Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended August 31, 2017 and 2016, that the information provided to the plan administrator by the trustee is complete and accurate.

FREUND, FREEZE & ARNOLD 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2017

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States as more explicitly described in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). Under this method of accounting, income and expenses are identified with specific periods of time and are recorded as earned or incurred, along with acquired assets, without regard to the date of receipt or payment of cash.

Investments

Investments are stated at fair values and unrealized gains and losses are included in income. Shares of mutual funds are valued at the net asset value of shares held by the Plan at year-end. The value of the shares are based on generally published quoted market values.

Participant Notes Receivable

Participant notes receivable are stated at the amount the Plan administration expects to collect from outstanding balances. The notes are secured by the participant's account balance. Interest income on the notes receivable is recognized using the accrual method. Notes in default are written off as a distribution to the participant. At August 31, 2017, none of the notes were in default and there was no allowance for loan losses.

Estimates

The preparation of financial statements in accordance with the generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Other

Certain expenses of the Plan are paid by the plan sponsor.

Subsequent Events

Management has evaluated, for possible adjustment to or disclosure in the financial statements, events occurring after August 31, 2017 through June 13, 2018, which is the date on which the financial statements were available to be issued.

2. DESCRIPTION OF PLAN

The following brief description of Freund, Freeze & Arnold 401(k) Plan (the "Plan") is provided for general information only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was originally adopted by the Partners of Freund, Freeze & Arnold (The "Company") effective August 1, 2000 through Fidelity Management Trust Company. The Plan was amended effective September 1, 2002 in order to comply with ERISA requirements. Effective October 27, 2009 the plan was restated by the adoption of revised prototype plan. The Plan was amended to reflect the provisions of the Pension Protection Act of 2006 (PPA), the Heroes Earnings Assistance and Relief Act of 2008 (HEART), certain related provisions of the Worker, Retiree, and Employee Recovery Act of 2008 (W.R.E.R.A.), and code sections 401(K) and 401(m) proposed regulations.

The Plan is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), except for Title IV. The provisions of ERISA to which the Plan is subject relate, among other things, to reporting and disclosure requirements, participation and vesting standards, fiduciary responsibility and enforcement of rights. Title IV of ERISA, which does not apply to the Plan, provides for insuring of benefits upon Plan termination. Insurance benefits of the type specified in Title IV of ERISA will not be extended to participants or their beneficiaries by the Company or any other person or entity. All employees who have attained the age of 21 and have met the one year of service requirement are eligible to participate in the Plan. Eligible employees can enter the Plan on the first day of the plan year or the first day of the seventh month of the plan year.

Contributions

Participants may elect to have up to 75% of their pretax annual compensation contributed to the Plan on a before-tax basis pursuant to Code Section 401(k) rules and limitations. Further, participants may contribute up to 100% of cash bonuses paid by the employer. Catch up contributions are allowed for all participants who have attained age 50 or older. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Plan participants can designate how contributions are to be invested in the funds that are offered by the Plan.

The employer is required to make a Safe Harbor Non-elective Contribution each plan year. The Employer shall contribute to each eligible active participant an amount equal to 3% of such active participant's compensation.

NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2017

2. DESCRIPTION OF PLAN (Continued)

Funding

Participant and company contributions are funded after each payroll from the general assets of the Plan sponsor.

Vesting

The participants are immediately 100% vested in their contributions and in the employer Safe Harbor Non-elective Contributions.

Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half the present value of the participant's account. Loans are secured by the balance in the participant's account and bear interest at 6.5%, which are commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Principal and interest is paid ratably through payroll deductions over no more than 5 years.

Payment of Benefits

Benefits equal to the value of a participant's account are payable upon termination of employment, or the later of the attainment of normal retirement age or the actual retirement date, but in either case no later than April 1st of the year following the attainment of age 70 1/2. A participant, who becomes disabled or has a hardship, as defined in the plan document, is eligible for disability retirement or a hardship distribution. Benefits will be paid as a lump sum or through periodic installments.

3. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will remain 100% vested in their employer contributions.

4. TAX STATUS

The Plan, a standardized profit sharing 401(K) plan, is qualified under section 401(a) of the Internal Revenue Code. As such, participants are not taxed on contributions or earnings allocated to their accounts until they receive a distribution from the plan. Effective December 31, 2001 and September 1, 2002, the Plan was amended to comply with the provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA).

The plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the

4. TAX STATUS (Continued)

plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

While the taxing authorities have not expressed any interest in doing so, the Form 5500 returns filed for periods ending August 31, 2014, 2015, 2016 and 2017 are subject to examination.

5. PARTICIPANTS

The number of active participants with account balances as of August 31, 2017 was 104.

6. NET ASSETS ALLOCATED TO TERMINATED PARTICIPANTS

As of August 31, 2017, there was \$1,006,173 of benefits allocated to terminated participants.

7. INVESTMENTS

The investments are held and administered by Fidelity Management Trust Company. The investments are not federally insured. The schedule on page 11 shows the detail of the investments held by the Plan at August 31, 2017.

The cash balances of \$448,677 and \$1,057,135 at August 31, 2017 and 2016, respectively, were held in a money market account. The money market account is not federally insured.

The Fair Value Measurement and Disclosure Topic of FASB ASC establishes a fair value hierarchy that prioritizes the inputs used to measure the fair value of assets into three levels of input and expands disclosures regarding the fair value measurements. The FASB ASC Topic defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The disclosures that follow do not relate to what is known as investment risk, such as the risk of a permanent decline in the fair value of an investment, or an investment's custodial risk. The levels of input described below relate solely to the process of determining the fair value of each of the investments held by the Plan on the report date. The three levels of input are as follows:

Level 1 Inputs are unadjusted quoted prices in active markets for identical assets, and the Plan has the ability to access that information on August 31.

Level 2 Inputs are other than Level 1 quoted prices that are observable either directly or indirectly.

NOTES TO FINANCIAL STATEMENTS

7. INVESTMENTS (Continued)

Level 3 Valuations based on unobservable inputs such as when observable inputs are not available or inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The reported fair values of the Plan's investments in money market funds, mutual funds, and fixed income funds are based on inputs from the various fund managers and are presented by caption and by level in the table below.

	Level 1	Level 2	Level 3
