Report of Independent Auditors

To the Administrator of the
USA Retirement Savings Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the USA Retirement Savings Plan (the "Plan"), which comprise the statement of net assets available for plan benefits in liquidation as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits in liquidation for the year ended December 31, 2017, and related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Vanguard Fiduciary Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2017 and 2016 and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the financial statements.

Plan Termination and Liquidation Basis of Accounting

As discussed within Note 1 to the financial statements, the governing body of the Plan approved a plan of liquidation on September 13, 2016 and management determined liquidation of the Plan to be imminent. As a result, the Plan changed its basis of accounting on September 30, 2016 from the going concern basis to a liquidation basis used in presenting the 2017 and 2016 financial statements. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

USA Retirement Savings Plan

Notes to Financial Statements

December 31, 2017 and 2016

1. Description of the Plan and Plan Termination

The following brief description of the USA Retirement Savings Plan (the “Plan”), sponsored by United Space Alliance, LLC (“USA” or “Company”), is provided for general informational purposes only. Participants should refer to the plan document and summary plan description for more complete information.

General

The Plan is a defined contribution savings plan sponsored by USA. The Plan is extended to cover all employees of USA who are eligible to participate upon commencement of employment.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

Plan Termination

On September 13, 2016 the Compensation Committee of United Space Alliance agreed to terminate the Retirement Savings Plan effective June 30, 2017.

The Plan filed an application on October 24, 2016 with the Internal Revenue Service (“IRS”) for advance determination of the qualification of the Plan to determine if the Plan meets the qualification requirements of Section 401 of the Internal Revenue Code (“IRC”) of 1986, with respect to the Plan’s termination. The IRS has determined and informed the Company by letter dated August 15, 2017, that the termination of the Plan does not affect its qualification for federal income purpose. The Plan has been terminated and the assets were distributed to the participants during 2017.

Prior to the distribution of Plan assets, the participants had the option to select a distribution method in accordance with Plan termination distribution guidelines. For most participants, distributions were rolled over to another qualified plan or were paid in cash. The total remaining assets relating to nonresponsive participants were transferred to a retirement plan benefit distribution service to create missing participant IRAs. As of December 31, 2017, all Plan assets had been distributed or transferred.

Administration

The Benefits Plan Administrator of the Company is responsible for the operation and administration of the Plan and is authorized to delegate such responsibilities to the Compensation Committee of the Company (the “Committee”) as the administrator may deem necessary and appropriate. Effective November 21, 2015, the Benefits Administrative Committed (“BAG”) was dissolved. The Committee is now responsible for the operation and administration of the Plan. Vanguard Fiduciary Trust Company (“Vanguard”) is the Plan’s trustee and asset custodian.

Eligibility

The Plan covers all salaried or hourly employees employed by the Company or a wholly owned subsidiary of the Company. This includes part-time employees who are employed on a regular basis by the Company or subsidiary and employees reported as common law employees on USA payroll records. An employee is eligible to participate the first payroll period beginning after the date of hire.

USA Retirement Savings Plan

Notes to Financial Statements

December 31, 2017 and 2016

Employees are not eligible to participate if:

- Compensated by special fees or under a special contract or arrangement, or on a commission basis;
- Covered by a bargaining agreement that does not specifically call for participation.
- Classified by USA as a leased employee or an independent contractor, regardless of employment status under applicable law

Contributions

The Plan provides that eligible employees electing to become participants may make basic contributions to the Plan through payroll deductions or salary deferrals at a specified percentage ranging from 1% to 50%, including a basic and supplemental contribution, of their base compensation as defined in the Plan unless otherwise specified for participants covered by a collective bargaining agreement. The Plan also provides that certain limitations may be imposed on salary deferral contributions in order to comply with certain statutory limitations.

In 2010 and previous years, USA provided matching contributions to the Plan in an amount equal to 60% of a participant's basic contribution up to a maximum of 8% of a participant's base compensation as defined in the plan document, unless otherwise specified for participants covered by a collective bargaining agreement.

The Plan was amended, effective January 1, 2011, to provide for matching contributions in an amount equal to 100% of a participant's contributions for the first 1% of base compensation and 50% of the next 5% of a participant's contribution. As a result of this amendment, individually specific matching contribution formulas for participants covered by a collective bargaining agreement were discontinued. Matching contributions for 2017 and 2016 were financed with forfeitures.

Participants may also elect to roll over distributions from a former employer's qualified retirement plan.

