THE DP MEDIA NETWORK EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies

The following description of The DP Media Network Employee Savings Plan (the "Plan") provides only general information. Participants and all others should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established April 1, 2001 by The Denver Newspaper Agency, LLP (the "DNA"). When the DNA was dissolved on August 26, 2009, The Denver Post LLC continued the Plan as a successor employer. Effective December 31, 2012, The Denver Post Non-Union Employee Savings Plan merged with The Denver Post Union-Covered Employee Savings Plan. Effective January 1, 2013, the Plan name changed from The Denver Post Union-Covered Employee Savings Plan to The Denver Post Employee Savings Plan. Effective January 1, 2016, the Plan was amended and restated to incorporate all previous amendments. Effective June 28, 2017, the Plan name changed to The DP Media Network Employee Savings Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Employees are eligible to participate immediately upon the employee's employment commencement date. Eligible employees are automatically enrolled at a deferral rate equal to 3% of eligible compensation, unless they make an affirmative election not to defer or to defer a different percentage. Participants become eligible for employer matching contributions after completing one year of service. Service under the Plan takes into account service performed by participants while in the employment of the Denver Publishing Company.

The Board of Directors of DP Media Network, LLC (the "Company") administers the Plan. Prudential Bank & Trust, F.S.B. ("Prudential") serves as trustee, manages Plan assets, and maintains the Plan's records. Prudential offers Plan participants a variety of investment options through various investment options. Individual accounts are invested in the various investment options at the direction of the participants.

Effective December 31, 2017, the DP Media Network Employee Savings Plan merged into the MediaNews Group Retirement/Savings Plan. The amount transferred out of the Plan during 2017 was \$57,736,448, which includes an in-kind transfer of participant loan balances totaling \$584,011, and funds that were not deposited into the merged plan's assets totaling \$467,790, both of which did not occur until January 2, 2018, and as such, are recorded as receivables within the merged plan's statements of net assets available for benefits as of December 31, 2017.

As the transfers were made in-kind, they are no longer reflected in the statements of net assets available for benefits within this Plan as of December 31, 2017. As the majority of the Plan year operated under the terms of this Plan, the footnote disclosures below describe the terms of the Plan through December 31, 2017, and are stated in the present tense, despite the reduction of this Plan's net assets to zero at year-end.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

THE DP MEDIA NETWORK EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Contributions

Participants may make before-tax contributions up to 75% of their annual eligible compensation, as limited by the IRS, which is adjusted annually by the Secretary of the Treasury for inflation. This maximum percentage may be reduced by the Plan administrator in certain circumstances. The Plan also permits rollover contributions from other qualified retirement plans. Eligible employees who have reached age 50 during the Plan year may elect to make catch-up contributions, as limited by the IRS. Employee contributions to the Plan are made through regular payroll deductions. After-tax Roth 401(k) contributions are not allowed.

Company matching contributions are discretionary. The Company did not make matching contributions for the year ended December 31, 2017.

Participants' Accounts

Each participant's account is credited or debited with the participant's contributions and withdrawals, as applicable, and an allocation of the Company's contributions, Plan earnings or losses, forfeitures, and Plan expenses. Allocations are based upon Plan earnings or losses and account balances, as defined by the Plan. The benefit to which a participant is entitled is the vested portion of the participant's account.

Vesting

Participants are vested immediately in their voluntary contributions and in any Company discretionary matching contributions plus actual earnings or losses thereon.

Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. Participants may have a maximum of one loan outstanding at any given time. The loans are secured by the balances in the participants' accounts and bear interest at rates that range from 4.25% to 9.25%, which are commensurate with local prevailing rates as determined quarterly by the Plan administrator at loan origination, and mature at various dates through December 2022. Loans have a maximum term of five years, unless such loan is for the purchase of the participant's primary residence, in which case the repayment period may not exceed ten years from the date of the loan origination. Principal and interest are paid ratably through payroll deductions. Participant loans are recorded in the financial statements at amortized cost (which represents unpaid principal plus accrued interest). Upon termination of a participant from employment, the participant's loan shall be due in full. No loans were deemed a distribution in the current year.

Payment of Benefits

Upon death, disability, retirement (age 65), or termination of service, a participant or his or her beneficiary may receive, at his or her election, within a reasonable period of time, a lump sum payment in the amount equal to the participant's vested account balance. Benefits are recorded when paid.

THE DP MEDIA NETWORK EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Payment of Benefits (continued)

The Plan allows in-service distributions and partial distributions to participants age 59½ or older who have not terminated employment with the Plan sponsor. The Plan also provides for hardship withdrawals for defined hardship events. Participants who are granted a hardship withdrawal are not allowed to make contributions for the six months following such withdrawal. Furthermore, the Plan allows for terminated participant vested account balances of \$1,000 or less to be automatically distributed. The IRS has required minimum distributions once a participant reaches age 70½ during the previous Plan year and is no longer employed by the Company.

Valuation of Investments and Income Recognition

The Plan's investments are recorded at fair value and contract value as reported to the Plan by the trustee. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policy utilizing information provided by the investment advisers, including the appointment of investment managers, and the monitoring of the performance of the Plan's investment funds. See Note 3 for discussion of fair value measurements.

