Eligibility becomes effective on the next January 1, April 1, July 1, or October 1 following the date an employee meets the eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Administration – The Plan is administered by the Company which is responsible for controlling and managing the operations.

Contributions – Participants may make pre-tax 401(k) contributions in any amount up to 100% of their eligible compensation, subject to certain limits imposed by the Internal Revenue Service ("IRS"). The Plan also provides that participants who are projected to be age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make catch-up contributions, subject to certain IRS limitations.

The Plan also provides for discretionary, non-elective "safe harbor" Company contributions. Such discretionary "safe harbor" contributions are equal to 100% of up to 3% of eligible compensation plus an additional 50% of eligible compensation contributed between 3% and 5% for the year ended December 31, 2017.

Rollovers – Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Participant Accounts – The Plan maintains an individual account for each participant. These accounts are credited with participants' contributions, Company contributions, and related earnings, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable From Participants – Participants may borrow from their fund accounts a minimum of $1,000 up to the extent of one-half of their vested account balance under the Plan, not to exceed $50,000. The loans are secured by the balance in the participant's account. The Plan requires a 12 month waiting period between paying off a loan and applying for a new loan. The loan interest rates will be based on the rates available for similar loans from commercial lending institutions. Principal and interest is paid ratably through payroll deductions.

Vesting – Participants have a 100% non-forfeitable vested interest in their voluntary contributions, employer "safe harbor" contributions, and earnings thereon.

Note 1. Plan Description (Continued)

Payment of Benefits – Upon termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the participant's account balance is less than $5,000, the plan administrator directs Wells Fargo Bank, N.A. (the "Trustee") to make a lump-sum distribution. Distributions of a participant's elective deferral account balance may be authorized at any time by the plan administrator under certain hardship conditions. The Plan also has provisions for an active participant to make in-service withdrawals upon attaining age 65.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by investment advisers and the Trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable From Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Administrative Expenses – Administrative expenses of the Plan are paid by the Company or the Plan at the option of the Company. Participants who elect to receive a distribution or take a loan are charged a processing fee.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of Benefits – Benefits are recorded when paid.

Subsequent Events – The Company has evaluated subsequent events through September 13, 2018, which is the date the financial statements were available to be issued.

Note 3. Unaudited Information

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments and notes receivable from participants reflected in the statements of net assets available for benefits at December 31, 2017 and 2016, the supplemental schedule at December 31, 2017, the related investment and loan interest activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2017, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 4. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 – Unobservable inputs in which little or no market data exists

The following is a description of the valuation methodologies used for Plan assets measured at fair value:

- The fair value of investments held in the Mutual Funds is determined based on their quoted closing market prices in active markets for identical investments, and is classified as Level 1.

- The fair value of investments held in the Collective Trust Fund is based on their reported net asset value ("NAV"). The NAV is based primarily on observable inputs, the market value of the underlying investments, and is classified as Level 2.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodologies used from 2016 to 2017. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

	Level 1	Level 2	Level 3	Total
December 31, 2017:				
Mutual Funds	$7,854,089	$ -	$ -	$7,854,089
Collective Trust Fund	-	1,251,561	-	1,251,561
Total	$7,854,089	$1,251,561	$ -	$9,105,650

	Level 1	Level 2	Level 3	Total
December 31, 2016:				
Mutual Funds	$6,757,856	$ -	$ -	$6,757,856
Collective Trust Fund	-	1,185,499	-	1,185,499
Total	$6,757,856	$1,185,499	$ -	$7,943,355

Note 5. Termination Provisions

The Company anticipates and believes that the Plan will continue indefinitely, however, the Company reserves the right to terminate the Plan at any time. In the event of termination of the Plan, the assets then remaining in the Plan will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

Note 6. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 7. Party-in-Interest Transactions

Wells Fargo Bank, N.A. is the Trustee as defined by the Plan. Administrative fees in the amount of $42,574 were paid to the Trustee from the Plan during the year ended December 31, 2017. The Trustee may also receive revenue sharing income from fund service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts owed to the Trustee for its administrative services to the Plan. Revenue sharing income totaling $9,502 was received by the Plan during the year ended December 31, 2017, and is recorded within investment income. These transactions qualify as party-in-interest transactions.

Note 8. Income Tax Status

The Plan has adopted an approved volume submitter Plan document. This Plan document has obtained a determination letter dated March 31, 2014 from the IRS in which the IRS stated that the document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving this determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

The plan administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.
