## Note 1 - Plan Description

The following description of Pioneer 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

***General***

The Plan is a defined contribution plan covering all employees of Pioneer Cladding and Glazing Systems, LLC and Subsidiary (the "Company") who have completed three months of service and are 21 years old, except for nonresident aliens, leased, and union employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

***Contributions***

The Plan provides for employee salary 401(k) contributions up to a maximum of 100 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Plan allows participants to contribute up to 100 percent of their compensation on an after-tax basis. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan also provides for employer safe harbor matching contributions of 100 percent of the participant's elective deferrals, including catch-up contributions, not to exceed 4 percent of the participant's deferred compensation.

The Company may make an annual discretionary contribution to the Plan, as approved by the Company's partners. The Company did not make any discretionary contributions to the Plan during 2017.

***Participant Accounts***

Each participant's account is credited with the participant's contribution, allocations of the Company's contributions and plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the participant's compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

***Participant Notes Receivable***

Participants may borrow from their accounts subject to certain maximum and minimum amounts, as prescribed in the Plan and in the Internal Revenue Code. Notes receivable bear interest at a market rate.

***Vesting***

Participants are immediately vested in employee salary, rollover, and employer safe harbor matching contributions and any income or loss thereon. Vesting in the company contribution portion of their accounts, plus actual earnings thereon, is based on years of service. A participant is 100 percent vested in discretionary contributions after two years of service.

***Forfeitures***

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan. At December 31, 2017 and 2016, forfeited account balances totaled $40 and $3,215, respectively.

***Benefit Payments***

Upon termination of employment, the participant or, in the case of death, the beneficiary, can elect to receive the participant's account balance in a single lump sum or in various installment annuities. Account balances less than $5,000 are paid in a single lump sum upon termination.

## Note 1 - Plan Description (Continued)

Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the plan document.

***Party-in-interest Transaction***

Certain plan assets are in investment funds managed by Capital Bank and Trust Company or Fifth Third Bank or their affiliates. Fifth Third Bank is current trustee and Capital Bank and Trust Company was trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

***Termination***

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan document and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

## Note 2 - Summary of Significant Accounting Policies

***Investment Valuation and Income Recognition***

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

***Participant Notes Receivable***

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

***Benefit Payments***

Benefits are recorded when paid.

***Administrative Expenses***

Various administrative costs are paid by the Company.

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

## Note 2 - Summary of Significant Accounting Policies (Continued)

***Subsequent Events***

The financial statements and related disclosures include evaluation of events up through and including October 1, 2018, which is the date the financial statements were available to be issued.

On September 1, 2018, Pioneer Cladding and Glazing Systems, LLC elected to change to an S corporation and has filed with the appropriate state taxing and regulatory agencies to affect such change. The change is not anticipated to have a material impact on the 401(k) plan design or operation. The Company also elected to make a discretionary profit-sharing contribution to the plan in March 2018 based on 2017 operating results in the amount of $324,000 and was deposited during the plan year 2018.

## Note 3 - Unaudited Information

In 2017, the Plan changed trustee from Capital Bank and Trust Company to Fifth Third Institutional Services (collectively, the "Trustees"). The Trustees of the Plan held the Plan's investments and participant notes receivable and executed all related transactions during the periods under audit. The investment and participant notes receivable balances and related income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Trustees.

## Note 4 - Tax Status

The Plan, as adopted, is a volume submitter plan, which does not require an application for a determination letter from the Internal Revenue Service (IRS). The volume submitter plan has received a favorable notification letter from the IRS dated March 31, 2014. The Plan has not individually sought its own determination letter.

## Note 5 - Fair Value Measurements

Accounting standards require that certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

The following tables present information about the Plan’s assets measured at fair value on a recurring basis at December 31, 2017 and 2016.

***Level 1***

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

***Level 2***

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

***Level 3***

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management’s own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

## Note 5 - Fair Value Measurements (Continued)

In instances whereby inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following valuation methodologies have been used to value the Plan's investments:

***Mutual Funds***

Mutual funds are valued at closing quoted prices reported in active markets.

***Money Market Fund***

The money market fund was valued at closing quoted prices reported in active markets.

| | Assets Measured at Fair Value on a Recurring Basis at December 31, 2017 | |
|---|---|---|
| | Investments (at Fair Value) | Level 1 |
| Mutual funds | $ 6,658,179 | $ 6,658,179 |

| | Assets Measured at Fair Value on a Recurring Basis at December 31, 2016 | |
|---|---|---|
| | Investments (at Fair Value) | Level 1 |
| Mutual funds | $ 5,474,506 | $ 5,474,506 |
| Money market fund | 86,663 | 86,663 |
| Total | $ 5,561,169 | $ 5,561,169 |

The Plan's policy is to recognize transfers between levels of the fair value hierarchy as of the actual date of the event of change in circumstances that caused the transfer. There were no transfers between levels of the fair value hierarchy during 2017.