Vesting of Contributions

Participants' contributions are fully vested at all times. Amounts contributed through after-tax contributions (payroll deductions) may be distributed at any time. However, amounts contributed through pre-tax contributions (salary deferrals) may be distributed to participants only upon meeting certain conditions as defined in the plan document. USA's matching contributions and related earnings or losses become 100% vested upon completion of five years of employment with USA or an affiliated company, as defined by the plan document, for participants' below age 65, as follows:

Years of Vesting Service	Vested Interest
Less than two years	0 %
Two but less than three years	25 %
Three but less than four years	50 %
Four but less than five years	75 %
Five or more years	100 %

USA's matching contributions also become fully vested upon a participant's attainment of the age of 65 and certain other conditions as defined in the plan document.

Forfeitures

When certain terminations of participation in the Plan occur, the nonvested portion of the participant's account, as defined by the Plan, represents a forfeiture. Forfeitures are utilized to reduce USA's contributions to the Plan. However, if the participant is reemployed within five years of their termination date and fulfills certain requirements, as defined in the Plan, the participant's account will be restored.

At December 31, 2017 and 2016, remaining forfeited accounts totaled \$0 and \$312,544, respectively. USA used \$12,619 of forfeitures to reduce employer contributions for the year ended December 31, 2017.

Participant Accounts

Each participant's account is credited with the participant's contribution and USA's matching contribution, if applicable, and an allocation of Plan earnings or losses; net of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transitions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Benefit Payments

Upon termination of employment, retirement, death, or disability, as qualified under the Plan, a participant may elect to have his or her vested account balance paid in one of the following ways:

- Lump sum payment;
- Rollover to other qualified retirement plan;
- Five or fewer annual installment payments with such installment payments to be equal to the value of the participant's vested account balance as of the valuation date immediately preceding distribution, divided by the number of installments remaining at the time of each payment; or
- Periodic withdrawal(s) of any amount after date of termination.

Notwithstanding the above, if the aggregate amount of the participant's accounts does not exceed \$5,000, the payment shall automatically be made to the participant in a lump sum.

Any outstanding loan balances at the time of withdrawal will be paid first out of the distributed funds.

Notes Receivable from Participants

Participants may borrow up to 50% of the vested balance of their accounts, not in excess of \$50,000. The loans are nonparticipant directed and are made for terms not to exceed 10 years for primary residence loans and five years for other loans and bear interest at the rate of prime plus 1%. Interest rates on loans range from 4.25% to 10.5%. Loans transferred to the Plan as a result of plan transfers or mergers retain the original loan terms.

Plan Amendment

The Plan was amended effective June 22, 2017 by Ninth Amendment to disallow the Trustee from investing the Trust Fund in employer securities as defined in ERISA section 407(d)(1). Additionally, the amendment also provides the survivors of any Participants who died on or after January 1, 2007 while performing qualified military services to be entitled to any additional benefits that would have been provided under the Plan had the Participant resumed employment and then terminated employment on account of death.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements for 2017 and 2016 are prepared in conformity with accounting principles generally accepted in the United States of America ("US GAAP") using the liquidation basis of accounting.

Valuation of Investments

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Investment Income

Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales are recorded on the trade-date basis. Net appreciation (depreciation) in fair value of investments includes net unrealized gain (loss) in the fair value of investments and net realized gain (loss) on the sale of such investments.

Notes Receivable from Participants

Borrowings on a participant's vested account balance are carried as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balance plus any accrued but unpaid interest, on the Statements of Net Assets Available for Plan Benefits.

Net Appreciation (Depreciation) in Fair Value of Investments

Realized gains (losses) from the sales of investments and changes in unrealized appreciation (depreciation) are aggregated and reported in the accompanying statement of changes in net assets available for benefits as net appreciation (depreciation) in fair value of investments.

Expenses

The Plan's trustee and investment management expenses are paid from the Plan's assets, as provided by the plan document, unless specifically directed by the Committee to be paid by USA.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Benefits Paid to Participants

Benefits are recorded when paid.

Subsequent Events

The Plan has evaluated events through September 26, 2018, the date the financial statements were available to be issued.

3. Investments

Investment Funds

The Plan provides for twenty-six registered investment companies, one commingled fund and one collective trust offered by the Vanguard Group as well as registered investment companies offered by Fidelity Investments and Wells Fargo as investment funds to which contributions to the Plan may be invested. The registered investment companies are invested in mutual funds valued at net asset value ("NAV") of each fund. USA's contributions will follow the investment elections made by the participant.

