VISION H.R. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

1. Description of Plan

The following description of the Vision H.R. Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

(a) **General** – The Plan is a defined contribution, multiple employer plan covering all eligible employees of the Vision H.R., Inc. (the Company) and its employer organizations who have adopted the Plan. Employees become eligible in accordance with their employer's specific Plan provisions. The Plan is subject to the Employment Retirement Security Act of 1974 (ERISA).

(a) **Contributions** – Each year, participants may contribute from 1 percent to 90 percent of eligible pretax annual compensation to the maximum amount allowed by law. Additional "catch-up" contributions can be made to the Plan if the participant is at least age 50 by the end of the Plan year up to the amount allowed by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans and post-tax Roth contributions. Participants direct the investment of all contributions to their accounts into various investment options offered by the Plan and may change their investment allocation at any time. Participating employers contribute as adopted in each employer's Plan provisions. Contributions are subject to certain limitations.

(b) **Participant accounts** – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's or participating employer's contribution, and (b) Plan earnings, and is also charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(c) **Vesting** – Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's and participating employer's contribution portion of their accounts is based on years of continuous service. A participant is fully vested subject to each participating employer's adoption agreement which ranges from immediate vesting to completion of six years of continuous service.

(d) **Notes receivable from participants** – Participants may borrow from their fund a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. The loans are secured by the balance in the participant's account and bear interest at a reasonable rate charged by persons in the business of lending money for loans that would be made under similar circumstances (current rates on loans range from 4.25% – 5.75%). Principal and interest is paid ratably at least as frequently as quarterly over a reasonable amount of time not to exceed five years (fifteen years for personal residence).

(e) **Payment of benefits** – All benefits under the Plan due to termination of service (whether due to death, disability, retirement, or other termination of employment), shall be paid in a single lump sum. The participant's contributions may also be withdrawn for certain hardship situations.

(f) **Plan expenses and participant fees** – Substantially all administrative and operating expenses, including plan audit and legal fees, of the Plan are paid by participants. Additionally, expenses incurred by individual participant accounts, loan set-up fees and distribution fees are paid by the participants. For the year ended December 31, 2017, administrative and professional fees totaled \$213,604.

VISION H.R. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

1. Description of Plan (Continued)

(g) **Forfeited accounts** – These accounts may be used first to pay administrative expenses of the Plan, and then may be used to reduce future employer contributions. During 2017, there were no forfeiture accounts and no amounts were used to pay administrative expenses and reduce employer contributions.

(h) **Plan amendments** – The Plan was amended and restated effective October 1, 2016 to reflect the approved prototype Bluestar Retirement Services Inc. Plan.

2. Summary of Significant Accounting Policies

(a) **Basis of presentation** – The financial statements of the Plan are prepared on the accrual basis of accounting.

(b) **Investment valuation and income recognition** – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when paid. Net appreciation in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

(c) **Cash and cash equivalents –noninterest bearing** – Cash and cash equivalents represents primarily cash deposited by employers for contributions made at or near the end of the year to a Trust account prior to investment in and allocation to the various investments within the Plan. This Trust account was established to comply with requirements to disburse participant contributions timely to the Plan and to not be in the custody of the employers or the Trustee.

(d) **Notes receivable from participants** – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based on the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2017 and 2016.

(e) **Use of estimates** – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(f) **Payments of benefits** – Benefits are recorded when paid.

(g) **Subsequent events** – The Plan has evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through September 20, 2018, the date the financial statements were available to be issued.

VISION H.R. RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 AND 2016

3. Information Certified by the Trustees

TD Ameritrade Trust Company held investment assets as of December 31, 2017 and 2016 and executed transactions for the year ended December 31, 2017 and 2016. The Plan administrator has instructed the independent certified public accountants not to examine the information certified as complete and accurate by the trustees. The trustees' certification applies to substantially all Plan assets and transactions for the dates presented except for the notes receivable from participants, which are excluded from the certification received from TD Ameritrade Trust Company.

4. Plan Termination

Although it has not expressed any intent to do so the Company has the right under the Plan to permanently discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would generally become 100% vested in their employer contributions.

5. Tax Status

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not been amended since receiving the determination letter. The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and has no income subject to unrelated business income tax. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Investments and Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

The fair value measurement accounting literature (FASB ASC 820) establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 3 inputs were used in valuing Plan investments. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Level 1 Fair Value Measurements -The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end. The fair value of self-directed brokerage accounts is based on the quoted values of the underlying investments in the accounts.

Level 2 Fair Value Measurements – The fair value of money market funds for which quoted market prices are not available are valued based on original cost plus accrued interest, if any.
