Southern Bleacher Holdings, Inc. 401(k) Plan
Graham, Texas

Report on the Financial Statements
We were engaged to audit the accompanying financial statements of Southern Bleacher Holdings, Inc. 401(k) Plan (the Plan), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility
Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards general accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion
As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, (ERISA) the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Massachusetts Mutual Life Insurance Company as agent for Hartford Life Insurance Company, custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2017, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion
Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements.

Other Matter – Supplementary Information

The supplemental schedule H, line 4i-schedule of assets held at end of year as of December 31, 2017, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on this supplemental schedule.

Other Matter – 2016 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2016, were audited by Davis Kinard & Co, PC, who joined Eide Bailly LLP on December 4, 2017. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed Davis Kinard & Co, PC not to perform, and they did not perform any auditing procedures with respect to the information certified by Massachusetts Mutual Life Insurance Company as agent for Hartford Life Insurance Company, the custodian of the Plan. Their report, dated June 29, 2017, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and regulations for Reporting and Disclosures under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2017

The form and content of the information included in the 2017 financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of Plan

The following brief description of the Southern Bleacher Holdings, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Southern Bleacher Company and its affiliated companies (Company). The participating employers are: Southern Bleacher Holdings, Inc., Southern Bleacher Company, Inc., HUB Machine & Tool, Inc., and HUB Fishing Tools, Inc. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The 401(k) Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Employees are eligible to participate in the Plan if they have completed one year of service and are 21 years of age. To be eligible for the discretionary employer match, employees must be employed at the end of the year. A year of service for purposes of eligibility is a consecutive 12-month period during which the employee has 1,000 or more hours of service.

Entry Date

Employee may enter the Plan on the first day of January or July coinciding with or following the date they satisfy the Plan's eligibility requirements.

Contributions

Each year, participants may contribute up to 100% of their pretax annual compensation, as defined in the Plan. Contributions are subject to certain Internal Revenue Code (IRC) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan allows participants to designate contributions as Roth 401(k) contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). At the discretion of the Board of Directors, the Company may make a contribution to the Plan. For the years ended December 31, 2017 and 2016, the Company contributed 25% of the first 6% of a participant's deferral, within the maximum Internal Revenue Service (IRS) limits.

Participant Accounts

Each participant's account is credited with the participant's contributions and the Company's discretionary contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant's compensation, account balances or specific participant transactions, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Upon enrollment to the Plan, a participant may direct deferrals and employer contributions in any of the funds offered by the Plan. Participants may change their investment options daily.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. Vesting is based on years of credited services as set forth in the following table:

Participant's Years of Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%

Forfeitures

At December 31, 2017 and 2016, forfeited non-vested accounts totaled $137 and $0, respectively. These accounts will be used to reduce future employer contributions and/or offset Plan expenses. During the years ended December 31, 2017 and 2016, none of the forfeited non-vested accounts were used to reduce employer contributions or offset Plan expenses.

Notes Receivable from Participants

Participants may borrow from their fund accounts, a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account. The loan interest rate, will be a reasonable rate of interest determined annually by reviewing the interest rates charged for similar types of loans by other lenders. Principal and interest is paid ratably through payroll deductions over a period not to exceed five years, unless the proceeds of the note were used to acquire the participant's residence, in which case the Plan administrator may permit a longer repayment term. A participant may have no more than 1 outstanding note at any one time.

Payment of Benefits

Participants may elect to receive either a lump-sum amount equal to the value of their vested interest or equal monthly installments as defined in the Plan document upon retirement, termination of service, death or disability. A terminated employee with a balance of less than $1,000 may be automatically paid out by the Plan upon termination. Any terminated participants with a balance between $1,000 and $5,000 can still be automatically paid out if their balance is rolled into a qualified Individual Retirement Account. Distributions may be made at the participant's election prior to termination upon attainment of age 59 ½ or hardship as defined in the Plan document.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

Note 2 – Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates

The preparation of the financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on Form 5500.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are withheld from participants' loan proceeds. Delinquent notes receivable are recorded as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2017 and 2016.

Payments of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

The Plan's expenses are paid by either the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net asset available for benefits. In addition, certain investment related expenses are included in net appreciation in fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Subsequent Events

The Plan has evaluated subsequent events through August 31, 2018, the date which the financial statements were available to be issued.

Note 3 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Pooled separate accounts – Valued at fair value based on the net asset value (NAV) of units as determined by the insurance company. The NAV is based on observable market prices of the underlying assets within the account less liabilities. The NAV for the underlying assets of the account is a readily determinable measure of their fair value and is the basis for current transactions.

The 401(k) Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and other third parties.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

	2017			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 6,829,294	$ -	$ 6,829,294
Investments at fair value	$ -	$ 6,829,294	$ -	$ 6,829,294

	2016			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	$ -	$ 6,419,378	$ -	$ 6,419,378
Investments at fair value	$ -	$ 6,419,378	$ -	$ 6,419,378

Transfers Between Levels

For the years ended December 31, 2017 and 2016, there were no significant transfers between Level 1 and 2 and no transfers in or out of Level 3.

