To the BBA Aviation Retirement Committee for the
BBA Aviation Employees' Retirement Investment Plan
201 South Orange Avenue, Suite 1290
Orlando, Florida 32801

We have conducted a DOL limited-scope audit of the financial statements of the BBA Aviation Employees' Retirement Investment Plan (the Plan) for the year ended December 31, 2017 and have issued our report thereon dated October 1, 2018. As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and supplemental schedule taken as a whole. We did, however, audit the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Wells Fargo Bank, N.A. (Wells Fargo), in accordance with auditing standards generally accepted in the United States of America and found them to be presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 4, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices
Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the BBA Aviation Employees' Retirement Investment Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

> Management's estimate of the fair value of investments which is based on information provided by Wells Fargo.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

> The disclosure of risks and uncertainties in Note 8.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit
We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements
Professional standards require us to accumulate all misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. We are pleased to report there were no misstatements detected as a result of our audit procedures.

Disagreements with Management
For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations
We have requested certain representations from management that are included in the management representation letter dated October 1, 2018.

Management Consultations with Other Independent Accountants
In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues
We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matter
In April 2017, the AICPA issued an exposure draft on a proposed Statement on Auditing Standards (SAS) on *Forming An Opinion And Reporting On Financial Statements Of Employee Benefit Plans Subject To ERISA*. This proposed standard, if approved as drafted, would require the auditor to report the required auditing procedures performed in the audit as well as any findings from these procedures. The proposed SAS would be effective for audits of financial statements for periods ending on or after December 15, 2018.

This information is intended solely for the use of the BBA Aviation Retirement Committee and Plan management of the BBA Aviation Employees' Retirement Investment Plan and is not intended to be and should not be used by anyone other than these specified parties.

NOTE 1 PLAN DESCRIPTION

The following description of the BBA Aviation Employees' Retirement Investment Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established by Signature Flight Support Corporation (the Company) under the provisions of Internal Revenue Code (IRC) Section 401(a), which includes a qualified cash or deferred arrangement, as described in IRC Section 401(k), for the benefit of eligible employees of the Company and participating employers. The Company and the participating employers are subsidiaries of BBA U.S. Holdings, Inc. (BBA).

Participants of the Plan consist of nonunion and union employees. Union employees' benefits are subject to the collective bargaining process and their respective collective bargaining agreement (CBA). Most unions have adopted the provisions of the Plan, however, certain collective bargaining units have negotiated certain provisions for their members that differ from the basic plan document. Interested parties should refer to the individual CBA for a description of the specific provisions.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration - Wells Fargo Bank, N. A. (Wells Fargo) serves as the trustee of the Plan. The Plan is administered by the BBA Aviation Retirement Committee (the Committee) of the Company. The Committee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Eligibility – Certain full-time BBA employees become eligible to participate in the Plan after 90 days of employment. Other employees become eligible to participate in the Plan on the plan entry date immediately following the later of one year of employment or attaining the age of 18. Plan entry dates are on January 1, April 1, July 1, and October 1 of each plan year. Leased employees, certain nonresident aliens, members of nonparticipating collective bargaining units, and reclassified employees are not eligible to participate in the Plan.

Contributions - Participants may elect to contribute pre-tax and roth deferrals up to a limit of annual compensation based upon the CBA, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company provides a safe harbor matching contribution to certain participants equal to 100% of each participant's contribution, up to a maximum of 4% of covered compensation. The Company may make a discretionary contribution each year, as determined by the Committee. No discretionary contributions were made during the year ended December 31, 2017 for participants subject to the basic plan document. Contributions are subject to certain limitations.

NOTE 1 PLAN DESCRIPTION (Continued)

Participant Accounts – Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their deferral contribution accounts, the Company's safe harbor matching contribution, the Company's discretionary contributions, and actual earnings or losses thereon. Employer contributions under certain CBAs vest over periods from 3 to 5 years.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of $1,000 to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, as determined by Wells Fargo as of the loan application date, is set at the prime rate, as defined. Principal and interest is paid ratably through weekly or bi-weekly payroll deductions.

