Fort Myers, Florida

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Suncoast Beverage Sales 401(k) Profit Sharing Plan & Trust (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (collectively, Great-West), the trustee/custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Great-West holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Great-West as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee/custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule (see accompanying table of contents), as of December 31, 2017, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2016 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West, the trustee/custodian of the Plan. Their report, dated October 4, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Great-West, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2017

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by Great-West, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Suncoast Beverage Sales 401(k) Profit Sharing Plan & Trust (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (collectively, Great-West), the trustee/custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that Great-West holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from Great-West as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee/custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

Other Matter – Supplemental Schedule

The supplemental schedule (see accompanying table of contents), as of December 31, 2017, is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2016 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Great-West, the trustee/custodian of the Plan. Their report, dated October 4, 2017, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by Great-West, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2017

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by Great-West, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SUNCOAST BEVERAGE SALES 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

1. Plan Description –

The following description is provided for information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Suncoast Beverage Sales 401(k) Profit Sharing Plan & Trust (the Plan) is a defined contribution plan adopted by Suncoast Beverage Sales, LLLP (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator is responsible for oversight of the Plan. The Plan has an investment committee that determines the appropriateness of the Plan's investment offerings and monitors investment performance, and reports to the plan administrator.

Eligibility

Employees become eligible to participate upon attaining age 21 and the completion of 166 hours of service during the first two months of employment or the completion of a year of service. Employees are eligible to make salary deferral contributions to the Plan the first day of the quarter following the completion of the eligibility requirement. To be eligible for employer contributions, employees must complete 1,000 hours of service and be employed on the last day of the Plan year.

Contributions

Participants may elect to make pre-tax salary deferral contributions, not to exceed annual limitations specified in the Plan. Pre-tax salary deferral contributions cannot exceed the amount allowable under Section 415 of the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants also may contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also make after-tax Roth 401(k) deferral contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make matching and profit sharing contributions as determined annually. For the year ended December 31, 2017, the Company matching contribution was 35% of the first 5% of employee's deferral contributions. The Company remits a qualifying matching contribution once per year. There was no Company profit sharing contribution for the year ended December 31, 2017.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contributions, as well as allocations of Plan earnings. Profit sharing contributions are allocated in the same proportion that each participant's eligible compensation bears to the total eligible compensation of all participants. Participant accounts are charged with Plan losses and an allocation of administrative expenses that are paid by the Plan. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their pre-tax salary reduction contributions, Roth contributions, rollover contributions, and related earnings. Participants vest 20% each year beginning after one year of service in their employer-derived contributions and related earnings. Upon termination of employment, any nonvested amount of employer-derived contributions is forfeited.

(continued)

1. Plan Description – (continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts up to a maximum of the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. Loan terms range from one to five years with longer term loans available for the purchase of a primary residence. The loan interest rate, determined quarterly, is set at the prime interest rate plus 1%. Interest rates on outstanding loans range from 4.25% to 5.25%. The loans mature at various times through September 2030. Principal and interest are paid ratably through payroll deductions.

Normal Retirement

Normal retirement age is 65. Participants vest 100% in their account balances at age 65, although actual payment of benefits may generally not begin until the participant is entitled to a distribution under terms of the Plan.

Payment of Benefits

A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability or death, or their vested balance at retirement. In addition, participants may obtain hardship withdrawals, as defined by the Plan. Vested benefits of $5,000 or less are distributed in a single lump-sum as soon as practicable after the event occurs that entitles a participant to a distribution. Vested benefits that exceed $5,000 are distributed in either a single lump sum payment of installments over a period not more that the participant's life expectancy.

Forfeitures

At December 31, 2017 and 2016 forfeited nonvested accounts totaled $831 and $5,041, respectively. These accounts will be used by the Company to pay Plan expenses or to reduce future employer contributions. In 2017, the Company used $5,047 in forfeitures to reduce employer contributions.

Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become 100% vested in their employer contributions.

2. Significant Accounting Policies –

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for direct fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

(continued)

2. Significant Accounting Policies – (continued)

Use of Estimates

The preparation of the financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect certain amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, trustees/custodians and insurance company. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses related to sales of investments are recorded on a trade-date basis, and unrealized gains and losses are recorded based on the fair value as of the end of the Plan year. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefits

Benefits paid to participants are recorded when paid. There were no benefits requested before year-end that were not paid.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

3. Certified Investments –

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2017 and 2016, and investment income, including interest income on notes receivable from participants, for the year ended December 31, 2017 that is disclosed in the accompanying financial statements and supplemental schedule, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee/custodian of the Plan.

SUNCOAST BEVERAGE SALES 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

4. Fair Value Measurements –

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017 and 2016.

	Investments at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	**$ 3,496,892**	$ -	$ -	**$ 3,496,892**
Cash, interest bearing	**831**	-	-	**831**
Total investments in the fair value hierarchy	**$ 3,497,723**	$ -	$ -	**$ 3,497,723**

	Investments at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 2,683,216	$ -	$ -	$ 2,683,216
Cash, interest bearing	5,041	-	-	5,041
Total investments in the fair value hierarchy	$ 2,688,257	$ -	$ -	$ 2,688,257

5. Fully Benefit-Responsive Investment Contracts –

The Key Guaranteed Portfolio Fund is a fixed account that is part of the general account of Great-West Life & Annuity Insurance Company. The Key Guaranteed Portfolio Fund is a fully benefit-responsive investment and is reported at contract value in the statements of net assets available for benefits. Benefit responsiveness is defined as the extent to which a contract's terms and the Plan permit or require participant-initiated withdrawals at contract value. Contract value represents contributions made under the contract that are allocated to the fixed account, plus interest, less amounts transferred or distributed, and less any applicable fees, as defined. There are no reserves against contract value for credit risk of the contract issuers or otherwise. Either party to the contract may terminate with at least a 90 days advance written notice to the other party.

6. Related-Party Transactions and Party-in-Interest Transactions –

Certain Plan investments are managed by Great-West Trust Company, LLC and Great-West Life & Annuity Insurance Company (collectively, Great-West). Great-West is the trustee/custodian as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan for the investment management services were approximately $6,000 for the year ended December 31, 2017.

7. Tax Status –

The Company adopted a nonstandardized prototype plan sponsored by Henderson, Franklin, Starnes & Holt, P.A. The prototype plan sponsor obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified and the related trust is tax-exempt.

8. Risks and Uncertainties –

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. Concentrations –

Investments that represent 10% or more of the Plan's total investment balance were as follows:

Investment	December 31, 2017	December 31, 2016
Great-West Key Guaranteed Portfolio Fund	**$ 432,642**	$ 412,314
Vanguard LifeStrategy Growth Fund Investor	**1,004,610**	*
Putnam Dynamic Asset Allocation Growth A	*	788,149

* Represents less than 10%

10. Reconciliation of Financial Statements to IRS Form 5500 –

The following is a reconciliation of the net assets available for benefits from the financial statements to the IRS Form 5500:

	December 31,	
	2017	2016
Net assets available for benefits - financial statements	**$ 4,230,991**	$ 3,431,107

Prior year rounding difference	(5)
Net income – IRS Form 5500	$ 799,879

11. Subsequent Events –

The Plan has evaluated subsequent events through September 27, 2018, the date at which the financial statements were available to be issued.
