Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

Other Matter - Supplemental Schedule

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2017, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

**Other Matter - 2016 Financial Statements**

The financial statements of the Plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the trustee of the Plan. Their report, dated August 2, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2017

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Expera Specialty Solutions LLC 401(k) Plan

Notes to Financial Statements

Note 1: Plan Description

The following description of the Expera Specialty Solutions LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Expera Specialty Solutions LLC (the "Company") and its divisions who have reached the age of 18. However, seasonal employees, interns and part-time employees not subject to a collective bargaining agreement will become eligible upon completion of 1,000 hours of service in the Plan year and reaching the age of 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The 401(k) Plan Committee is responsible for the oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Contributions

Eligible employees may elect to contribute up to 85% of eligible compensation, up to the maximum contribution allowable by the Internal Revenue Service (IRS). The Plan allows participants to roll over distributions from other qualified retirement plans. Rollovers are not matched. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. The Plan also includes an auto-enrollment provision whereby all newly eligible full-time employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 5% of eligible compensation, subject to an increase of 1% each year thereafter to a maximum of 10% if the participant does not opt out of the automatic enrollment.

The Company makes matching contributions to the Plan based on a participant's location, union status, and if the participant is hourly or salary. Kaukauna union hourly participants receive a match of 100% of participant contributions up to 3% of eligible compensation. In addition, the Kaukauna union hourly employees receive a nonelective Company contribution of 2.75% - 5.50% of compensation based on years of service. Nonunion salary and De Pere hourly participants receive a match of 100% of the first 6% of eligible wages. Mosinee and Rhinelander union hourly participants hired after June 26, 2013, receive a match of 100% of the first 3% of deferrals, plus 50% of the next 2% of deferrals. In addition, Mosinee and Rhinelander union hourly employees hired after June 26, 2013, receive a nonelective Company contribution of 2.75% - 6.50% of compensation based on years of service. The Mosinee union employees hired prior to June 26, 2013, receive a nonelective Company contribution of 2.50%-6.0% of compensation based on age and years of service. Rhinelander union hourly employees hired prior to June 26, 2013, were not eligible for a nonelective Company contribution until January 1, 2017, then became eligible to receive a contribution of 2.50% - 6.50% of compensation based on age and years of service.

Expera Specialty Solutions LLC 401(k) Plan

Notes to Financial Statements

Note 1: Plan Description (Continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and allocations of plan earnings or losses and is reduced for withdrawals and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. After July 1, 2013, participants become vested in Company contributions after the completion of three years of service, with no vesting prior to that time, with the exception of certain non-union and Mosinee union hourly participants whom follow specific vesting requirements as defined in the Plan document. Prior to July 1, 2013, participants should refer to the Plan document for the specific vesting provisions.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Note terms range from one to five years unless the loan qualifies as a loan for the purchase of a participant's primary residence, which shall not exceed 10 years. The notes are secured by the balance in the participant's account and bear interest at a fixed rate to approximate market rates at the loan inception date. Interest rates ranged from 4.25% to 5.25% at December 31, 2017. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Plan benefits are available at normal retirement age (59 1/2), disability retirement, death, financial hardship (if certain criteria are met), or termination of employment. Benefits are paid in the form of a lump-sum amount or installments. The Plan also allows for in-service distributions upon attaining age 59 1/2.

Forfeitures

Plan forfeitures arise as a result of participants who terminate service with the Company before becoming 100% vested in the Company's contributions. At December 31, 2017 and 2016, forfeited nonvested accounts totaled \$55,917 and \$2,834, respectively. These accounts will be used to reduce future Company contributions or to pay administrative expenses of the Plan, as directed by the Company. During the year ended December 31, 2017, Company contributions were reduced by \$69,579 from forfeited nonvested accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The 401(k) Plan Committee determines the Plan's valuation policies utilizing information provided by the trustee. See Note 3 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. If a participant ceases to make note repayments and the plan administrator deems the participant note to be in default, the note balance is reduced and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Included in administrative expenses are administrative fees paid by the Plan, fees related to in-service distributions to participants, and loan origination and maintenance fees associated with notes receivable from participants. All other expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements. Investment-related expenses are paid through revenue sharing and included in net appreciation in fair value of investments.

Subsequent Events

Subsequent events have been evaluated through September 26, 2018, which is the date the financial statements were available to be issued.

Note 3: Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority level; Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1); and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2017 and 2016.

Money market fund and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The money market fund and mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds and common stocks that are valued on the basis of readily determinable market prices.

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total

Note 4: Information Prepared and Certified by Trustee

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2017, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan.

Note 5: Related-Party Transactions and Party-in-Interest Transactions

Certain plan investments are managed by Fidelity, the trustee. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA. The Plan paid administrative fees to Fidelity of \$9,714 for the year ended December 31, 2017. Certain other fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments, since they are paid through revenue sharing rather than a direct payment.

Strategic Advisors, Inc. is the investment advisor for the Plan. The Plan paid fees of \$41,170 to Strategic Advisors, Inc. for the year ended December 31, 2017.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 6: Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions.

Notes to Financial Statements

Note 7: Tax Status

The Plan adopted a nonstandard volume submitter plan document with an IRS notification letter, which states the volume submitter plan document is in compliance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRS and has no income subject to unrelated business income tax. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 8: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