Note 4 - Information Certified by the Plan Custodian

The Plan administrator has elected the method of compliance permitted by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified as complete and accurate by Massachusetts Mutual Life Insurance Company (MassMutual) as agent for Hartford Life Insurance Company, the custodian, except for comparing such information certified by the custodian with information included in the Plan's financial statements and supplemental schedule H, Line 4i-Schedule of Assets (Held at End of Year).

The Plan agent and custodian has certified their statement of accounts as of December 31, 2017 and 2016, and for the years then ended. The statement of accounts includes beginning and ending balances of investments held, notes receivable from participants, and all related investment activity during the period, including investment earnings and interest income on notes receivable form participants.

Note 5 - Tax Status

The Plan uses a pre-approved plan document sponsored by July Business Services, Inc., which received an opinion letter from the IRS, dated March 31, 2014, stating that the pre-approved document satisfies the applicable provisions of the IRC.

The IRS has determined and informed the Company by a letter dated June 29, 2012, that the Plan and related trust were designed in accordance with the applicable regulations of the IRC. Subsequent to this issuance of the determination letter, the Plan was amended. However, the Company and Plan management believe that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC, and therefore believe the Plan is qualified and related trust continues to be tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6 - Contract with Insurance Company

The Plan entered into a traditional fully benefit-responsive guaranteed investment contract (GIC) with Hartford Life Insurance Company, now MassMutual. MassMutual maintains the contributions in a general account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may be changed from time to time. Any such change by MassMutual will be declared in advance and will become effective as of the first day of the month immediately following the date the contract holder is mailed notice of such change. The rate of interest credited to amounts invested in the suspense account shall not be less than an effective annual rate of 3%.

Because the GIC is fully benefit-responsive, contract value is the relevant measure for the GIC, as this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value as reported to the Plan by MassMutual represents contributions made under the contract, plus earnings less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract value of the investment contract at December 31, 2017 and 2016 was $1,027,845 and $916,734, respectively.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. The GIC is permitted to discontinue as of the earliest date specified in (1) or (2) below:

(1) The date specified in a written notice from the contract holder to the Company. The written notice of discontinuance shall be on a form satisfactory to MassMutual.
(2) The last day of the month specified in a written notice from the Company to the contract holder that no further contributions will be accepted by MassMutual, which notice may be given at the option of the Company, if:
    (a) The contract holder fails to provide any information required by MassMutual, and does not remedy such failure within 31 days from the date the Company notifies the contract holder thereof, or
    (b) If the trust is amended such that its provisions adversely affect, in MassMutual's sole determination, the Company's obligation under this contract, or
    (c) All contracts in this class of business must be amended, changed or altered due to changes in the state or federal laws or regulations governing contracts of this type and such requirements materially and adversely affect, in the Company's sole determination, MassMutual's obligations under this contract or its ability to maintain the class of business of which this contract is a part, or
    (d) The assets held, or participants covered under the contract are less than the amount, or number required for the contract to be considered a group annuity contract in the state in which the contract is issued, or
    (e) The contract holder is changed such that the organization or entity would no longer be considered an eligible sponsoring organization for this type of contract, or
    (f) If at any time the Plan fails to meet the requirements for qualification under the IRC and/or any other applicable state or federal law, or the trust fails to remain tax-exempt under Section 501(a) of the IRC, or
    (g) If at any time contributions or balances are less than the amounts required for this class of business under the Company's underwriting standards in effect as of the contract effective date.

Note 7 - Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of pooled separate accounts managed by MassMutual and held by Hartford Life Insurance Company, the custodian as defined by the Plan. As described in Note 2, the Plan paid certain expenses related to Plan operations and investment activity to various service providers. These transactions are exempt party-in-interest transactions under ERISA.

Fees incurred by the Plan for the investment management services are included in net appreciation of the fair value of investments, as they are paid through revenue sharing, rather than as a direct payment.

The Plan invests in shares of registered investment companies managed by the custodian. A substantial portion of the income or loss of the Plan is derived from these investments. Fees paid by the Plan to the custodian for certain investment management fees were deducted from the net asset values of the registered investment companies held by the Plan.

Note 8 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 - Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS for contributions in excess of nondiscrimination provisions are recorded as a liability with a corresponding reduction to participant contributions. The amount of excess contributions was $47,265 and $13,260 for the years ended December 31, 2017 and 2016, respectively.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2017 and 2016 to Form 5500:

	2017	2016
Total participant contributions per the financial statements	$ 497,630	$ 527,451
Add excess contributions payable	47,265	13,260
Total participant contributions per the Form 5500	$ 544,895	$ 540,711

The following is a reconciliation of benefits paid to participants per the financial statements for the years ended December 31, 2017 and 2016 to Form 5500:

	2017	2016
Total corrective distributions paid per the financial statements	$ -	$ -
Add corrective distributions payable	47,265	13,260
Total benefits paid to participants per the Form 5500	$ 47,265	$ 13,260
