To the Administrative Committee of the  
Fortney & Weygandt, Inc. 401(k) Profit Sharing Plan and Trust  
31269 Bradley Road  
North Olmsted, OH 44070

We have conducted a Department of Labor ("DOL") limited-scope audit of the financial statements of the Fortney & Weygandt, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") for the year ended December 31, 2017, and we will issue our report thereon dated August 21, 2018. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedules as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustees, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated May 21, 2018. Professional standards also require that we communicate to you the following information related to our audit.

#### Significant Audit Matters

##### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no significant estimates affecting the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

*Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

*Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no corrected and/or uncorrected adjustments noted.

*Disagreements with Management*

For the purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

*Management Representations*

We have requested certain representations from management that are included in the management representation letter dated August 21, 2018.

*Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

*Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

*Other Matters*

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it had not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Administrative Committee of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the  
Fortney & Weygandt, Inc.  
401(k) Profit Sharing Plan and Trust  
North Olmsted, Ohio

### Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Fortney & Weygandt, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan"), which comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2017 and 2016, and the related statements of changes in net assets available for benefits (modified cash basis) for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Prudential Retirement Insurance and Annuity Company, with the exception of non-Prudential investments and notes receivable from participants which were certified by Prudential Bank & Trust, F.S.B., the Trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the Trustees hold the Plan's investment assets and execute investment transactions. The Plan administrator has obtained certifications from the Trustees as of December 31, 2017 and 2016, and for the years then ended, that the information provided to the Plan administrator by the Trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2017, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

FORTNEY & WEYGANDT, INC. 401(K) PROFIT SHARING PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2017 and 2016

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Fortney & Weygandt, Inc. 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Fortney & Weygandt, Inc., R. L. Fortney Management, Inc., F&W, Inc., and Four G's (collectively referred to as the "Company" or "Plan Sponsor"). Employees are eligible for discretionary Company contributions and rollover contributions on the first entry date, January 1 and July 1, coinciding with completion of one year of service and attaining the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan Sponsor designated UBS Financial Services to act as the Plan's investment manager.

Effective January 1, 2017, employees of Four G's, Ltd. became employees of R. L. Fortney Management, Inc. and Fortney and Weygandt Inc. Four G's, Ltd. will be legally dissolved during 2018.

Contributions

Participants may elect to contribute up to the maximum amount allowed by law of their compensation under the Plan. The Plan allows for catch-up contributions by participants. The Company may, at its option, make additional discretionary profit sharing contributions to the Plan. The Company made a discretionary profit sharing contribution in the amount of \$100,000 and \$121,263 for the years December 31, 2017 and 2016, respectively.

Forfeitures

As forfeitures become available, the Company is able to use the forfeitures to reduce Plan expenses or employer contributions as defined by the Plan. There were no forfeitures used to reduce the Company's profit sharing contribution or expenses for the years ended December 31, 2017 and 2016. At December 31, 2017 and 2016, forfeited non-vested accounts totaled \$9,261 and \$5,804, respectively.

Participant Accounts

Plan assets are held in a trust fund established with Prudential Retirement Insurance and Annuity Company, with the exception of non-Prudential investments and notes receivable from participants which are held by Prudential Bank & Trust, F.S.B. (the "Trustees"). Each participant's account is credited with the participant's contributions and an allocation of the Company's contribution and Plan earnings. Participants direct the investment of contributions to their accounts. Investments available to participants include: a pooled separate account, mutual funds, and a guaranteed income fund. Participants can change investment options daily.

NOTES TO FINANCIAL STATEMENTS  
December 31, 2017 and 2016

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in Company contributions are based on years of eligible service in which participants complete 1,000 hours according to the following schedule:

| <u>Years of Service</u> | <u>Vested Percentage</u> |
|-------------------------|--------------------------|
| 1                       | 0%                       |
| 2                       | 20%                      |
| 3                       | 40%                      |
| 4                       | 60%                      |
| 5                       | 80%                      |
| 6 or more               | 100%                     |

Notes Receivable from Participants

The Plan allows for loans to participants from their individual account balances which are limited to the lesser of \$50,000 or 50 percent of the participants available balance, reduced by the excess of the highest outstanding loan balance of loans from the Plan to the participant during the one year period ending on the day before the date on which such loan is made, or the outstanding balance of loans from the Plan to the participant on the date which such loan was made. The minimum loan amount is \$1,000. Principal and interest payments are made through payroll withholding according to each note's term per the promissory note. The loans have repayment terms ranging from 2 to 30 years and bears interest at Prime plus 1 percent as determined at the date of the loan.

Benefit Payments

The full value of a participant's account, excluding any non-vested Company contributions, is payable to the participant upon retirement, death or total disability. On termination of service, if a participant's account is less than \$5,000, the participant may receive a lump-sum amount equal to the value of his or her vested account balance or if the participant does not elect distribution, the balance will be automatically rolled over to an Individual Retirement Account. If the participant's account balance exceeds \$5,000, the terminated participant may elect to defer distribution until a later date (not later than their normal retirement date).

In the event of financial hardship, participants may apply to receive a distribution from their fund accounts, subject to Internal Revenue Service ("IRS") mandated rules for hardship withdrawals.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting, which is an other comprehensive basis of accounting, different from accounting principles generally accepted in the United States of America. Under the modified cash basis, contributions are not recognized until received.

Use of Estimates and Assumptions

In preparing the Plan's financial statements, the Plan Sponsor is required to make estimates and assumptions that affect the reported amounts of Plan assets, liabilities, and the reported additions and deductions of Plan assets during the reporting period. Actual results could differ from these estimates.

Fair Value Measurements

Fair value estimates are made at a specific point in time based on relevant market information about the financial instrument. These estimates are subjective in nature and involve uncertainties and matters of significant judgment and, therefore, cannot be determined with precision. Changes in assumptions could significantly affect the estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value at December 31, 2017 and 2016. Purchases and sales of securities are reported on a trade date basis. Interest and dividend income is recorded when received. Net appreciation in fair value of investments (including gains and losses on assets sold during the year and unrealized gains and losses on assets held) for the year is reflected in the statements of changes in net assets available for benefits (modified cash basis).

Notes Receivable from Participants

Notes receivable from participants represent participant loans and are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. Repayments of principal and interest are recognized in the period in which payroll deductions are processed.

Benefit Payments

Benefits are recorded when paid.

Administrative Expenses

Significant Plan administration costs incurred, including trustee fees, legal fees, and audit fees, are absorbed by the Company. Transaction fees within the Plan are allocated to participants' accounts based on the participants' current fair market value. These expenses are reflected in the accompanying statements of changes in net assets available for benefits (modified cash basis) as administrative expenses. There are also indirect fees deducted directly from investment earnings of the Plan.

Subsequent Events

The Plan has evaluated subsequent events through August 21, 2018, the date the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 - SUMMARY OF FINANCIAL DATA CERTIFIED BY TRUSTEES (UNAUDITED)

The Trustees have certified that the following information used in preparation of these financial statements is complete and accurate as of and for the years ended December 31:

|                                                | 2017          | 2016          |
|------------------------------------------------|---------------|---------------|

| Net appreciation of investments                | \$ 1,846,486  | \$ 651,910    |

NOTE 4 - FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Company uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets measured at fair value are as follows:

- *Mutual funds*: Valued at the closing price reported on the active market on which the individual funds are traded.
- *Pooled separate account*: Valued based on the underlying investments traded on the inactive market.

#### NOTE 5 - INVESTMENT CONTRACTS

The Plan has a fully benefit-responsive investment contract with the Trustees at December 31, 2017 and 2016. The Trustees maintain the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed income fund is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by the Trustees, represents contributions made under the contract, plus earnings, less participant withdrawals.

Participants may ordinarily direct the withdrawal or transfer all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

FORTNEY & WEYGANDT, INC. 401(K) PROFIT SHARING PLAN AND TRUST  
NOTES TO FINANCIAL STATEMENTS  
December 31, 2017 and 2016

NOTE 6 - TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed Prudential Insurance Company of America by letter dated April 29, 2014 that the prototype plan, which was adopted by the Plan on December 12, 2013, is a qualified plan under Section 401(a) of the Internal Revenue Code ("IRC") and is exempt from tax under present income tax laws. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The prototype plan has been amended since receiving the determination letter. However, the Plan Sponsor is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan Sponsor has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 and 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax years in progress.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a pooled separate account, mutual funds, and a guaranteed income fund managed by the Trustees at December 31, 2017 and 2016. Therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for trust services to Prudential amounted to \$1,428 and \$1,797 for the years ended December 31, 2017 and 2016, respectively. There are also expenses deducted directly from investment earnings.
