Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company and T. Rowe Price Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the

trustees as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

1. DESCRIPTION OF THE PLAN

The following brief description of the Dorel Juvenile Group, Inc. Thrift and Savings Plan for Columbus Bargaining Unit Employees (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Dorel Juvenile Group, Inc., (the "Company") primarily for the benefit of its bargaining unit employees. The governing body for administration of the Plan and trust, the Defined Contribution Pension Plan Retirement Committee (the "Committee"), consists of six members appointed by the Company and the bargaining unit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

For the year ended December 31, 2017, the Company made matching contributions of 50% of participants' 401(k) contributions not to exceed 3% of compensation on behalf of all participants who make salary deferral contributions to the Plan during the plan year. The Company also makes non-elective contributions to the Plan equal to at least 2 percent of the compensation of all eligible participants. The Employer contributed \$542,287 for the year ended December 31, 2017. The Plan allows participants to contribute up to 75% of their compensation on a pre-tax basis, not to exceed the maximum amount allowed by law.

Participant Accounts

Each participant's account is credited with the participant's contributions plus actual earnings thereon. Participants are immediately vested in both employee and employer contributions plus actual earnings thereon.

Notes Receivable from Participants

Each participant can obtain a loan between \$1,000 and the lesser of 50% of the participant's account balance or \$50,000. A participant may only have one loan outstanding at any given time. Loans bear interest at prime plus 1% and range in maturity from six months to five years, unless the loan is for the purchase of a primary residence, which can have a maturity date of up to 15 years.

BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Benefit Payments

Upon reaching the age of 59-1/2, a participant is entitled to receive a lump-sum payment equal to the value of the participant's account. A participant that retires, becomes disabled, terminates employment, or passes away is entitled to receive a lump-sum payment, as described in the plan agreement, equal to the value of the participant's account. A participant may make a hardship withdrawal, as defined in the plan agreement, prior to age 59-1/2.

Administrative Expenses

Investment fees are paid by the Plan and accounted for as a reduction of earnings on investments. Trustee and some administrative fees are paid by the Plan and the Company. Loan fees are paid by the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the modified cash basis of accounting. As such, benefit payments to participants and expenses are accounted for on the cash basis. The modified cash basis differs from the cash basis in that receivables are recognized for amounts due from broker. Investment income is recorded when received.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 6 for discussion of fair value measurements.

THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends is recorded when earned. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. Delinquent notes receivable are recorded as a distribution based upon the terms of the plan document.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is September 17, 2018.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company (Mass Mutual), the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits and the schedule of assets (held at

end of year) as of December 31, 2017, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2017. T. Rowe Price Trust Company certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2016.

4. INCOME TAX STATUS

The Plan is based on a Volume Submitter Profit Sharing Plan with cash or deferral arrangement which has received a favorable opinion letter from the Internal Revenue Service (IRS) that the plan is designed to qualify as being exempt from Federal income taxes. The Plan administrator has not separately applied for an opinion letter from the Internal Revenue Service. However, the Plan administrator believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2015.

5. PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Trustee fees and other administration expenses of the Plan were paid by the Company.

Certain Plan investments are pooled separate accounts managed by an affiliate of Mass Mutual. Mass Mutual is the trustee as defined by the Plan and, therefore, transactions in these funds qualify as party-in-interest transactions. Mass Mutual is the third party administrator for the Plan, and those fees are paid as a reduction to investment income. Mass Mutual also receives fees directly from Plan assets. SageView Advisory Group, LLC is the investment advisor for the Plan and receives payment from the Plan and the Plan Sponsor. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Company.

6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the

DOREL JUVENILE GROUP, INC.

BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

lowest priority to unobservable inputs (level 3). The Plan's policy is to recognize transfers, if any, between levels as of the actual date of the event or change in circumstances. There were no transfers between levels during 2017 or 2016. The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds are held by the Plan and are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.
- *Pooled separate accounts*: Investments in pooled separate accounts are credited with earnings and gains or losses on the pooled investments. The separate accounts are stated at fair value as reported to the Plan by Mass Mutual, based on the quoted market prices of the underlying mutual funds. The unit value of the separate accounts is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. For separate accounts that invest exclusively in mutual funds, the total value of the assets of the separate account is based on the net asset value (NAV), or price per share, of the underlying mutual fund. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

The following table sets forth by level, within the hierarchy, the Plan's assets measured at fair value on a recurring basis as of December 31, 2017 and 2016:

	2017		2016	
	Level 1	Total	Level 1	Total
Mutual funds	\$ 5,339,116	\$ 5,339,116	\$ -0-	\$ -0-
Total assets in fair value hierarchy	5,339,116	5,339,116	-0-	-0-
Pooled separate accounts*	-0-	281,077	-0-	-0-
Investments at fair value	<u>\$ 5,339,116</u>	<u>\$ 5,620,193</u>	<u>\$ -0-</u>	<u>\$ -0-</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net asset available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2017	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 281,077	N/A	Daily	None

7. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a group annuity contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of this traditional investment contract was \$2,312,350 at December 31, 2017.

