or threatened litigation or claims, pending or threated, for which legal counsel should be sought.

16. Adequate allowances have been provided for any material losses from uncollectible receivables.

17. The fair values of financial assets recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.

18. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.

19. The Plan instrument has not been amended during the year.

20. The Plan operates under a nonstandardized adoption agreement in connection with a prototype retirement plan and trust document sponsored by Principle Financial Group (Principle). This prototype plan document has been filed with the appropriate agency. This Plan has not obtained or requested a determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

21. The Plan has complied with the fidelity bonding requirements of ERISA.

22. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.

23. We have informed you of the existence of any unrecorded transactions, side agreements or other arrangements (either written or oral).

24. Except as disclosed in the financial statements, the Plan has:

    (a) Satisfactory title to all recorded assets, and they are not subject to any liens, pledges or other encumbrances.

    (b) Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.

25. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statement of net assets available for benefits which could change materially within the next year. Significant

assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

26. With respect to any nonattest services you have provided us during the year, including preparation of a draft of the financial statements and supplemental schedule:

    (a) We have designated a qualified management-level individual to be responsible and accountable for overseeing the nonattest services.

    (b) We have established and monitored the performance of the nonattest services to ensure that they meet our objectives.

    (c) We have made any and all decisions involving management functions with respect to the nonattest services and accept full responsibility for such decisions.

    (d) We have evaluated the adequacy of the services performed and any findings that resulted.

27. We have reviewed the reports of all transactions processed by third-party servicers, and, based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations or uncorrected misstatements.

28. We have complied with the Department of Labor's regulations concerning the timely remittance of participant contributions.

29. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the plan.

30. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).

31. With regard to supplementary information:

    (a) We acknowledge our responsibility for the presentation of the supplementary information, including its form and content, in conformity with relevant regulatory requirements or other applicable criteria.

    (b) We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.

    (c) The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.

(d) We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.

(e) The supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the *Employee Retirement Income Security Act of 1974*.

(f) If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

32. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the plan sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.

33. We have evaluated whether there are conditions or events known or reasonably knowable, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year of the date of this letter without consideration of potential mitigating effects of management's plans not yet fully implemented and concluded substantial doubt does not exist.
