EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2017

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of East Bay Clarklift, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was established to provide retirement benefits for employees of East Bay Clarklift, Inc. referred to herein as the “Company.” The Plan is a defined contribution plan covering all employees who have attained 21 years of age, have completed six months of service, and are not members of a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”) and certain provisions of the Internal Revenue Code (“IRC”).

The Plan provides for a Plan administrator who is responsible for keeping accurate and complete records with regard to the Plan’s operations, informing participants of changes or amendments to the Plan, ensuring that the Plan conforms to the law and to government regulations, and providing participants with any reports and documents required by law.

Participant Contributions – Participants may voluntarily contribute on a pretax basis, up to 75% of their annual eligible compensation, as defined in the Plan, up to a maximum permitted contribution of \$18,000 for the year ended December 31, 2017. Participants who have reached 50 years of age may make additional catch-up contributions up to a maximum of \$6,000 for the year ended December 31, 2017. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employer Contributions – The Company may make an annual profit sharing contribution at the discretion of the Company’s officers, subject to limitations imposed by applicable provisions of the IRC. There were no discretionary profit sharing contributions made for the year ended December 31, 2017.

Participant Accounts – The Plan maintains an account for each participant which is credited with the participant’s contributions and Company contributions, if any, as well as allocations of the Plan investment earnings or losses, and is charged with an allocation of investment expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the Plan agreement. The benefit to which a participant is entitled is the benefit that may be provided from the participant’s vested account.

NOTES TO FINANCIAL STATEMENTS

December 31, 2017

NOTE 1 – DESCRIPTION OF THE PLAN (Continued)

Vesting – Participants are immediately 100% vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company's discretionary contributions, if any, and related earnings thereon is based on years of credited service in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 1 year	0%
1	20%
2	40%
3	60%
4	80%
5	100%

Investment Options – Participants may direct the investment of his or her account balance into any of the investment options offered by the Plan.

Notes Receivable from Participants – Participants may borrow from their vested account balances provided they meet the Plan's eligibility requirements, and may have a maximum of one loan outstanding at a time. The maximum loan amount is the lesser of one-half of the participant's vested account balance or \$50,000. The duration of the loan is not to exceed five years, except for loans used to finance the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at rates which are based on the prevailing interest rates charged under similar circumstances, and remain fixed throughout the life of the loan. Principal and interest are paid ratably through payroll deductions and loans are due immediately upon termination of employment.

Payment of Benefits – Upon termination of service due to death, disability, retirement or other reasons, a participant may receive a lump-sum distribution, a direct rollover distribution, or a combination of cash and direct rollover distribution equal to the value of the participant's vested interest in his or her account. If a terminated participant's vested interest in his or her account is between \$1,000 and \$5,000 and no instructions have been received from such participant, the amount may be rolled over to an individual retirement account plan as designated by the plan administrator. A balance less than \$1,000 may be distributed directly to the participant as a lump-sum payment and a balance greater than \$5,000 may be left in the Plan. The Plan allows for hardship distributions as defined in the Plan document.

Forfeited Accounts – The non-vested portion of a terminated participant's account balance is forfeited. Forfeited accounts are applied to reduce future employer contributions and fund administrative expenses. As of December 31, 2017 and 2016, there were no forfeited non-vested accounts.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The Plan's financial statements are prepared using the accrual basis of accounting, in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded as of December 31, 2017 or 2016.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the IRS are reported as a liability with corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 in each subsequent Plan year.

Payments of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. The Plan does not incur any fees related to the administration of notes receivable or withdrawals from participants. Investment related expenses are included in net appreciation of fair value of investments.

Investment Concentrations – Investments in two of the Plan's investment options represent 39% and 46% of total investments as of December 31, 2017 and December 31, 2016, respectively.

Subsequent Events – Plan management has evaluated subsequent events through September 26, 2018, the date the financial statements were available for issuance (see Note 10).

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under this guideline are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the Plan's valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2017 and 2016.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

December 31, 2017

NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)

Collective Trust Fund: Valued at the NAV of the units of a collective trust. The NAV, as provided by the investment company, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (issuances and redemptions) may occur daily. If the Plan initiates a redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. The Plan believes its valuation methods are appropriate and consistent with other market participants; however, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2017			
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy:				
Mutual Funds	\$ 914,067	\$ -	\$ -	\$ 914,067

NOTE 4 – INFORMATION CERTIFIED BY THE CUSTODIAN OF THE PLAN

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Reliance Trust Company ("Reliance"), the custodian of the Plan, has certified to the completeness and accuracy of all investments and notes receivable from participants, reflected in the accompanying Statements of Net Assets Available for Benefits and in Note 3 as of December 31, 2017 and 2016, the supplemental Schedule H, Line 4i: Schedule of Assets (Held at End of Year) as of December 31, 2017, and the related investment activity and interest income reflected in the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2017.

EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2017

NOTE 5 – TAX STATUS

The Plan is a defined contribution plan designed to qualify as a tax-exempt plan under the IRC. A favorable opinion letter from the Internal Revenue Service was received on July 8, 2014 regarding the qualified status of the prototype plan on which the terms of the Plan are based. The Plan has not filed for a separate determination letter; however, the plan administrator believes that the Plan is intended to be designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PLAN TERMINATION

The Company has established the Plan with the expressed intention and expectation that it will continue the Plan. However, if circumstances make it impossible or inadvisable to continue the Plan, the Company reserves the right to terminate it at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Benefits will be held in the trust fund which will remain in existence until the Company requests the discontinuance of the trust agreement.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination among the funds sponsored by the Plan. Investment securities are exposed to various risks, such as interest rate, market fluctuation and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in investment value in the near term would materially affect the participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and in the Statement of Changes in Net Assets Available for Benefits.

EAST BAY CLARKLIFT, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2017

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

ADP Retirement Services (“ADPRS”) provides record keeping services for the Plan. The Company has entered into an agreement with ADPRS to provide certain administrative services. ADPRS receives revenue from mutual fund service providers which is used to offset amounts paid by the plan sponsor for administrative services. Because these expenses are paid through this revenue sharing arrangement, they are included in net appreciation in fair value of investments.

NOTE 9 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31, 2017 and December 31, 2016, and for the year ended December 31, 2017:

	<u>2017</u>	<u>2016</u>
Net Assets Available for Benefits per the Financial Statements	\$ 1,272,863	\$ 991,236
Add: Excess Contributions Refundable	<u>1,238</u>	<u>-</u>
Net Assets Available for Benefits per Form 5500	<u>\$ 1,274,101</u>	<u>\$ 991,236</u>

The following is a reconciliation of the net increase in net assets per the financial statements to the Form 5500 for the year ended December 31, 2017:

Net Increase in Net Assets per the Statement of Changes in Net Assets Available for Benefits	\$ 281,627
Add: Excess Contributions Refundable in Current Year	<u>1,238</u>
Net Increase in Net Assets per Form 5500	<u>\$ 282,865</u>

NOTE 10 – SUBSEQUENT EVENTS

Subsequent to year end, the Plan terminated its contract with ADPRS and engaged Voya Retirement Insurance and Annuity Company (“Voya”) as the Plan’s record keeper. Effective March 1, 2018, the Plan’s assets were transferred to Voya. The terms of the new service agreement with Voya are substantially the same as the former agreement with ADPRS.
