EYE SPECIALISTS OF MID-FLORIDA, P. A. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

Note A - Description of Plan

The following description of the Eye Specialists of Mid-Florida, P. A. 401(k) Plan (the Plan) provides only general information. Plan participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General. The Plan is a 401(k) defined contribution plan covering substantially all full-time employees of Eye Specialists of Mid-Florida, P. A. (the Company) who have completed one year of service, as defined. The primary purpose of the Plan is to provide employees of the Company with financial benefits upon retirement. The Plan is subject to provisions of the *Employee Retirement Income Security Act of 1974 (ERISA)*.

Contributions. Each year participants may contribute up to 100% of eligible compensation, as defined by the Plan, up to the maximum limit set by the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions up to 100% of their pretax annual compensation. Participants may also contribute amounts representing distributions from other qualified plans (i.e. rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has adopted a safe harbor provision whereby the Company must make matching contributions of 100% of the first 3% and 50% of the next 2% of compensation that a participant contributes to the Plan. The Plan also permits the Company to make profit sharing contributions for each eligible participant at the discretion of the board of directors. For 2017 and 2016, the Company's profit sharing contributions were $366,854 and $335,320, respectively. Contributions are subject to certain IRS limitations.

Participant Accounts. Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's profit sharing contribution and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions and the Company's safe harbor matching contributions, plus the earnings thereon. Vesting in the Company's discretionary contribution is based on years of continuous service. A participant does not begin to vest until year two (20%) and increases ratably until fully vested in year six. Upon attaining normal retirement age, death or permanent disability while a participant is employed, their entire account balance becomes fully vested.

Payment of Benefits. On termination of service due to death, disability, retirement, or for other reasons a participant's account is distributed as a lump sum distribution if the vested balance does not exceed $5,000. If a participant's vested balance exceeds $5,000 a participant may elect to receive either a lump sum distribution or installments over a fixed period of time, not more than the participant's assumed life expectancy.

Forfeitures. At December 31, 2017 and 2016, forfeited non-vested accounts total $14 and $9,122, respectively. These accounts will be used to reduce future employer discretionary and matching contributions and/or pay administrative expenses. In 2017 and 2016, plan expenses were reduced by $24,570 and $7,637, respectively.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value) . Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note F for disclosure of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative and Investment Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Reclassifications

Certain amounts in the 2016 financial statements have been reclassified to conform to the 2017 presentation. No change to net assets available for benefits as previously reported for 2016 results from this reclassification.

Date of Management Review

Subsequent events were evaluated through October 2, 2018, which is the date the financial statements were available to be issued.

Note C - Trust Agreement

Capital Bank and Trust Company, acting as trustee for the Plan for the period from January 1, 2016 to March 31, 2017, manages Plan assets, executes investment transactions for the Plan, and makes distributions to participants as directed by the plan administrator. Eye Specialists of Mid-Florida, P.A. serves as the plan administrator.

Note F - Fair Value Measurements

The Plan's investments are stated at fair value based on the following hierarchy of fair value measurement inputs:

Level 1 The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

At December 31, 2017, the Plan's investments are categorized as follows:

	Fair Value	Level 1
Mutual funds	$15,120,782	$15,120,782
Total investments at fair value	$15,120,782	$15,120,782

At December 31, 2016, the Plan's investments are categorized as follows:

	Fair Value	Level 1
Cash and cash equivalents	$ 12,409	$ 12,409
Mutual funds	12,713,093	12,713,093
Total investments at fair value	$12,725,502	$12,725,502

Note G - Group Annuity Contract with Great-West Life & Annuity Insurance Company

At December 31, 2017 and 2016, the Plan's total contract types are as follows:

	2017	2016
Traditional investment contract	$ 538,375	$ -
Total	$ 538,375	$ -

In 2017, the Plan entered into a traditional fully benefit-responsive group annuity contract with Great-West Life & Annuity Insurance Company (Great-West) totaling $538,375 at December 31, 2017. Great-West maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The group annuity contract issuer is contractually obligated to repay the principal and a declared interest rate that is guaranteed to the Plan. The declared interest rate is based on a formula established by Great-West. The declared interest rate is reviewed on a quarterly basis. The group annuity contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Great-West, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its contractual obligations. The issuer's ability to meet its contractual obligations may be affected by future economic regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under *ERISA* (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, (4) a material amendment to the agreement without the consent of the issuer.

Note H - Party-in-Interest Transactions

Certain Plan investments are managed by Great-West Life & Annuity Insurance Company (Great-West), Empower Retirement (Empower) and American Funds. Great-West and Empower are affiliates of the custodian and American Funds is an affiliate of the trustee and record keeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Empower and American Funds provide certain administrative services to the Plan pursuant to a Recordkeeping Services Agreement (RSA) between the Company and Empower and American Funds. Empower and American Funds receives revenue from mutual fund service providers for services Empower and American Funds provides to the funds. This revenue is used to offset certain amounts owed to Empower and American Funds for its administrative services to the Plan.

If the revenue received by Empower and American Funds from such mutual fund service providers exceeds the amount owed under the RSA, Empower and American Funds remits the excess to the Plan's trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or be allocated to the accounts of participants. At December 31, 2017 and 2016, the RSA plan had net credit accounts totaling $-0- and $3,267, respectively. During 2017 and 2016, there was excess revenues of $19,948 and $17,323 credited to the plan and administrative expenses of the plan were reduced by $19,948 and $15,600, respectively.

At December 31, 2017 and 2016, Plan investments totaling $538,375 and $11,143,118 are shares of a fixed group annuity contract of Great-West and mutual funds of American Funds, respectively. Purchases and sales of these shares qualify as party-in-interest transactions.

Ascensus, formally Matthews Benefit Group, Inc. is the Plan's third party administrator and qualifies as a party-in-interest. Fees paid to Ascensus in 2017 and 2016 from the Plan were $10,575 and $3,206, respectively.

LAMCO Advisory Services, Inc. is the Plan's investment advisor and qualifies as a party-in-interest. Fees paid to the Plan's investment advisor were $19,943 and $6,032 for 2017 and 2016, respectively.

The Plan's audit firm qualifies as a party-in-interest. Fees paid to the Plan's audit firm were $14,000 for 2017 and 2016, respectively.

Note I - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Note J - Right to Terminate Plan

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of *ERISA*. In the event of Plan termination, participants would become 100% vested in their accounts.

Note K - Income Tax Status

The Plan adopted the Volume Submitter prototype non-standardized 401(k) profit sharing plan which received a favorable opinion letter dated March 31, 2014 from the Internal Revenue Service (IRS). The opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.