The Plan invests in common commingled trusts valued at NAV. The underlying investments are primarily in a pool of investment contracts that are issued by insurance companies and commercial banks and in contracts that are backed by high-quality bonds, bond trusts, and bond mutual funds.

The Plan also invests in the Vanguard Prime Money Market Fund, which is a commingled fund that invests in short-term debt instruments of companies primarily operating in specific industries, particularly financial services. The fund offers two classes of shares, Investor Shares and Institutional Shares, and is valued using the NAV of the investment.

Effective January 1, 2006, Lockheed Martin Corporation ("LMC") common stock is not available for investment of future contributions nor can existing participant investment balances be reallocated to LMC common stock. Dividends from LMC common stock are not reinvested into LMC common stock; rather, they are invested in accordance with the participant's current investment allocation.

4. Information Certified by the Plan's Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's trustee, Vanguard Fiduciary Trust Company, has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments and notes receivable from participants, as shown in the statements of net assets available for plan benefits as of December 31, 2017 and 2016 and in Note 5.
- Interest and dividend income and net appreciation in fair value of investments and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2017.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements.

5. Fair Value Measurements

ASC 820, *Fair Value Measurements and Disclosures*, defines fair value as an exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants. ASC 820 also specifies a fair value hierarchy based upon the observability of inputs used in valuation techniques. Observable inputs (highest level) reflect market data obtained from independent sources, while unobservable inputs (lowest level) reflect internally-developed market assumptions. In accordance with ASC 820, fair value measurements are classified using the following hierarchy:

- Level 1 Valuation based on quoted prices in active markets for identical assets.
- Level 2 Valuation based on observable inputs that do not meet the criteria for Level 1, including quoted prices in inactive markets and quoted prices in active markets for similar but not identical instruments; and
- Level 3 Valuations based on unobservable inputs.

Valuation methodologies used for major investment types measured at fair value include:

- *Mutual funds or registered investment companies*: open-ended mutual funds are valued at the NAV of each fund determined as of the close of the New York Stock Exchange on the valuation date.
- *Money market fund*: Valued at the daily closing price as reported by the fund. The money market fund is an open-end mutual fund that is registered with the Securities and Exchange Commission. This fund is required to publish its daily NAV and to transact at that price. The money market fund is deemed to be actively traded.
- *Common/collective trusts ("CCTs") and commingled funds*: valued at the NAV of units of a collective trust. The NAV, as provided by the Trust or fund, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily but most usually at beginning or month end. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.
- *Common stock*: Valued at the quoted closing price reported on an open active market on which the individual securities are traded.

The fair value measurements at December 31, 2016 (Liquidation Basis) and their related inputs are as follows:

	As of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Money Market Fund	\$ 34,655,641	-	-	\$ 34,655,641

Total investments, at fair value	\$ 562,018,537	\$ -	\$ -	\$ 631,189,519

- a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes attributes of the Investments in Certain Entities that Calculate Net Asset Value per Share at December 31, 2016 (Liquidation Basis):

	Fair Value at December 31, 2016	Unfunded Commitments	Remaining Life	Redemption Frequency	Redemption Notice Period
Common Collective trust	\$ 69,170,982	\$ -	N/A	Daily	N/A
	\$ 69,170,982	\$ -			

6. Related-Party Transactions

The Plan owns shares of certain registered investment companies and a common collective trust fund that are managed by Vanguard Fiduciary Trust Company. As Vanguard is the trustee of the Plan, these transactions qualify as party-in-interest transactions. The Plan also owns shares of common stock of LMC. These transactions are exempt as defined in ERISA Section 408 and the regulations thereunder. Fees paid by the Plan to Vanguard, net of reimbursements by the Company, for administration, early withdrawal, and loan processing amounted to \$286,873 for the year ended December 31, 2017.

7. Tax Status

U.S. GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. Tax audits for fiscal years 2010 through 2012 were concluded as of March 20, 2015 with no adverse findings. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2014.

USA Retirement Savings Plan

Notes to Financial Statements

December 31, 2017 and 2016

The IRS has determined and informed the Company by letter dated March 10, 2014, that Plan is designed in accordance with applicable sections of the IRC. Another IRS letter dated August 15, 2017, determined and informed the Company that the termination of the Plan does not affect its qualification for federal income purpose.

The Plan has been amended since receiving the determination letters. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, no provision is made for federal income taxes.

8. Risks and Uncertainties

The Plan provides for investments in registered investment companies, a collective trust fund, and common stock. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the Participants' account balances and the amounts reported in the statement of net assets available for benefits.