DOREL JUVENILE GROUP, INC.
THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to a plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

8. RECONCILIATION TO FORM 5500

The Plan sponsor has elected to show the underlying investments of the pooled separate accounts on Schedule H of Form 5500. Therefore instead of showing all of the pooled separate accounts on Schedule H, line 1c(10) they are showing the underlying investments of the pooled separate accounts which are mutual funds on Schedule H, line 1c(13). Likewise some of the investment income is shown on Schedule H, line 2b(10) instead of line 2b(7).

REPORT OF INDEPENDENT AUDITORS

Administrative Committee

Dorel Juvenile Group, Inc. Thrift and Savings Plan for Columbus Bargaining Unit Employees

Columbus, Indiana

Report on the Financial Statements

We were engaged to audit the accompanying financial statements (modified cash basis) of Dorel Juvenile Group, Inc. Thrift and Savings Plan for Columbus Bargaining Unit Employees (the "Plan") which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Plan management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Massachusetts Mutual Life Insurance Company and T. Rowe Price Trust Company, the trustees of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the

trustees as of and for the years ended December 31, 2017 and 2016, that the information provided to the plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedule were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our disclaimer of opinion is not modified with respect to that matter.

Other Matter

The supplemental schedule of assets (held at end of year) is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DOREL JUVENILE GROUP, INC.
THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

1. DESCRIPTION OF THE PLAN

The following brief description of the Dorel Juvenile Group, Inc. Thrift and Savings Plan for Columbus Bargaining Unit Employees (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Dorel Juvenile Group, Inc., (the "Company") primarily for the benefit of its bargaining unit employees. The governing body for administration of the Plan and trust, the Defined Contribution Pension Plan Retirement Committee (the "Committee"), consists of six members appointed by the Company and the bargaining unit. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions

For the year ended December 31, 2017, the Company made matching contributions of 50% of participants' 401(k) contributions not to exceed 3% of compensation on behalf of all participants who make salary deferral contributions to the Plan during the plan year. The Company also makes non-elective contributions to the Plan equal to at least 2 percent of the compensation of all eligible participants. The Employer contributed \$542,287 for the year ended December 31, 2017. The Plan allows participants to contribute up to 75% of their compensation on a pre-tax basis, not to exceed the maximum amount allowed by law.

Participant Accounts

Each participant's account is credited with the participant's contributions plus actual earnings thereon. Participants are immediately vested in both employee and employer contributions plus actual earnings thereon.

Notes Receivable from Participants

Each participant can obtain a loan between \$1,000 and the lesser of 50% of the participant's account balance or \$50,000. A participant may only have one loan outstanding at any given time. Loans bear interest at prime plus 1% and range in maturity from six months to five years, unless the loan is for the purchase of a primary residence, which can have a maturity date of up to 15 years.

THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Benefit Payments

Upon reaching the age of 59-1/2, a participant is entitled to receive a lump-sum payment equal to the value of the participant's account. A participant that retires, becomes disabled, terminates employment, or passes away is entitled to receive a lump-sum payment, as described in the plan agreement, equal to the value of the participant's account. A participant may make a hardship withdrawal, as defined in the plan agreement, prior to age 59-1/2.

Administrative Expenses

Investment fees are paid by the Plan and accounted for as a reduction of earnings on investments. Trustee and some administrative fees are paid by the Plan and the Company. Loan fees are paid by the Plan.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements are prepared on the modified cash basis of accounting. As such, benefit payments to participants and expenses are accounted for on the cash basis. The modified cash basis differs from the cash basis in that receivables are recognized for amounts due from broker. Investment income is recorded when received.

Although the modified cash basis of accounting represents a departure from accounting principles generally accepted in the United States of America, it is an allowable method of accounting for employee benefit plans under the reporting requirements of ERISA.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 6 for discussion of fair value measurements.

