This representation letter is provided in connection with your audit of the financial statements of Paragon Medical, Inc. 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016; the related statement of changes in net assets available for benefits for the year ended December 31, 2017; and the related notes to the financial statements.

We have determined that the Plan trustee, American United Life Insurance Company ("AUL"), qualifies to issue a certification of the Plan's asset activity under Section 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations. Therefore, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you not to perform any auditing procedures with respect to asset information certified or provided by AUL, the trustee, other than comparing that information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule as a whole.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated June 29, 2018, for the preparation and fair presentation of the financial statements referred to above in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

2. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.

4. We are responsible for making the accounting estimates included in the financial statements. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.

In that regard, we are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. The methods and significant assumptions used to determine fair values of the financial instruments are as follows:

Pooled separate accounts: Valued at the total of the net asset value ("NAV") of shares held by the insurance company in their pooled accounts at year end.

Our valuation methodologies have been consistently applied from period to period. The methods and assumptions used result in a measure of fair value appropriate for financial statement measurement and disclosure purposes.

Additionally, the guaranteed investment account is valued at contract value as the investment is deemed to be fully benefit responsive.

5. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the Risks and Uncertainties Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets available for benefits date that could change materially within the next year. Concentrations refer to the nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances within the next year.

6. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.

7. Transactions with parties in interest, as defined in ERISA Section 3(14) and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed.

8. All events subsequent to the date of the financial statements, and for which U.S. GAAP requires adjustment or disclosure, have been adjusted or disclosed.

9. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.

10. We have no intention to terminate the Plan.

11. We have properly reported and disclosed amendments to the Plan instrument, if any.

12. We have no knowledge of any uncorrected misstatements in the financial statements, other than those that are clearly inconsequential.

Supplementary Information

13. With respect to supplemental schedule:

    a. We acknowledge our responsibility for the presentation of such information.

    b. We believe such information, including its form and content, is fairly presented in accordance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

    c. The methods of measurement or presentation have not changed from those used in the prior period.

    d. There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information.

e. We will only present the supplemental schedule together with the audited financial statements and auditor's report thereon and will not separate the supplementary information from the audited financial statements and auditor's report thereon in any document that contains such information.

25. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance or deficiencies in the operation of the Plan.

26. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