Investments in mutual funds are reported at the last reported sales price at the end of the respective periods using quoted market values.

Pooled separate accounts are valued at the net asset value ("NAV") of units held by the Plan as a practical expedient at year-end based on the quoted market prices of the securities underlying the investments. Except for the Prudential Real Estate Fund, these investments are redeemable daily, have a one-day notice period, and do not contain redemption restrictions or unfunded commitments. The Prudential Real Estate Fund does not guarantee daily withdrawals, and with advance notice, may temporarily suspend new deposits into the fund if determined appropriate by the fund manager. Any such suspended deposits would be invested in the Plan's default fund as defined within the Plan document. There are no other redemption restrictions or unfunded commitments for the Prudential Real Estate Fund.

The Plan offers a fully benefit-responsive investment contract with Prudential as an investment option to Plan participants. Prudential maintains the contributions in a general account. The investment in the guaranteed investment contract is reported at contract value. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

This contract meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Prudential, represents contributions made under the contract, plus earnings at guaranteed crediting rates, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

THE DP MEDIA NETWORK EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Valuation of Investments and Income Recognition (continued)

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Upon discontinuance of the contract, contract value would be paid no later than 90 days from the date the Plan sponsor provides notice to discontinue as a market value adjustment does not apply upon a discontinuance. This product is not a traditional guaranteed investment contract; therefore, there are not any known cash flows that could be discounted.

There were no changes to the valuation techniques used during the year. The Plan's management reaffirms its understanding of the valuation techniques used by its pricing services at least annually.

The net realized and unrealized investment gain or loss (net appreciation or depreciation in fair value of investments) is reflected in the accompanying statement of changes in net assets available for benefits and is determined as the difference between fair value at the beginning of the year (or date purchased if during the year) and selling price (if sold during the year) or year-end fair value. Purchases and sales of investments are recorded on a trade-date basis. Interest income is recognized on the accrual basis. Dividends are recognized on the ex-dividend date.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes in net assets available for benefits and disclosures. Accordingly, actual results could differ from those estimates.

Risks, Uncertainties, and Concentrations

The Plan provides for various investments that, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Additionally, some investments held by Prudential are invested in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

During the year ended December 31, 2017, five investments accounted for 77% of net appreciation in fair value of investments. At December 31, 2016, three investments accounted for 47% of total investments. There were no concentrations of investments at December 31, 2017.

THE DP MEDIA NETWORK EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

Note 1 - Description of the Plan and Significant Accounting Policies (continued)

Subsequent Events

The Plan administrator has evaluated all subsequent events through the auditors' report date, which is the date these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

Note 2 - Assets Certified by the Trustee

Prudential has certified in writing to the Plan administrator that the stated amounts for investments at fair value or contract value and participant loans at amortized cost as of December 31, 2017 and 2016 and the income earned or losses incurred thereon for the year ended December 31, 2017, as reflected in the accompanying financial statements, are complete and accurate.

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's auditors not to perform any auditing procedures with respect to the investment information certified by the trustee, except for comparing the information contained therein to information included in the financial statements.

Note 3 - Fair Value Accounting

Generally accepted accounting principles require disclosure about how fair value is determined and establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments measured at fair value on a recurring basis.

THE DP MEDIA NETWORK EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

Note 3 - Fair Value Accounting (continued)

As of December 31, 2016:

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 9,633,161	\$ -	\$ -	\$ 9,633,161
Investments measured at NAV*				<u>31,117,942</u>
Total investments at fair value	<u>\$ 9,633,161</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 40,751,103</u>

*Investments measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation to total investments, at fair value. The fully-benefit responsive guaranteed investment contract has also been excluded from the fair value hierarchy, as it is measured at contract value and does not permit reconciliation to total investments, at fair value.

Note 4 - Income Taxes

The Plan obtained its latest determination letter from the IRS, dated February 27, 2018, stating that the Plan was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since the date of this letter; however, the Plan administrator believes that the Plan continues to be operated and administered in compliance with the applicable requirements of the IRC.

Generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Administration of the Plan

The Company provides, at no cost to the Plan, certain administrative, accounting, and legal services to the Plan and also pays the cost of certain outside services for the Plan. The Plan earns funds from revenue sharing, which are used to offset Plan expenses. Revenue sharing totaled \$36,857 during the Plan year ended December 31, 2017. Administrative expenses totaled \$37,025 during the Plan year ended December 31, 2017.

Note 6 - Plan Termination

Effective December 31, 2017, The Plan merged with the MediaNews Group Retirement/Savings Plan. Accordingly, subsequent transactions will occur under the terms of the new plan, and no assets were held under the Plan as of December 31, 2017.

THE DP MEDIA NETWORK EMPLOYEE SAVINGS PLAN

Notes to Financial Statements

Note 7 - Related Party and Party-in-Interest Transactions

Certain Plan investments are pooled separate accounts and a guaranteed investment contract, which are managed by Prudential. Prudential is the asset trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest and are exempt from the prohibited transaction rules. In addition, the Plan provides for loans to participants, which are also party-in-interest transactions that are exempt from the prohibited transaction rules.
