CLEVELAND SOCIETY FOR THE BLIND 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

1. Description of Plan:

General:

The following brief description of Cleveland Society for the Blind 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all full-time employees of Cleveland Society for the Blind (the "Company") who have completed 60 days of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Board of Trustees is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions:

Participants may elect to contribute a percentage of their compensation into the Plan on a pre-tax or post-tax (Roth contribution) basis. The amount participants can contribute on an annual basis is limited to the amount set by the Internal Revenue Service. Employees who become eligible to participate but do not enroll or decline participation in the Plan are automatically enrolled to defer 3% of their compensation as defined by the Plan on a pre-tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan.

The Company makes discretionary employee matching contributions based on a percentage of participants' compensation and provides for a 25% matching contribution on a maximum of 6% of participant elective deferrals. Additionally, the Company has the ability to make discretionary profit sharing contributions, as determined by Company's management. The Company made discretionary profit sharing contributions equal to 3% of 2017 eligible compensation and 2% of 2016 eligible compensation. The Company remitted the discretionary profit sharing contribution for 2017 in 2018 and 2016 in 2017.

Forfeitures of nonvested accounts may be used to pay administrative expenses of the Plan or reduce future employer contributions. Employer matching contributions were reduced by \$10,867 in 2017 and \$10,205 in 2016 from forfeited nonvested accounts. Total forfeitures retained in the Plan were \$290 at December 31, 2017 and \$2,559 at December 31, 2016.

Vesting:

Participants are 100% vested immediately with respect to their compensation deferrals. Participants vest in employer contributions in accordance with the following schedule:

Participant accounts:

Each participant's account is credited with employer and participant contributions. Plan earnings are allocated based upon account balances.

Participant notes:

Participants may borrow from their accounts. The loan should not be greater than present value of the participant's vested account balance. Loan transactions are treated as transfers between investment funds and the participant notes fund. Repayment of a loan must be made over a period not to exceed five years. Loans are secured by the balance in the participant's account and bear interest at market rate. Principal and interest are paid through payroll deductions and interest is included in interest and dividends on the statements of changes in net assets available for benefits. Interest rates on these notes were between 4.25% to 5.25% at December 31, 2017 and were between 4.25% to 4.50% at December 31, 2016.

Participant notes are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of benefits:

Participants who suffer serious financial hardship, as defined by the Plan, may withdraw a portion of their vested account in order to meet their financial needs. Once participants attain age 59-1/2, they may also elect to withdraw from their account, any amount not to exceed their vested portion. All accounts are subject to distribution upon the participant's termination, retirement or death.

On termination of service, participants may elect to receive a lump sum distribution equal to the vested value of their account balance, a partial lump sum distribution not to exceed the vested value of their account balance, or in installments not to exceed the life of the participant.

Benefits are recorded when paid.

1. Description of Plan (continued):

Investment options and income:

Upon enrollment in the Plan, a participant may direct employee contributions, including the employer's portion into a number of investment options. Participants may change their investment elections daily. Income is allocated to participants' accounts based on earnings in the respective investment accounts.

2. Summary of significant accounting policies:

Basis of accounting:

The financial statements of the Plan are prepared on the accrual method.

Use of estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Investment valuation and income recognition:

At December 31, 2017 and 2016, investments in mutual funds are reported at fair value which is obtained and certified by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company and are readily determinable on an estimated market. Investments in the guaranteed investment contract are valued at contract value (see Note 5) as provided by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. These amounts were provided by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company.

Expenses:

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements (Note 6). Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net increase in fair value of investments.

CLEVELAND SOCIETY FOR THE BLIND 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED DECEMBER 31, 2017 AND 2016

3. Investments:

The following table represents the fair value of investments at December 31, 2017 and 2016. All investments are participant directed at December 31, 2017 and 2016.

	<u>2017</u>	<u>2016</u>
Investments as provided by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company:		
Mutual funds (at fair value)	\$ 5,698,536	\$ 4,726,229
Guaranteed interest account (at contract value)	<u>764,904</u>	<u>688,702</u>
Total investments	<u>\$ 6,463,440</u>	<u>\$ 5,414,931</u>

4. Fair value:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the methodology include:

- Quoted market prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Assets measured at fair value on a recurring basis at December 31, 2017 and 2016, were as follows:

	<u>Fair Value at December 31,</u>			
	<u>2017</u>		<u>2016</u>	
	<u>(Level 1)</u>	<u>Total</u>	<u>(Level 1)</u>	<u>Total</u>
Mutual funds	<u>\$ 5,698,536</u>	<u>\$ 5,698,536</u>	<u>\$ 4,726,229</u>	<u>\$ 4,726,229</u>

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

YEARS ENDED DECEMBER 31, 2017 AND 2016

5. **Investment contract with insurance company:**

The Plan participates in a fully benefit-responsive investment contract with Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company. Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company maintains the contributions in a separate account. The account is credited with earnings on the underlying investment and charged for participant withdrawals and administrative expenses. Contract value, as reported to the Plan by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company, represents contributions made under contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed account is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company. Such events include the following (a) amendments to the plan documents (including complete or partial termination or merger with another plan), (b) changes to plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with plan participants, is probable.

The guaranteed interest account does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The net average yield on the contract was 1.35% in 2017 and 1.41% in 2016.

6. **Administrative expenses:**

Administrative expenses of the Plan paid by the Company. Certain administrative functions are performed by employees of the Company. Neither any such employee, nor the Company, receives compensation from the Plan for these functions.

7. **Party-in-interest transactions:**

Certain Plan investments are managed by affiliates of Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company. Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company are the trustees as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

8. Certified investments:

Certain information related to investments and participant notes disclosed in the accompanying financial statements and supplemental schedule, including investments and participants notes held at December 31, 2017 and 2016, and net increase in value of investments and interest and dividends for the years ended December 31, 2017 and 2016, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (trustees of the Plan), in accordance with Section 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA.

9. Income tax status:

The Internal Revenue Service has determined that the prototype plan under which Cleveland Society for the Blind 401(k) Retirement Plan is organized is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The prototype plan received a determination letter from the IRS dated March 31, 2014. The Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator believes the Plan is being operated in compliance with applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is exempt from taxation.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service and the Department of Labor. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

10. Plan termination:

The Company expects to continue the Plan but reserves the right at any time and within its sole discretion to reduce, suspend or discontinue contributions to the Plan or to terminate the Plan. In the event of termination, all affected participants will become 100% vested in their account.

11. Risks and uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes would materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

12. Delinquent participant contributions:

In 2016, the Company failed to remit employee deferral contributions totaling \$176. The Company remitted these missed contributions and lost earnings on these contributions in 2017.
