NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Dwellworks, LLC 401(k) Plan (the “Plan”) provides only general information regarding the Plan. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Dwellworks, LLC (the “Company” or “Employer”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Board of Trustees.

Eligibility

All United States employees are eligible to participate in the Plan as of the first day of the month subsequent to their date of hire, except for certain classes of employees as described in the Plan document.

Contributions

The Plan allows participants to contribute up to the lesser of one hundred percent of their pre-tax annual compensation, as defined in the Plan, or the maximum allowed by the Internal Revenue Code (“IRC”). Participants may also make rollover contributions from other qualified plans. The Company may make a discretionary matching contribution. During the years ended December 31, 2017 and 2016, the Company made a discretionary matching contribution to eligible participants, where the Company matched fifty percent of participants’ contributions between two percent and five percent of their eligible compensation. The Company may also make discretionary non-elective contributions. No such contributions were made during 2017 and 2016. Participants direct the allocation of their contributions, as well as the Company’s contributions, among the investment options available under the Plan. The Plan also allows participants to designate a portion or all of their deferral contributions as a Roth contribution made to the Plan on an after-tax basis.

Participant Accounts

Each participant’s account is increased or decreased, as appropriate, with (a) the participant’s contribution, (b) the Company’s matching contribution and (c) investment earnings and losses. In addition, each participant’s account is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balance, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

DWELLWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their account occurs on a graduated scale based on years of continuous service (as defined by the Plan) as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
1 year	25%
2 years	50%
3 years	75%
4 years	100%

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants can defer their distribution payment, however, a participant's distribution cannot be postponed if their vested account balance is \$5,000 or less as the Fidelity Management Trust Company ("Fidelity" or "Trustee") has been directed to distribute vested amounts ranging from \$5,000 to \$1,000 to an Individual Retirement Account or Annuity and vested amounts less than \$1,000 be distributed as lump-sum distributions. Participants may also withdraw amounts from their accounts under certain hardship conditions as defined in the Plan Document.

Forfeited Accounts

At December 31, 2017 and 2016, forfeited non-vested accounts totaled \$97 and \$51,352, respectively. These accounts will be used to reduce future Company contributions or pay Plan expenses. During the year ended December 31, 2017, \$62,939 of Company contributions and \$6,900 of Plan expenses were paid from forfeited non-vested accounts.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or fifty percent of their vested account balance under the Plan. Loan repayment periods are not to exceed five years, unless the loan is for the purchase of a participant's primary residence. Loans are secured by the balance in the participant's account and bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. The interest rates on loans outstanding range from 5.25% to 6.25% as of December 31, 2017 and 2016.

DWELLWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

Notes are in arrears and delinquent when any payment is missed. If the note is not paid up-to-date by the end of the calendar quarter, after the calendar quarter in which a payment is first delinquent, the note will be in default. In that event, the entire outstanding note balance, consisting of the missed payments, remaining principal, and all accrued but unpaid interest, will be reported to the Internal Revenue Service ("IRS") as taxable income. If a note has not been fully repaid by the end of its term, the outstanding balance will be treated as a deemed distribution, and will be reported to the IRS as taxable income.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are participant-directed accounts that are held by the Trustee. The Plan's investments in mutual funds are stated at fair value at December 31, 2017 and 2016.

Investment income consists of dividends and interest income. The net appreciation (depreciation) of investments consists of realized gains or losses and unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Realized gains and losses from security transactions are reported based on historical cost.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRC are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2017 excess contributions to the applicable participants prior to March 15, 2018.

DWELLWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

Payment of Benefits

Benefits are recorded when paid.

Administrative Fees

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Income Taxes

The Income Taxes Topic of the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 and 2016 and for the year ended December 31, 2017, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

The Plan has evaluated subsequent events through September 12, 2018, the date the financial statements were available to be issued.

NOTE 3 – SUMMARY OF FINANCIAL DATA CERTIFIED BY THE TRUSTEE (UNAUDITED)

The following is a summary of the unaudited information regarding the Plan, included in the Plan's financial statements, which were prepared by the Trustee as of December 31, 2017 and 2016 and for the year ended December 31, 2017, and furnished to the Plan administrator.

The Plan administrator has obtained certifications from the Trustee as of December 31, 2017 and 2016 and for the year ended December 31, 2017, that such information is complete and accurate:

	2017	2016
Mutual funds	\$ 6,791,444	\$ 5,695,851

NOTE 4 – FAIR VALUE MEASUREMENTS

Fair value is a market-based measurement that is determined based on assumptions that market participants would use in pricing an asset or liability. As a basis for considering such assumptions, the Plan uses a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value as follows:

- Level 1 – Observable inputs such as quoted prices in active markets;
- Level 2 – Inputs, other than the quoted prices in active markets, that are observable either directly or indirectly; and
- Level 3 – Unobservable inputs in which there is little or no market data, which require the reporting entity to develop its own assumptions.

The classification of fair value measurements within the hierarchy is based upon the lowest level of input that is significant to the measurement. Valuation methodologies used for assets and liabilities measured at fair value are as follows:

- *Mutual funds*: Valued at the closing price reported on the active market on which the individual security is traded.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of:

December 31, 2017				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 6,791,444</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,791,444</u>

DWELLWORKS, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 5 – RISK AND UNCERTAINTIES

The Plan provides for various investment options in the form of mutual funds. These investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to the changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Company contributions.

NOTE 7 – TAX STATUS

The Plan is a Fidelity prototype plan. Fidelity received an opinion letter from the IRS, dated March 31, 2014, which states that the prototype document satisfies the provisions of Section 401 of the IRC. Although the Plan has been amended since the opinion letter, plan management believes that the Plan is designed and is currently being operated in compliance, in all material respects, with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 8 – PARTY-IN-INTEREST

Certain Plan investments are shares of mutual funds that are managed by Fidelity. Fidelity is the Trustee for the Plan and, therefore, these transactions qualify as party-in-interest.

September 12, 2018

To the 401(k) Committee
Dwellworks, LLC 401(k) Plan
Cleveland, Ohio

We have conducted a Department of Labor ("DOL") limited-scope audit of the financial statements of the Dwellworks, LLC 401(k) Plan (the "Plan") for the year ended December 31, 2017, and we will issue our report thereon dated DATE OF AUDITOR'S REPORT. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated March 30, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no significant estimates affecting the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole. The following misstatements were corrected by management:

Debit:	Participant Contributions	\$4,138
Credit:	Excess Contributions Payable	\$4,138

Description: To record excess contribution payable to participants based on 2017 ADP / ACP Testing.

Debit:	Company Contributions Receivable	\$6,219
Credit:	Company Contributions	\$6,219

Description: To adjust for a receivable to the plan for the 2016 match true up that was not submitted correctly during the 2016 plan year.

Debit:	Company Contributions Receivable	\$3,945
Credit:	Company Contributions	\$3,945

Description: To adjust for a receivable to the plan for the 2017 match true up that was not submitted correctly during the 2017 plan year.

There were no uncorrected adjustments noted.

Disagreements with Management

For the purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditors' report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated September 12, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to the Plan’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it had not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the 401(k) Committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

BOBER, MARKEY, FEDOROVICH & COMPANY
