Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note C, which was certified by Mid Atlantic Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2017 and 2016, and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental Schedule H, line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2017 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Crockett Graphics Inc 401(k) Profit Sharing Plan and Trust (the "Plan"), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General

Effective January 1, 1996, the Plan was established for the benefit of substantially all employees of Crockett Graphics, Inc. and its affiliates (collectively the "Employer"). The Plan is a contributory profit sharing plan under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

On April 29, 2014, an affiliate participating in the Plan, Crockett Packaging LLC, sold two of its three locations. As a result, employees impacted by the sale of these locations were terminated and no longer eligible to participate in the Plan. Affected employees represented approximately 23% of participants in the Plan; therefore, it was determined that a partial plan termination occurred. In accordance with the plan document, all affected participant accounts became 100% vested upon termination.

On August 31, 2016, Crockett Graphics, Inc. sold one of its two locations. As a result, employees impacted by the sale of this location were terminated and no longer eligible to participate in the Plan. Affected employees represented approximately 31% of the Employer's workforce; therefore, it was determined that a partial plan termination occurred. In accordance with the plan document, all affected participant accounts became 100% vested upon termination.

2. Eligibility

All employees are eligible for participation in the Plan upon attainment of age 21 and completion of six months of service, prior to the entry dates of January 1, April 1, July 1, or October 1. The Plan includes an automatic enrollment provision by which eligible employees who do not affirmatively elect a deferral rate are automatically enrolled into the Plan at a default elective deferral rate of 4%. Participants are eligible for non-discretionary matching contributions upon completion of six months of consecutive service and attainment of age 21 and for discretionary profit sharing contributions upon completion of one year of consecutive service and attainment of age 21.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

3. Contributions

Participants may elect to contribute, on an after-tax and/or tax-deferred basis, up to 92% of compensation, up to the maximum annual deferral limit per Section 402(g)(1) of the IRC. Additional "catch-up" contributions can be made beginning in the plan year in which a participant will be at least age 50 by the end of the plan year.

In addition, the Employer makes matching contributions equal to 50% of deferred compensation up to a maximum of 4% of compensation, not to exceed $1,500. Profit sharing contributions to the Plan by the Employer are discretionary (subject to determination on an annual basis by the Board of Directors of the Employer). There were no profit sharing contributions for the year ended December 31, 2017.

4. Participant Accounts

Each participant's account is credited with the participant's contributions and Employer matching contributions, as well as allocations of the Employer's profit sharing contributions, if any, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

5. Investment Options

Participants may direct employee and Employer contributions, as desired, in any of a variety of investment options offered by Mid Atlantic Trust Company ("Mid Atlantic"). Participants may change their investment options daily.

6. Notes Receivable from Participants

Participants may borrow from their account a minimum of $1,000 up to 50% of their vested balance, excluding any Roth Elective Deferral balance, not to exceed $50,000 less any outstanding loan balance. A participant may not exceed one loan at any time. Loans must be repaid within 4.5 years, or longer if for the purchase of a principal residence, and bear interest at the prime rate plus 1% per annum.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

7. Benefit Payments

Upon termination of service due to death, disability or retirement, a participant is entitled to 100% of their account balance. Upon termination of service for other reasons, a participant is entitled to their vested account balance. Benefit payments may be made as a lump-sum, partial lump-sum, installment payments or annuity distributions. Additionally, participants may receive distributions upon attaining age 59 ½ or for financial hardship if certain criteria are met.

8. Vesting

Participant contributions and rollover contributions, plus actual earnings thereon are fully vested at all times. However, vesting of the Employer matching and discretionary profit sharing contribution portions of participant's accounts, plus actual earnings thereon is based upon the participant's years of service with the Employer as follows:

Years of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

Participants with remaining account balances who were terminated in an event that constitutes a partial plan termination are 100% vested.

9. Forfeitures

Forfeitures of terminated participants' non-vested accounts may be used to pay Plan administrative expenses, be applied against future Employer contributions, or allocated to eligible participants. At December 31, 2017 and 2016, forfeited non-vested accounts totaled $7,566 and $4,982, respectively.

10. Plan Termination

Although it has not expressed such intent, the Employer reserves the right to terminate the Plan at any time, subject to the provisions of ERISA. Upon termination of the Plan, all Employer contribution portions of the participants' accounts become fully vested, and the net assets available for plan benefits would be distributed to the participants based on each participant's interest in the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

2. Plan Administration

The Employer is the plan sponsor and the plan administrator. The administrator of the Plan is responsible for carrying out the duties imposed under ERISA.

3. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

4. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment adviser and the trustee. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

5. Payment of Benefits

Benefits are recorded when paid.

6. Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

7. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTE C - INVESTMENTS AND CERTIFICATION BY TRUSTEE

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Mid Atlantic, the trustee of the Plan, as complete and accurate, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

Total investments held and certified by Mid Atlantic in the accompanying Statements of Net Assets Available for Benefits were $5,098,191 and $4,932,927 as of December 31, 2017 and 2016, respectively. For the year ended December 31, 2017, Mid Atlantic certified net investment income in the accompanying Statement of Changes in Net Assets Available for Benefits of $505,697.

NOTE D - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Valued at cost, plus earned interest.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

Assets at Fair Value as of December 31, 2017

	Level 1	*Level 2*	*Level 3*	*Total*
Assets in the fair value hierarchy:				
Mutual funds	$ 4,487,471	$ -	$ -	$ 4,487,471
Money market fund	610,720	-	-	610,720
Investments at fair value	$ 5,098,191	$ -	$ -	$ 5,098,191

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Assets at Fair Value as of December 31, 2016

	Level 1	*Level 2*	*Level 3*	*Total*
Assets in the fair value hierarchy:				
Mutual funds	$ 4,341,225	$ -	$ -	$ 4,341,225
Money market fund	591,702	-	-	591,702
Investments at fair value	$ 4,932,927	$ -	$ -	$ 4,932,927

NOTE E - RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

All investments are held by Mid Atlantic Trust Company. Mid Atlantic Trust Company is the trustee and Paychex, Inc. is the recordkeeper for the Plan. As a result, these transactions quality as party-in interest transactions. Notes receivable from plan participants and the related interest income are also considered party-in-interest transactions.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE G - TAX STATUS

The Employer adopted a Prototype Non-Standardized Profit Sharing Plan ("prototype plan") which received a favorable opinion letter from the Internal Revenue Service (IRS) dated April 10, 2014. The opinion letter stated that the prototype plan and related trust are designed in accordance with applicable sections of the IRC. Administration errors, if any, that are insignificant or operational in nature are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to December 31, 2014.

NOTE H - SUBSEQUENT EVENTS

Plan management has evaluated subsequent events through September 27, 2018, the date the financial statements were available to be issued.