Transfer from Other Plans – Effective December 31, 2016, the Plan was amended to reflect the merger of the Landmark Group and First Aviation Services, Inc. plans, which resulted in a receivable at December 31, 2016. The Plan received these transfers during January 2017.

Payment of Benefits – Benefits under the Plan are payable upon attainment of age 59 ½, death, disability, hardship, qualified domestic relations order, or termination of service and are based on the vested balance in the participant's account. All benefit distributions under the Plan will be made in one lump-sum payment.

Forfeitures – At December 31, 2017 and 2016, forfeited nonvested accounts totaled $113,897 and $36,662, respectively. These accounts will be first used to pay administrative expenses of the Plan. Any remaining forfeited balances are utilized to reduce matching or discretionary contributions in the following plan year. During 2017, forfeitures of approximately $81,000 were used to pay plan expenses.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies followed by the Plan:

Basis of Accounting – The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates – The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition – The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are included as part of the principal balance of the loan. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan Agreement.

Payment of Benefits – Benefit payments to participants are recorded when paid.

Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events – The Plan has evaluated subsequent events through October 1, 2018, the date the financial statements were available to be issued.

NOTE 3 CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2017 and 2016, and net appreciation in fair value of investments, interest and dividends, and other income for the year ended December 31, 2017, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Wells Fargo, the trustee of the Plan.

NOTE 4 FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 4 FAIR VALUE MEASUREMENTS (Continued)

The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

a. Quoted prices for similar assets or liabilities in active markets
b. Quoted prices for identical or similar assets or liabilities in inactive markets
c. Inputs other than quoted prices that are observable for the asset or liability
d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs that are unobservable inputs for the asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Common/collective trusts: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan's mutual funds are Level 1 and comprise the Plan's assets at fair value as of December 31, 2017 and 2016. Common/collective trusts were measured at NAV per share (or its equivalent) and have not been classified in the fair value hierarchy. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair measurement.

NOTE 4 FAIR VALUE MEASUREMENTS (Continued)

Transfers between Levels

For the year ended December 31, 2017, there were no significant transfers between Levels 1 and 2 and no transfers in or out of Level 3.

Investments Measured Using the NAV per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2017 and 2016, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment Type	Fair Value 2017	Fair Value 2016	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Wells Fargo S&P Index Fund N	$30,258,233	$26,148,389	$ -	Daily	Daily
Key Guaranteed Portfolio	2,240,980	-	-	Daily	Daily
Wells Fargo Stable Return Fund N	19,994,321	27,788,691	-	Daily	Daily

NOTE 5 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by Wells Fargo. Wells Fargo is the trustee and recordkeeper for the Plan, and therefore, these transactions qualify as party in interest transactions.

Wells Fargo provides certain administrative services to the Plan pursuant to a service agreement between the Company and Wells Fargo. Wells Fargo receives revenue from mutual fund service providers for services Wells Fargo provides to the funds. This revenue is used to offset certain amounts owed to Wells Fargo for its administrative services to the Plan.

If the revenues received by Wells Fargo from such mutual fund service providers exceeds the amount owed under the agreement, Wells Fargo remits the excess to the Plan's trust. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of the participants.

For the year ended December 31, 2017, the excess amount was approximately $152,000, and was allocated to the accounts of participants in 2018. The Plan or the Company may make a payment to Wells Fargo for administrative expense not covered by revenue sharing.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 6 PLAN TERMINATION (Continued)

The Plan was amended on January 30, 2017 to reflect the sale of Aircraft Services International, Inc. (ASII) to an unrelated third party. In connection with the sale, the participants of ASII were terminated, and will receive 100% of their account balance under a partial termination of the Plan within the meaning of Internal Revenue Code Section 411(d)(3). During 2017, affected participant account balances of approximately $28,800,000 were distributed from the Plan.

NOTE 7 INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 4, 2014, that the Plan and related trust are designed in accordance with the applicable regulations of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. A tax position includes an entity's status as a tax-exempt entity. The Plan has evaluated each of its tax positions and has determined that no provision or liability is necessary due to the Plan's tax exempt status.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500, at December 31, 2017:
