HULL AND ASSOCIATES, INC. RETIREMENT PLAN

NOTES TO AUDITED FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN

The following description of the Hull and Associates, Inc. (Company) Retirement Plan (the Plan) is provided for general information purposes only. The Plan covers all eligible employees of the Plan Sponsor. Participants should refer to the Plan document for more complete information.

General

Participants are eligible to make contributions if they have reached the age of 21 and have attained one month of service. Employees meeting the eligibility requirements may enroll in the Plan on the first day of the month following meeting the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

Contributions

Participants may elect to contribute a percentage of their compensation to the Plan on a pre-tax or ROTH basis through payroll deductions subject to limitations under the Internal Revenue Code.

All eligible employees receive a Safe Harbor employer non-elective contribution to the Plan in an amount equal to 4% of their plan compensation. Safe Harbor employer non-elective contributions totaled \$318,768 and \$285,384 for the years ended December 31, 2017 and 2016, respectively. The Company may also make discretionary matching or non-elective contributions. Discretionary non-elective contributions are allocated based on an excess integrated allocation formula. To be eligible for any Company contributions, participants must work at least 1,000 hours of service during the Plan year and be employed by the Company on the last day of the Plan year. The Plan also provides for an employer profit sharing contribution, which is in addition to the employer's Safe Harbor contribution. Profit sharing contributions totaled \$142,029 and \$115,217 for the years ended December 31, 2017 and 2016, respectively. The Plan also allows participants to transfer amounts (rollovers) from other qualified plans.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant-Directed Investment Options

Upon enrollment in the Plan, a participant may direct contributions in 1% increments to any investment options available during the year.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants are also immediately vested in the Company's Safe Harbor contributions. Vesting in other Plan Sponsor contributions, plus actual earnings thereon, is based on years of continuous service. Participants vest at the rate of 25% per year of service. A participant is 100 percent vested after four years of credited service.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the Participant Loan fund. Loan terms range from one to five years or up to thirty years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Principal and interest are paid ratably through payroll deductions.

NOTES TO AUDITED FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN (continued)

Payment of Benefits

On termination of service due to death, disability or retirement, participants may elect to receive a distribution equal to the value of their vested interest in their account, or defer receipt of their account balance until age 70½. Furthermore, participants, upon a hardship (as defined by the Plan), may elect to withdraw a portion of their salary deferral (redirection) account.

Forfeited Amounts

Forfeitures shall be used to reduce employer contributions and offset Plan expenses. For the year ended December 31, 2017 and 2016, forfeited non-vested accounts were \$20 and \$2,605 respectively. For 2017 and 2016, forfeitures applied to the employer's contribution amounted to \$4,276 and \$392, respectively.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits as of the date of the financial statements and the reported amounts of changes in net assets available for plan benefits during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Committee determines the Plan's valuation policies utilizing information provided by the custodian and in accordance with the Plan's investment policy. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of the Plan (i.e. audit fees, etc.) are paid by the Company and are excluded from these financial statements. Other administrative fees are paid by the Plan and included as administrative expenses. Investment management fees are netted against Plan earnings.

Subsequent Events

Subsequent events have been evaluated through August 28, 2018, which is the date the financial statements were available to be issued.

NOTES TO AUDITED FINANCIAL STATEMENTS

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY RELIANCE TRUST COMPANY

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2017 and 2016, was obtained or derived from information supplied to the Plan Administrator and certified as complete by the Reliance Trust Company (the trustee of the Plan).

NOTE 4: INVESTMENTS

During 2017 and 2016, the plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by \$3,523,038 and \$836,331, respectively.

NOTE 5: FAIR VALUE MEASUREMENTS

Generally accepted accounting principles include a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

HULL AND ASSOCIATES, INC. RETIREMENT PLAN

NOTES TO AUDITED FINANCIAL STATEMENTS

NOTE 5: FAIR VALUE MEASUREMENTS (continued)

Common collective trust: Valued based on the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the trust less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

Assets at Fair Value as of December 31, 2017

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 26,422,846	\$ 0	\$ 0	\$ 26,422,846
Investments Value Using NAV as a Practical Expedient (a)				583,618
Total Assets at Fair Value	<u>\$ 26,422,846</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 27,006,464</u>

Assets at Fair Value as of December 31, 2016

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 20,164,127	\$ 0	\$ 0	\$ 20,164,127
Investments Value Using NAV as a Practical Expedient (a)				1,106,950
Total Assets at Fair Value	<u>\$ 20,164,127</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 21,271,077</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for plan benefits.

NOTE 6: PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. The Plan receives administrative services from third parties who qualify as parties-in-interest. Administrative expenses represent fees paid to these service providers.

HULL AND ASSOCIATES, INC. RETIREMENT PLAN

NOTES TO AUDITED FINANCIAL STATEMENTS

NOTE 7: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA, as amended. In the event of Plan termination, all participants will become 100 percent vested in their accounts.

NOTE 8: TAX STATUS

The Plan has adopted a non-standardized form of a prototype plan. The prototype plan has received an opinion letter from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan administrator believes the Plan, as amended, is currently being operated in compliance with applicable requirements of the Internal Revenue Code and is exempt from Federal income taxes. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2017 and 2016, there are no uncertain positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9: VARIOUS RISKS AND UNCERTAINTIES

The plan holds various investments. Investment securities are exposed to various risks such as interest rates, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

As of December 31, 2017, the Plan held \$17,790,512 of American Funds funds, which was approximately 65% of the total investments. Therefore, net assets available for benefits are particularly sensitive to changes related to these investments.

NOTE 10: MERGER OF JOBES HENDERSON & ASSOCIATES, INC.

During 2016, Hull and Associates, Inc. acquired and merged in Jobes Henderson & Associates, Inc. The Jobes Henderson & Associates, Inc. 401(k) Plan was terminated effective December 30, 2016. Upon termination of the Jobes Henderson & Associates, Inc. 401(k) Plan, all of the participants were immediately fully vested in the benefits provided pursuant to the Jobes Henderson & Associates, Inc. 401(k) Plan. Pursuant to the terms of the Hull & Associates, Inc. 401(k) Plan, as amended, participants in the Jobes Henderson & Associates, Inc. 401(k) Plan who continued in the employ of Hull & Associates, Inc. following the acquisition of Jobes Henderson & Associates, Inc. were provided the opportunity to transfer the accounts (including loans) from the Jobes Henderson & Associates, Inc. 401(k) Plan to this Plan beginning January 1, 2017. Accounts consisting of \$843,562 of cash and \$21,793 of loans, were transferred from the Jobes Henderson & Associates, Inc. 401(k) Plan during 2017. In addition, this Plan was amended to provide service credit for eligibility and vesting for individuals previously employed by Jobes Henderson & Associates, Inc. who subsequently became employees of Hull & Associates, Inc.
