December 31, 2017

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the Rocket Oil Company 401(k) Retirement Savings Plan (The Plan) is provided for general informational purposes only. Participants should refer to the Summary Plan Description or the Plan Document for more complete information.

General:

Rocket Oil Company, LLC provides its employees a defined contribution plan under code section 401(k) of the Internal Revenue Code. The Plan is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An employee who is at least twenty-one years of age, has worked a year, and has worked 1,000 hours is eligible to participate in the plan. The plan was formed effective January 1, 2016.

Contributions:

The Plan has four sources of contributions made by either the participant or employer:

The first is an employee elective deferral contribution. Participants may contribute 1% to 90% of pretax salary up to a maximum of \$18,000 in the current year. All participants who have attained age fifty before the close of the taxable year shall be eligible to make "statutory catch-up contributions" in accordance with the IRS code. The allowable catch up contribution for 2017 was \$6,000.

The second is Roth elective deferrals, which are also permitted by the plan.

The third source of contributions is Employer matching contributions. All participants are eligible to receive the matching contributions. Matching contributions are calculated based on 100% of the first 3% of compensation. Matching contributions will be determined each payroll period.

The fourth is a participant rollover contribution. Participants may also contribute rollover or transfer amounts representing distributions from other qualified defined benefit or contribution plans.

Participant Accounts:

Each participant's account is credited with the participant's contribution and allocation of (a) Company's contribution, (b) Plan earnings, and charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account.

Vesting:

Participants are vested in their matching contributions as follows:

<u>Years of Service</u>	<u>Non-forfeitable Percentage</u>
Less than 2	0%
At least 2, less than 3	20%
At least 3, less than 4	40%
At least 4, less than 5	60%
At least 5, less than 6	80%
6 or more years	100%

NOTE 1 – DESCRIPTION OF PLAN, CONTINUED

Payment of Benefits:

Benefits are payable upon the occurrence of any of the following events:

- (1) In-service distributions can be paid when a participant reaches age 59 1/2;
- (2) Attainment of normal retirement age (age 65);
- (3) Death while employed by the employer;
- (4) Disability, when it is determined that an employee is totally and permanently disabled;
- (5) Termination of employment; and
- (6) Termination of the Plan;
- (7) Hardship withdrawals from participant deferral accounts are allowed only if one of the following criteria are met: payment for medical expenses, purchase of primary residence, payment of tuition and educational fees for post-secondary education, and payments to prevent eviction and/or foreclosure on the mortgage of your primary residence.

On termination of service due to death, disability, retirement, or voluntary separation, a participant or beneficiary will receive a single lump sum cash payment equal to the vested value of the participant's account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition:

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with the policy of stating investments at market value, net unrealized appreciation or depreciation for the year is reflected in the Statement of Changes in Net Assets Available for Benefits. Sales and purchases of securities are reflected on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains or losses are recognized on the date the investment is sold.

Payment of Benefits:

Benefits are recorded when paid.

Rocket Oil Company 401(k) Retirement Savings Plan
Notes to the Financial Statements
December 31, 2017

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Expenses:

All expenses of maintaining the Plan are paid by the Plan Sponsor.

NOTE 3 - INVESTMENTS

During the year ended December 31, 2017, the Plan's investments, including investments bought, sold, and held during the year appreciated in value by \$114,366.

At December 31, 2017, investments exceeding 5% of the Plan assets included: Vanguard Dividend Growth Fund, Vanguard Target Retirement 2025, and Vanguard Growth & Index Fund.

NOTE 4 - FAIR VALUE MEASUREMENT

Financial Accounting Standards Board Accounting Standards Codification Topic 820, Fair Value Measurements, establishes a framework for measuring fair values. That framework provides a fair value hierarchy that prioritizes inputs to fair value techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 Measurement) and the lowest priority to unobservable inputs (Level 3 Measurement). The three levels of fair value hierarchy are as follows under the standard:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted market prices;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted market prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following is a description of the valuation of methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2017.

Mutual funds:	Unit value calculated based on the observable NAV of the underlying investment per quoted market prices.
---------------	--

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although Plan management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

Gains and losses included in changes in net assets available for benefits for the year ended December 31, 2017 are reported in net appreciation in fair value of investments.

NOTE 5 - TAX STATUS

The Plan, which is a prototype plan of ADP, LLC, obtained its latest determination letter on October 31, 2011, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America, provides guidance for reporting uncertainty in income taxes. The Plan has performed an evaluation of uncertain tax positions for the year ended December 31, 2017, and determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

NOTE 6 - CERTIFIED INFORMATION BY CUSTODIAN

Reliance Trust was the custodian of the Plan at December 31, 2017 and 2016 and held substantially all of the Plan's investment assets effective as of December 31, 2017 and 2016 and executed transactions therein. Financial information relating to those assets is included in the accompanying financial statements (investments, at fair value, net appreciation in the fair value of investments and dividends) and schedule based upon information provided by Reliance Trust as of December 31, 2017.

NOTE 7 - PLAN TERMINATION

Although it has not expressed intent to do so, the Company has the right, under the Plan, to discontinue or terminate the Plan at any time, subject to the provisions of Employee Retirement Income Security Act (ERISA). In the event of Plan termination, participants will become 100 percent vested in their accounts.

NOTE 8 - ADMINISTRATIVE EXPENSES

The administrative expenses of the Plan are paid by the Plan's sponsor.

NOTE 9 - AMOUNTS ALLOCATED TO TERMINATED PARTICIPANTS

Amounts allocated to individuals who have been terminated from the plan sponsor but still have an account balance in the Plan as of December 31, 2017 and 2016 was \$11,880 and \$1,136, respectively.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in mutual funds offered by Reliance Trust. These securities are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of certain investment securities will occur in the near term and those changes could materially affect the amounts reported in the statement of net assets available for benefits.

NOTE 11- SUBSEQUENT EVENTS

In accordance with ASC Topic 855, the Plan evaluated subsequent events through September 27, 2018, the date these financial statements were available to be issued.

Madisonville, Kentucky

We have audited the financial statements of Rocket Oil Company, LLC 401(k) Retirement Savings Plan for the year ended December 31, 2017, and have issued our report thereon dated September 27, 2018. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated June 8, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

You are responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Rocket Oil Company, LLC 401(k) Retirement Savings Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements and are based on your knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in performing and completing our audit.

Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no uncorrected misstatements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Other Matters

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of you and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the retirement committee of Rocket Oil Company, LLC 401(k) Retirement Savings Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Alexander Thompson Arnold, PLLC

To the Retirement Committee and Management of
Rocket Oil Company, LLC 401(k) Retirement Savings Plan
Madisonville, Kentucky

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Rocket Oil Company 401(k) Retirement Savings Plan (the "Plan") as of and for the year ended December 31, 2017, in accordance with auditing standards generally accepted in the United States of America, we considered Rocket Oil Company, LLC 401(k) Retirement Savings Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited-scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by auditing standards generally accepted in the United States of America and did not include a consideration of internal control relating to the information summarized in Note 6 to those financial statements. Because of the significance of the information that we did not audit

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies, and, therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

This communication is intended solely for the information and use of management, the retirement committee, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.