DOREL JUVENILE GROUP, INC.
THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends is recorded when earned. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received. Related fees are recorded as administrative expenses and are expensed when they are paid. Delinquent notes receivable are recorded as a distribution based upon the terms of the plan document.

Use of Estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events

The Plan has evaluated events or transactions occurring subsequent to the statement of net assets available for benefits date for recognition and disclosure in the accompanying financial statements through the date the financial statements are available to be issued, which is September 17, 2018.

3. INFORMATION CERTIFIED BY THE PLAN'S TRUSTEES

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Massachusetts Mutual Life Insurance Company (Mass Mutual), the trustee of the Plan, has certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits and the schedule of assets (held at

DOREL JUVENILE GROUP, INC.
THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

end of year) as of December 31, 2017, and the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2017. T. Rowe Price Trust Company certified to the completeness and accuracy of all investments reflected on the accompanying statement of net assets available for benefits as of December 31, 2016.

4. INCOME TAX STATUS

The Plan is based on a Volume Submitter Profit Sharing Plan with cash or deferral arrangement which has received a favorable opinion letter from the Internal Revenue Service (IRS) that the plan is designed to qualify as being exempt from Federal income taxes. The Plan administrator has not separately applied for an opinion letter from the Internal Revenue Service. However, the Plan administrator believes that the Plan was designed and is currently being operated as a tax-exempt plan in compliance with the applicable requirements of the Internal Revenue Code and, therefore, no income taxes have been provided.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management believes it is no longer subject to income tax examinations for years prior to 2015.

5. PARTY-IN-INTEREST TRANSACTIONS AND RELATED PARTY TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. Trustee fees and other administration expenses of the Plan were paid by the Company.

Certain Plan investments are pooled separate accounts managed by an affiliate of Mass Mutual. Mass Mutual is the trustee as defined by the Plan and, therefore, transactions in these funds qualify as party-in-interest transactions. Mass Mutual is the third party administrator for the Plan, and those fees are paid as a reduction to investment income. Mass Mutual also receives fees directly from Plan assets. SageView Advisory Group, LLC is the investment advisor for the Plan and receives payment from the Plan and the Plan Sponsor. Blue & Co., LLC is the independent auditor of the Plan and receives payment from the Company.

6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the

DOREL JUVENILE GROUP, INC.
THRIFT AND SAVINGS PLAN FOR COLUMBUS
BARGAINING UNIT EMPLOYEES

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

lowest priority to unobservable inputs (level 3). The Plan's policy is to recognize transfers, if any, between levels as of the actual date of the event or change in circumstances. There were no transfers between levels during 2017 or 2016. The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

- *Mutual funds*: Valued at the daily closing price as reported by the fund. Mutual funds are held by the Plan and are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.
- *Pooled separate accounts*: Investments in pooled separate accounts are credited with earnings and gains or losses on the pooled investments. The separate accounts are stated at fair value as reported to the Plan by Mass Mutual, based on the quoted market prices of the underlying mutual funds. The unit value of the separate accounts is calculated by dividing the total value of the assets of the separate account by the number of units in the separate account. For separate accounts that invest exclusively in mutual funds, the total value of the assets of the separate account is based on the net asset value (NAV), or price per share, of the underlying mutual fund. The mutual fund calculates its NAV by dividing the mutual fund's net assets by the mutual fund's outstanding number of shares.

	2017		2016	
	Level 1	Total	Level 1	Total
Mutual funds	\$ 5,339,116	\$ 5,339,116	\$ -0-	\$ -0-
Total assets in fair value hierarchy	5,339,116	5,339,116	-0-	-0-

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented at fair value in the statement of net asset available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2017. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2017	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
Pooled separate accounts	\$ 281,077	N/A	Daily	None

7. FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan holds a group annuity contract. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value of this traditional investment contract was \$2,312,350 at December 31, 2017.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

The traditional investment contract held by the Plan is a guaranteed investment contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than 0 percent. The crediting rate is reviewed on a quarterly basis for resetting.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to a plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the Employee Retirement Income Security Act of 1974. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

8. RECONCILIATION TO FORM 5500

The Plan sponsor has elected to show the underlying investments of the pooled separate accounts on Schedule H of Form 5500. Therefore instead of showing all of the pooled separate accounts on Schedule H, line 1c(10) they are showing the underlying investments of the pooled separate accounts which are mutual funds on Schedule H, line 1c(13). Likewise some of the investment income is shown on Schedule H, line 2b(10) instead of line 2b(7).
